Mayor Rod Smith called the meeting to order at 6:00 p.m. Roll call was taken with a quorum present.

The Budget Work Session was lead off with a review of the FY22 projected Revenue Budget. It was noted that Road Use Tax Funds are projected to be down by 10% and this was taken into account with the projections. There is projected to be an increase in local option sales tax funds. The next area of discussion was the levy rate. The taxable valuations for FY22 are approximately \$2,000,000 below last year and the levy rate is projected to be 14.22701 to keep funding at the same level. The levy needed to fund the budget as presented would result in a 14.37699 but other resources and cuts will be used to offset this amount.

Final discussion was the Expenditure Budget. They extra expenditures for RAGRAI were left in the budget since we are still unsure of the status of the event.

Meeting adjourned at 6:50 P.M.
