

COUNCIL AGENDA: FEBRUARY 18, 2014

**SUBJECT:** LANDSCAPE AND LIGHTING MAINTENANCE DISTRICTS CONSOLIDATION

**SOURCE:** PARKS AND LEISURE SERVICES DEPARTMENT

**COMMENT:** Landscape and Lighting Maintenance Districts (LLMDs) were created pursuant to the California Landscape & Lighting Act of 1972. The purpose of LLMDs is to pay for ongoing maintenance and public improvements. There is an annual assessment process for the maintenance of improvements within a development that only benefit the property owners within that development. Assessments are reported to the County Auditor's Office. The assessment is levied on each parcel and is collected on Property Tax Bills. Example costs associated with LLMDs include: landscape and tree maintenance service contracts, pest control, water, irrigation repair, vandalism and graffiti repair, security street lighting, overhead administrative costs, legal notice publication costs and County fees.

Staff is proposing to consolidate North Creek (D2), Creekview (D6), and Porter Creek (A3). The consolidation would result in a new annual assessment for all three districts of \$119.82 per lot. The previous years' assessments were \$133.58 for D2, \$256.28 for D6, and \$121.26 for A3.

Consolidation will be a cost saving measure to reduce the administrative costs, including the annual assessment report preparation. Other factors enabling the consolidation include combining the fund balances of the three districts and a recent change in the landscape contractor. In compliance with the regulations regarding assessments under Proposition 218, the proposed consolidation requires a majority protest/election for all affected property owners (297 lots). Pending Council authorization, an Engineer's Report will be prepared and a community meeting will be held to help inform the affected owners. Notices are to be mailed to the owners of the identified parcels, which include the ballot, and as required by Prop 218 guidelines, a public hearing is to be held not less than 45 days after mailing the notices. At the public hearing, proposed to be set for April 15, 2014, protests will be considered and ballots will be tabulated. Staff and the Parks and Leisure Services Commission recommend the consolidation which will reduce the annual assessment to all affected property owners.
