(Resolution 62-2012)

Overtime/Compensatory Time

Fire Series employees (with exception to Battalion Chiefs and the Fire Chief) are to be compensated at the rate of 1 ½ times the regular rate for hours worked in excess of 182 hours in a 24-day consecutive pay period, except that they shall be paid at 1 ½ times the 40 hour per week rate for 12 hours or less in a shift and at 1 ½ times the 56 hours per week rate for more than 12 hours in a shift. If required to work on a State forest fire, the employee's time will start from the time the employee is required to report for duty and end when he/she is returned to the City of Porterville. Any time on his/her regular work schedule will be at regular pay; all other time will be overtime, as outlined above. (Resolution 70-2017)

Firefighter and Fire Engineers may receive compensatory time at time and one-half in lieu of overtime pay. Compensatory time shall be recorded on the employee's time sheet and accounted for through the payroll system. Compensatory time accrual may be accumulated at not more than a maximum of 168 hours at any given time for employees assigned to a 56-hour per week shift, and a maximum of 120 hours at any given time for employees assigned to an administrative staff position (40-hour week). (Resolution 71-2011)

Forced Overtime – When personnel are forced to work more than scheduled hours in order for the Department to meet minimum staffing standards, or to fill various ranks because no qualified personnel are available on the affected shift. This overtime may be the result of a “not-foreseen” situation (no relief available) and will be filled position for position from the off going shift, based on the least amount of overtime hours worked. It may also be the result of no one accepting a scheduled overtime offer.

Foreseen Overtime – When an overtime situation occurs due to minimum staffing level or functional positions shortage is created or identified seven days or more before the beginning of the affected shift.

Minimum staffing – the minimum personnel in total, and of each rank, required to be on duty to fill each shift.

Staffing – The process of filling overtime vacancies by using the “rank for rank” method, by which a vacancy is filled by a person of equal rank to the personnel that created the vacancy. Acting positions may be used to satisfy the requirements of staffing if a person of equal rank is unavailable.

Staffing / Overtime Policy:

The use of acting officers and acting engineers is an important element of the succession training for the Department and its personnel. When shift vacancies are created and minimum staffing is not effected personnel who have been certified for acting positions will move up to fill the rank (functional position).

Overtime shall be offered to all personnel below the rank of Battalion Chief, based on hours of overtime previously worked in the calendar year based on rank and/or position. Those with fewer hours of overtime worked will be offered the overtime first. The overtime list shall be used for the scheduling of all overtime greater than 9 hours in duration including OES and LGST calls. Overtime vacancies that consist of 9 hours or less may be filled at the discretion of shift command. No personnel shall work more than 96 hours consecutively unless they are on an OES or LGST call. With the approval of the Chief or his designee an employee may work up to 120 hours consecutively. Personnel cannot be forced if they have vacation within 2 shifts before or after the day of the forced overtime. Shift trades shall not be allowed to circumvent a force hire overtime. All overtime will now be assigned by phone, text message, or email so there is a record of how it was assigned and who agreed to take it or who was forced hired. For foreseen overtime personnel have 2 hours to call in and accept the overtime. If 2 hours pass and no one has taken the overtime it will be assigned as a force hire. The 40 hour shift arson Captain position shall not be forced hired Monday through Friday. At the end of every calendar year the overtime list shall be reset to zero for all employees.

Example 1: An overtime situation occurs that was known 7 days or more in advance of the date of the overtime. The shift commander shall treat that as foreseen overtime and contact all department personnel in the rank that is causing the overtime to fill the position rank for rank. If no one picks up the overtime the shift commander will contact (via phone, text, or email) the applicable acting personnel for that rank in an effort to not force hire that position. If the shift commander still has no one willing to take the overtime, it would then be treated as a forced overtime situation (refer to the definition of forced overtime). If for some reason the shift commander has no one to force hire, the Duty Chief shall be contacted and the shift shall be filled by any means possible, including but not limited to under filling positions and/or using qualified reserves to work the shift.

Example2: An overtime situation occurs that is less than 7 days in advance of the date of the overtime. The shift commander shall treat that as not-foreseen overtime and contact all department personnel in the rank that is causing the overtime to fill the position rank for rank. If no one picks up the overtime within 2 hours the shift commander will contact (via phone, text, or email) the applicable acting personnel for that rank in an effort to not force hire that position. If the shift commander still has no one willing to take the overtime, it would then be treated as a forced overtime situation (refer to the definition of forced overtime). If for some reason the shift commander has no one to force hire, the Duty Chief shall be contacted and the shift shall be

filled by any means possible, including but not limited to under filling positions and/or using qualified reserves to work the shift.

(Resolution 66-2017)

Uniform and Safety Equipment Allowance

Sworn Fire Personnel: \$1,600.00 annually.

The Department's Uniform and Safety Equipment Allowance shall be paid in 24 equal installments. (19-2023)

Uniforms will be issued to new employees, and they will not be entitled to the uniform allowance until after one year of service. (Resolution 71-2011)

Uniform allowance increases occurred as follows:

August 3, 2021: \$1,600.00 (PCFA employees, Resolution 46-2021)

October 1, 2019: \$1,100 (PCFA employees, Resolution 76-2019)

June 1, 2015: \$1,000.00 (PCFA employees, Resolution 52-2015)

July 1, 2002: \$830.00 (Fire Series employees, Resolution 116-2002)

June 20, 2000: \$450.00 (Fire Series employees, Resolution 73-2000)

July 1, 1989: \$350.00 (Fire Series employees, Resolution 90-89)

June 7, 1983: \$250.00 (Fire Series employees, Resolution 9815)

To establish a Class A program, the City shall purchase all PCFA members one set of Class A uniforms. Moving forward all firefighters that complete their new hire probation period shall be provided a Class A uniform paid for by the City Of Porterville Fire Department. (Resolution 46-2021)

All members shall wear only dual compliant uniform pants for their class B uniform by January 1, 2023. (Resolution 37-2021)

The physical fitness uniform shall primarily be worn when engaged in physical fitness. The physical fitness uniform shall include a Fire Department dark blue tee shirt, and/or sweatshirt, with the department logo. Shorts and/or sweat pants shall be dark blue. Shorts shall have an inseam sufficient to rest between the lower thigh and midline of the knee. Nylon or other synthetic material shirts, shorts, and other fitness uniform items should not be worn under PPE because those fabrics may melt. (Resolution 66-2017; Amended via Resolution 46-2021)

When upon referral by the City's Physician, and on the basis of a competent hearing examination, an employee is found to have a mechanically correctable hearing problem, and holds a position which in the opinion of the employee's Department Head and the Personnel Officer requires adequate hearing ability to perform, and whose personal safety and the safety of the general public would otherwise be in jeopardy if the hearing impairment were not corrected, the City shall consider such hearing aids/devices as required safety equipment, and will

participate in the payment of normal and customary costs related to the procurement and maintenance of such equipment to the extent:

- a. Participation is limited to aids/devices determined to be the first level of adequacy necessary to restore hearing.
- b. Participation shall not exceed \$1,250 per aid/device; \$2,500, if such aids/devices are required for both ears.
- c. Participation shall not be more frequent than once every five (5) years.
(Resolution 85-97)

Working Out of Classification

Effective February 1, 2006, whenever a Fire Series employee is required to accept the responsibility and carry out the duties of a current recognized functional position, he/she shall be compensated at a rate of 5% above their base pay for each hour worked out of class. Time sheets will only be submitted whenever a minimum of twenty-four (24) hours of this hourly out of class pay has accrued. (Resolution 16-2006)

WORK SCHEDULE

48/96 Work Schedule

The City will allow some modifications to Departmental hours of operations, so long as the current level of service is delivered to the public. The schedule described in the following paragraph will be implemented on a trial basis for a period of three years:

The Department shift schedule is a 48-hour shift, with 96 hours off duty between shifts (48/96 schedule). In the event that no full-time personnel are available to fill a vacancy caused by vacation, sick leave, or out of area assignment (such as, but not limited to, an OES or LGST call) of another shift member, the Chief or his designee shall fill said vacancy to maintain minimum staffing ratios. The Chief or his designee shall fill the overtime using the overtime policy. However, in the event no member accepts the overtime assignment and there are no personnel to force hire, the Chief or his designee shall use any means available to fill a vacancy of either a rank or functional position, including but not limited to the use of qualified reserve firefighters for the duration of the shift.

4. FIRE OFFICER RIGHTS TO APPEAL PUNITIVE ACTION INVOLVING DISCHARGE DEMOTION, REDUCTION IN SALARY IN EXCESS OF THE EQUIVALENT OF TWENTY FOUR (24) HOURS OF SUSPENSION IN EXCESS OF THE EQUIVALENT OF TWENTY FOUR (24) WORK HOURS

A. Notice of Appeal

If the employee wishes to appeal the decision of the appointing authority, the employee must file a written Notice of Appeal, in a form acceptable to the City Manager, with the City Manager's Office within ten (10) working days after receipt of the appointing authority's decision.

1. The employee shall be entitled to a hearing before a Hearing Panel on the merits of the charges if the employee files a Notice of Appeal, and any such notice shall be deemed a specific denial of all parts of the accusation not expressly admitted. Failure to file a Notice of Appeal shall constitute a waiver of the employee's right to a hearing.
2. The Notice of Appeal shall be in writing, signed by, or on behalf of, the employee and shall state the employee's mailing address.
3. The Notice of Appeal must:
 - a. State the reasons for the appeal
 - b. State the name of the employee's representative, if any.
 - c. State the employee's estimate of time necessary to present the employee's case to a Hearing Panel.
 - d. Specify any new matter to be presented during the employee's defense. No exceptions to the time period provided herein shall be permitted.

B. Hearing Panel

The Disciplinary Action shall be reviewed by a Hearing Panel. The employee shall cooperate to schedule a hearing within the time guidelines, and shall comply with the pre-hearing conference procedures as dictated by these rules and the Hearing Officer, including identification of witnesses and exchange of evidence. Upon preparing and filing the Notice of Appeal, the employee shall promptly identify a City employee to serve on the Hearing Panel.

1. One Hearing Panel member shall be a City employee selected by the appellant and one panel member shall be a City employee selected by the employee's Department Head. The third panel member shall be the Hearing Officer who will chair the Hearing Panel and conduct the hearing. If the Hearing Officer is not an attorney, the City Manager shall appoint a legal advisor who will advise the Hearing Officer on the admissibility of evidence.
2. Selection of the Hearing Officer
 - i. The Hearing Officer shall be selected from a list of five (5) qualified and experienced neutral Hearing Officers jointly developed by the City and the Bargaining Unit. This list shall be updated every two (2) years. In the event that a selected neutral can no longer serve as a Hearing Officer, the City and the Bargaining Unit shall immediately select a replacement. If the list is not updated within two years, it shall remain in effect until the City and the Bargaining Unit are able to update it.
 - ii. If the parties cannot agree upon the selection of a Hearing Officer, the parties shall select a Hearing Officer from the list of approved neutrals by rank and strike. The first strike will be determined by a coin flip, after which the parties will alternatively strike one name from the list until only one name remains.
3. No panel member may be otherwise involved in the appeal nor may they be a witness to the facts underlying the action.
4. The Hearing Officer shall chair the Hearing Panel. If the Hearing Officer is not an attorney, the City Manager shall appoint a legal advisor who will advise the Hearing Officer on the admissibility of evidence. Said legal advisor shall be subject to disqualification for any of the grounds listed in Government Code Sections 11425.30 and 11425.40.
5. Failure on the part of the City or the appellant to appear before the Hearing Panel, without good cause as determined by the Hearing Officer, shall result in forfeiture of the case.

C. Hearing Panel Procedure

The following procedures shall apply to hearings conducted before a Hearing Panel

1. Setting the Hearing. Upon receipt of the Notice of Appeal, the City shall contact the members selected for the Hearing Panel and ascertain presently available dates when the panel members might be available to conduct a formal disciplinary hearing pursuant to these Rules. The City shall notify the employee of the panel's available dates, and work with the employee or the employee's representative to schedule all hearing-related matters.
2. Although it is the employee who is appealing the disciplinary decision, the burden of proof is on the City regarding the facts upon which the discipline was based and the correctness of the penalty imposed.
3. The Appellant's failure to appear at the hearing, or failure on more than one occasion to cooperate with the scheduling of the hearing and the pre-hearing conference procedures, or to abide by the hearing processes necessary to enable the matter to be timely heard, without good cause as determined by the Hearing Officer, shall result in forfeiture of the case or be deemed an abandonment of the appeal.
4. The Hearing Officer will provide written notice to the employee and his/her representative upon the first incidence of their failure to cooperate. If, within five (5) workdays, the employee fails to correct the problem that triggered the notice, such failure shall be deemed a separate incidence of failure to cooperate.
5. The hearing will be closed to the public unless the employee requests in writing that it be open to the public. Notwithstanding, where a hearing is open, either party may request that the Hearing Officer close portions of the hearing where sensitive or confidential or sensational material may be presented or discussed. The employee's department may be represented by counsel and/or have a lay representative present throughout the proceeding.
6. All witnesses who are not parties may be excluded from the hearing by the Hearing Officer except when testifying. If the employee does not testify in his or her own behalf, the employee may be called and examined as an adverse witness.
7. All testimony shall be taken under oath or affirmation.
8. The hearing is not required to be conducted according to technical rules relating to evidence and witnesses. Any evidence upon which reasonable persons might rely in the conduct of their everyday affairs may be admitted. Subject to the provisions herein regarding pre-hearing conferences, any relevant evidence shall be admitted if it is the sort of evidence which responsible persons are accustomed to rely upon in the conduct of serious affairs. Hearsay evidence may be used only for the purpose of explaining or supplementing other evidence, or where otherwise corroborated. Persons who provide direct testimony may be called by the other party for cross examination under oath. Cross examination shall be limited to those areas covered in their prior testimony, unless the Hearing Officer

permits otherwise. The Hearing Officer controls which evidence is admitted, and may exclude evidence which is irrelevant, cumulative or otherwise found to be not probative.

9. The proponent of any evidence is responsible for obtaining and presenting the evidence in a clean and legible fashion, and is responsible for having available sufficient copies of the evidence for all parties, including the Hearing Panel members and the court reporter.
10. The Hearing Officer may take official notice of any matter which may be judicially noticed.
11. Each party shall have the right to subpoena witnesses. The City Manager will, on request, issue blank subpoenas.
12. Except for rebuttal testimony, modification of position statements or newly discovered facts, documents or witnesses, information not shared at the pre-hearing conference shall not be presented to or considered by the Hearing Panel. The Hearing Officer may, but is not required to, modify this provision and permit such evidence for good cause and in a manner which is fair to both parties.
13. A certified Court Reporter shall record all testimony.
14. The City Manager may promulgate such additional hearing procedures as he/she deems necessary, and as are agreed to by the parties.
15. The Hearing Officer shall be responsible for preparing and issuing the written decision of the Hearing Panel. During the process of producing the Hearing Panel's written decision the Hearing Officer may be assisted by appointed counsel.
16. The decision of the Hearing Panel shall be by majority vote and shall be made in writing within thirty (30) calendar days after the hearing of the matter is concluded. The decision of the Hearing Panel is final and binding on all parties.
17. The decision shall be signed by the Hearing Officer, who shall provide a copy of Notice of Decision to the employee, the employee's representative, if any, to the employing department, and to the City Manager's Office. The Notice of Decision shall recite that the time within which judicial review of the decision must be sought is governed by the provisions of Code of Civil Procedure § 1094.6.

(Resolution 52-2015)

Fire Department Policies

The Department has promulgated various rules and regulations which affect all Department

employees, including employees covered by this MOU. The parties acknowledge that the Department's policies shall remain in effect unless a specific provision of this MOU contradicts the rule. The Department retains the ability to make changes to its rules and regulations which may affect current bargaining unit members. If the Association believes that the new or changed policy impacts a meet and confer issue the Association may request to meet within (30) days of the change. (Resolution 66-2017)

Promoted Employees (Probationary Status)

Effective February 1, 2006, Fire Series employees who have successfully fulfilled the initial probationary time period in an entry level position, and are currently on probation due to a promotion, shall not be subject to restrictions in applying, testing and promoting for other promotional opportunities if they meet the minimum qualifications for the position. (Resolution 16-2006)

Layoff Procedure

1. Purpose

To provide a means by which employees are to be reduced in position or laid off when a reduction in force occurs from lack of work, lack of funds, or abolishment of a position.

2. Reduction of Force

Whenever the City Council determines, in its discretion, that for reasons of lack of work, lack of funds, or abolishment of a position, a reduction in the number of employees of the City is required, the Personnel Officer shall proceed with such a reduction in force by a reduction in position and/or layoff in accordance with the provisions in this Section. In a layoff situation, the following order of layoffs shall be followed:

- Temporary employees in the affected class
- Provisional employees in the affected class
- Limited term employees in the affected class
- Probationary employees in the affected class
- Part-time employees in the affected class
- Permanent employees in the affected class

3. Reduction in Position (Family of Positions)

When a reduction in force involves a position that is included within a family of positions, each employee holding such position shall be ranked, based upon his/her length of service with the City. The employee holding such position having a lesser length of continuous service shall be reduced to the next lower position within the said family of positions. Whenever two or more employees have identical length of service status, the employee with the lowest performance rating shall be reduced in position first. All persons reduced shall have their names placed on the class reinstatement eligibility list. An employee in a class proposed to be reduced in position may request, subject of the City Manager, a reassignment to a lesser position in the related family of positions.

4. Reduction in Position (Positions not included within a family of positions)

Where an ordered reduction in force involves a position which is not included within a family of positions, and whether or not one or more individuals are employed in such class, employees with the least continuous City service shall be laid off first, with exception that those employees who have previously held permanent status in a lesser position may re-assume the position previously held providing they have not experienced an intervening interruption to continuous City service, and have remained qualified to re-assume the duties of such previous position.

5. Subsequent Reduction in Position

Where one or more employees have been reduced in position to a lesser position, the incumbent employee or employees holding the lesser positions shall be subject, in turn, to the same reduction in position process. Where an employee holding a position which is ranked last in a family of positions, or holds a position not in a family of positions and is ineligible to exercise the prior permanent status reduction in position provision, is pre-empted from such position by reason of this process, and he/she shall be laid off from the City's service in accordance with the notification provision of this Section.

6. Salary Determination

An employee who is reduced in position, as previously defined, shall be placed in the salary range of the lesser position at the step closest to the salary held in the former position.

7. Re-Employment List

An employee who is reduced in position, or who is laid off by reason of a reduction in force accomplished pursuant to this Section, shall automatically have his/her name placed on a re-employment list for the position which he/she formerly held. The ranking of names upon such re-employment list shall be in accordance with the employee's length of service with the City in that position. Such re-employment lists shall have priority for a period of two (2) years over any other eligibility list for such affected position, providing, however, that employees not reinstated within six (6) months after being laid off must pass a pre-employment physical examination prior to reinstatement.

8. Payoff of Accruals Upon Layoff

Laid-off employees are to be paid for all accrued holiday and vacation time when separated as a result of an ordered reduction in force. The sick leave accruals of such employees will remain on the books and will be reinstated if the employee is re-employed in a permanent position with the City of Porterville within two (2) years from the date of separation.

9. Restoration of Length of Service

Upon re-employment following an ordered reduction in force, an employee will have his/her length of service restored.

10. Non-Discrimination in Reduction in Force

Reduction in positions and layoffs, which result from a reduction in force, shall be made without regard to an employee's race, color, national origin, religion, sex, age, citizenship, or physical disability.

11. Notice of Reduction in Position or Layoff

The Personnel Officer shall provide each employee directly affected by a reduction position or layoff process with a written notice at least thirty (30) days prior to the effective date of the action. The notice shall include the:

- Reason for reduction in position or layoff.
- Class(es) to which the employee may be reduced, if any.
- Effective date of the action.

Upon receipt of a notice of a reduction in position, the affected employee must respond in writing to the Personnel Officer within ten (10) calendar days from receipt of said notice declaring his/her intention to either comply with the reduction in position process or be placed on the appropriate re-employment list.
