RE: Engineers Report

CITY PROJECTS

WWTP Flow Equalization Basin

No updates to this project as site arrangements and easement needs continue to be under review by others.

2nd Street Lift Station – Phase 2

We meet with wastewater superintendent Steve and operator Bill on June 30, 2021 to walk through the project and discuss the planned improvements. Both were in favor of restarting the project with a few minor adjustments. They would like to bid the project sometime during the spring of 2022. After the meeting Steve provided us an email with some additional work requests from the street superintendent Shane and water superintendent Robert. We are working with all three departments to refine the scope of the additional services. Once we get the scope refined we will provide the City a contract amendment to add those services into this project.

Old Dubuque Road Extension and Roundabout

Project Administration:

Following the submittal of the Preliminary Plans that were submitted to the Iowa DOT on June 17, we have been in correspondence with the third-party reviewer regarding the roundabout design. The resulting comments and discussion resulted in a roundabout geometry that was slightly smaller in overall diameter, but still able to accommodate WB-67 truck sizes. Concurrent discussions with Beth and Shane concluded that the roundabout design should continue to accommodate the WB-67 truck size as had been previously requested and discussed through preliminary design. In summary, the resulting roundabout design will be slightly smaller in overall footprint which results in both construction cost and acquisition savings. Following those revisions, we received concurrence from the Iowa DOT on the roundabout geometry on July 9th.

We continue to work with Beth and Shane regarding guidance on any landscaping or hardscaping to be included in the construction documents for the center area of the roundabout. Our understanding is that street lighting for the roundabout will be provided by whichever utility services that area of the community. We've had preliminary discussion with Robert about the placement of water main through the project corridor and are planning to have a more detailed

discussion within the next couple of weeks so that these requests will be incorporated into the check plans.

Grant and Funding Applications:

Project description, EOPC, etc. revisions have been made and are reflected in the July Draft STIP as shown below for the STBG funds. We are currently working with the Iowa DOT for additional Urban-State Traffic Engineering Program (U-STEP) funding for the work related to the permanent closure of Old Dubuque Road. Eligible items would be the removal of existing Old Dubuque Road, removal of northbound left-turn lane, and pavement markings along Highway 151 for the closure of the southbound right-turn lane. Maximum funding request is \$200,000 with a City match of 45% of the construction cost.

▼ Funding	
Source	2022
Contract	\$574,000
SWAP-STBG (Regional) (SWAP)	\$1,326,000
Total	\$1,900,000

Schedule:

Prior to development of check plans (90% complete), we were hoping to have the Public Information Meeting and to allow for any further design changes or City requests that would need to be incorporated going forward. City staff has tentatively set a date for this public meeting during the first week of August, targeting a 3-4 hour window between afternoon and evening to allow for broad public attendance. This timeline pushes the entire schedule at least one month such that check plans will likely be submitted in September. We have expressed to City staff that if we need to push the bid letting by one or two months to accommodate the current rate of progress, we do not see that this would have any impact on the overall construction completion.

Revised Upcoming Schedule:

MILESTONE/TASK	SCHEDULE
Public Information Meeting	First week in August 2021
Check Plans (90% Complete)	September 2021
Utility Meeting	September 2021
Final Plans	October 2021
Acquisitions Complete	November 2021
Bid Letting	Dec 2021/Jan 2022
Construction Complete	Spring 2023

SIDE ROADS
PLAN AND PROFILE

GENERAL TRAFFIC CONTROL NOTES

1. TRAFFIC CONTROL PLAN ASSUMES A FULL CLOSURE FOR THE ENTIRE DURATION OF THE PROJECT. CHANGES TO THE STAGING PLAN MUST BE APPROVED BY THE ENGINEER. THE CONTRACTOR IS RESPONSIBLE FOR PROVIDING DETAILED TRAFFIC CONTROL PLANS TO THE ENGINEER FOR ALL STAGES OF WORK. WRITTEN NOTICE SHALL BE PROVIDED TO THE ENGINEER AT LEAST 48 HOURS IN ADVANCE OF ROADWAY CLOSURES. ADJUSTMENT TO ADVANCED SIGNAGE AND BARRICADING ARE SUBJECT TO ENGINEER APPROVAL AND ARE CONSIDERED INCIDENTAL.
2. TRAFFIC CONTROL SHALL BE IN ACCORDANCE WITH SUDAS SECTION 8030 TEMPORARY TRAFFIC CONTROL.
3. PLACE PORTABLE DYNAMIC MESSAGE SIGNS OR STATIC MESSAGE SIGNS IN ADVANCE OF CLOSURES AND DETOURS, A MINIMUM OF FIVE (5) DAYS IN ADVANCE OF COMMENCEMENT OF WORK. DYNAMIC MESSAGE SIGNS ARE INCIDENTAL TO THE TEMPORARY TRAFFIC CONTROL ITEM. THE CONTRACTOR SHALL COORDINATE WITH THE CITY REGARDING THE MESSAGES.
4. PROVIDE APPROPRIATE SIGNAGE IF, AT ANY TIME, THERE IS AN ELEVATION DIFFERENCE BETWEEN ADJACENT OR OPPOSING TRAVEL LANES ON ANY STREET, SIDEWALK, OR TRAIL.
5. THE SPACING OF ALL SIGNS AND THE DISTANCES BETWEEN SIGNS SHOWN IN THE PLAN SHALL MEET THE REQUIREMENTS OF THE 2009 MUTCD. IF THE MINIMUM SPACING BETWEEN SIGNS CANNOT BE MAINTAINED, THE SIGN LOCATIONS SHALL BE ADJUSTED TO PROVIDE THE LARGEST SPACING AVAILABLE.
6. THE LOCATION FOR STORAGE OF EQUIPMENT BY THE CONTRACTOR DURING NONWORKING HOURS SHALL BE AS APPROVED BY THE ENGINEER.

SIDEWALK ACCESS

1. AS APPLICABLE, THE FOLLOWING REQUIREMENTS APPLY FOR SIGNING ALTERNATIVE ROUTES FOR SIDEWALKS CLOSED DURING CONSTRUCTION:
 - ALTERNATIVE ROUTES FOR CLOSED ADA-COMPLIANT SIDEWALKS SHALL THEMSELVES BE ADA-COMPLIANT.
 - ALTERNATIVE ROUTES FOR CLOSING SIDEWALKS THAT ARE NOT ADA-COMPLIANT SHALL PROVIDE, AT MINIMUM, THE SAME ACCESSIBILITY AS THE CLOSED SIDEWALK.
2. EXCEPT WHEN CONTRACT OPERATIONS ARE OCCURRING WITHIN SIDEWALK AREAS, PEDESTRIAN TRAFFIC SHALL BE MAINTAINED THROUGH WORKSPACES OR TRAFFIC CONTROL ZONES DURING THIS PROJECT. THE CONTRACTOR SHALL PROVIDE APPROPRIATE SIGNAGE FOR SIDEWALK CLOSURES.
3. SIDEWALK REMOVAL AND RECONSTRUCTION SHALL BE STAGED TO MINIMIZE LOSS OF PEDESTRIAN ACCESS TO RESIDENTIAL ENTRANCES. MAXIMUM ALLOWABLE LOSS OF ACCESS IS 48-HOURS. ALL WORK AT ENTRANCES SHALL BE COORDINATED WITH THE RESIDENT AND/OR OWNER.
4. THE CONTRACTOR IS TO OBTAIN SIDEWALK TRAFFIC CONTROL APPROVAL FROM THE CITY PRIOR TO IMPLEMENTATION.
5. SIDEWALK TRAFFIC CONTROL SHALL REMAIN IN PLACE UNTIL SIDEWALKS ARE REPLACED AND ACCESSIBLE.
6. THE COST FOR THE SIDEWALK ACCOMMODATIONS IS INCIDENTAL TO THE COST OF TRAFFIC CONTROL

STAGING

1. THESE STAGING NOTES ARE NOT INTENDED TO RESTRICT THE CONTRACTOR'S ACTIVITIES TO THIS SEQUENCE ALONE. THE CONTRACTOR MAY CONDUCT SEVERAL OPERATIONS CONCURRENTLY, PROVIDED THESE OPERATIONS DO NOT CAUSE CONFLICT.
 2. AS LONG AS WORK REMAINS ON THE PROJECT; THE CONTRACTOR SHALL REMAIN ON THE PROJECT. IF ISSUES EXIST WITHIN A STAGE OF THE PROJECT WHICH ARE BEYOND THE CONTRACTOR'S CONTROL (SUCH AS OBSTRUCTIONS OR UTILITY ISSUES), THE CITY HAS THE OPTION TO REVISE THE CONTRACT STAGING AND DIRECT THE CONTRACTOR TO WORK ON OTHER 'UNAFFECTED' STAGES OR AREAS OF THE PROJECT AS SHOWN WITHIN THE CONTRACT DOCUMENTS, AT NO ADDITIONAL COST TO THE OWNER. THE OWNER MAY, AT THE OWNERS DISCRETION, PROVIDE ADDITIONAL DAYS TO THE CONTRACTOR BASED UPON RELOCATION EFFORTS AND SCHEDULING JUSTIFICATION.
 3. ONCE WORK WITHIN A STAGE HAS COMMENCED, THE CONTRACTOR SHALL CONTINUE WORK WITHIN THAT STAGE UNTIL ALL WORK WITHIN THAT STAGE HAS BEEN COMPLETED. IF WORK WITHIN THAT STAGE IS NOT COMPLETED AND THE CONTRACTOR REMOVES THE "NORMAL" SIZE CREW (AND/OR EQUIPMENT) FROM THE PROJECT WITHOUT WRITTEN AUTHORIZATION FROM THE OWNER, THEN THE CONTRACTOR WILL BE CHARGED A DAY AND IMMEDIATELY ASSESSED THE DISINCENTIVE RATE FOR EACH DAY THE CONTRACTOR'S "NORMAL" SIZE CREW AND EQUIPMENT ARE NOT WORKING ON THE PROJECT. DISINCENTIVES WILL BE ASSESSED AT THE TIME OF MONTHLY PAY APPLICATIONS COVERING ANY PERIOD DURING WHICH THE CONTRACTOR HAD UNAUTHORIZED PERIODS OF WORK STOPPAGES.
 4. THE CITY SHALL PERFORM SIDEWALK AND DRIVEWAY REMOVALS PRIOR TO THE PROJECT COMMENCING, AND WILL REPLACE DISTURBED SIGNS ON THE PROJECT. THE CITY SHALL ALSO PROVIDE BORROW FOR THE REQUIRED FILL AND CONTRACTOR SHALL HAUL AND PLACE. CONTRACTOR SHALL COORDINATE WITH CITY AND PROVIDE A MINIMUM 14 DAY NOTICE FOR CITY WHEN REQUESTING BORROW.
 5. DAMAGES SHALL BE FIVE-HUNDRED DOLLARS (\$500) PER DAY FOR FOR EACH DAY PAST THE COMPLETION DATE FOR PHASE 1, NOT INCLUDING SEASONAL SHUTDOWN, AND FIVE-HUNDRED DOLLARS (\$500) PER DAY FOR FOR EACH DAY PAST THE COMPLETION DATE FOR PHASE 2, DAMAGES FOR EACH DAY SHALL BE ASSESSED INDEPENDENTLY FOR EACH PHASE, SEE CONTRACT DOCUMENTS FOR DATES.
- PHASE 1:
- 1a- CITY TO PERFORM DRIVEWAY AND SIDEWALK REMOVALS AND PERFORM EXCAVATION PRIOR TO CONTRACTOR BEGINNING WORK
 - 1b- CONTRACTOR TO FINISH REMOVALS AND PERFORM MILLING
 - 1c- CONTRACTOR TO PERFORM PATCHING, CONSTRUCT NEW CURB AND DRIVEWAYS
 - 1d- CONTRACTOR TO CONSTRUCT HMA OVERLAY
 - 1e- CONTRACTOR TO SEED AREA WITH TEMPORARY STABILIZING CROP
- PHASE 2:
- 2a- CONTRACTOR TO CONSTRUCT SIDEWALKS AND RETAINING WALL
 - 2b- CITY TO PROVIDE REMAINING FILL FOR CONTRACTOR TO HAUL AND PLACE
 - 2c- CONTRACTOR TO FINALIZE GRADING, PERFORM SOIL RESTORATION, AND ESTABLISH SODDING FOR ALL DISTURBED AREAS
 - 2d- CITY TO REPLACE DISTURBED SIGNS

4. **Attorneys' Fees:** Each Party shall bear their own attorneys' fees and costs incurred. If any Party hereto commences any action arising out of this Agreement, including, without limitation, any action to enforce or interpret this Agreement, the prevailing party or parties in such action shall be entitled to recover its reasonable attorney's fees and other expenses incurred in such action. Any award of attorney's fees hereunder shall not be computed according to any court schedule, but, instead, shall be in such amount as to fully reimburse all attorney's fees actually incurred in good faith, regardless of the size of the judgment, since it is the intention of all Parties to compensate fully the prevailing party for all attorney's fees paid or incurred in good faith.
5. **Confidentiality:** The Parties and their attorneys represent, warrant and agree that the terms and contents of this Agreement and all information and evidence elicited or exchanged during the Action and in negotiating this Agreement are and shall be, to the extent permitted by Petitioner's obligations under Iowa's Open Records Laws, treated as confidential and shall not be disclosed, in any way used or described or characterized to any other person or entity except as required by Iowa's Open Records Laws and as follows: (a) Petitioner may only disclose the contents or terms of the Agreement to its governmental divisions and City Council, its accountants and other tax preparers, to the Internal Revenue Service, and to its attorneys, or if otherwise compelled by a court of law; and (b) Respondent may disclose the contents or terms of the Agreement to their tax preparers, the Internal Revenue Service, their attorneys, governmental entities to which Respondents report, if compelled by a court of law, or as otherwise required in the normal course of their business. This confidentiality provision and agreement is a material term of this Agreement, breach of which the Parties hereby agree will cause the Parties irreparable harm. If Petitioner or Petitioner's attorneys are required by an appropriate order of a competent court to disclose the terms of this Agreement to individuals other than those set forth above, Petitioner shall notify Respondents' counsel, in writing, at least fifteen (15) days prior to such disclosure.
6. **Release of Unknown Claims:** Petitioner acknowledges and agrees that it may hereafter discover facts different from, or in addition to, those facts known to it or which it now

believes to be true with respect to any and all of the claims, demands, actions, causes of action, suits, liens, debts, obligations, damages, liabilities, judgments, costs, expenses, and fees (including reasonable attorney's fees) existing on the effective date of this Agreement. Petitioner nevertheless agrees that the releases set forth herein have been negotiated and agreed upon, notwithstanding such acknowledgment and agreement, and hereby expressly waives any and all rights which it may have under any federal or state statute or common law principle which may provide that a general release does not extend to claims which are not known to exist at the time of execution. Petitioner understands and acknowledges the significance and consequences of this waiver and assumes full responsibility for any and all damages, losses, costs, and expenses they may incur hereafter as a result of any of the facts, matters, and events referred to in the Recitals set forth above.

7. **Release Limitations:** This Agreement does not release: (1) claims arising out of the failure of either Party to perform in conformity with the terms of this Agreement; and (2) any future disputes between Petitioner and Respondent, including their successors and assigns.
8. **Warranties and Representations:** The Parties hereto warrant and represent that (a) he, she, or it is the sole owner of all rights, claims, damages, actions, causes of action, suits and defenses, as the case may be, at law or in equity, he, she, or it has or may have or that were asserted or could have been asserted in the action, and (b) he, she, or it has not assigned, transferred, conveyed, or purported to assign, transfer, or convey to any person or entity any right, claim, action, cause of action, suit (at law or in equity), defense, demand, debt, liability, account, or obligation herein released, or any part thereof, or which would, absent such assignment, transfer or conveyance, be subject to the releases set forth in this Agreement.
9. **Acknowledgments:** Each of the Parties acknowledge and agree that:
 - a. This Agreement is entered into and executed voluntarily by each of the Parties hereto and without any duress or undue influence on the part of, or on behalf of, any such Party.
 - b. Each of the Parties hereto has been represented by counsel of its/their own choice, or has had the opportunity to be represented by counsel and to seek advice in connection with the negotiations for, and in the preparation of, this Agreement and that he, she, or it has read this Agreement and that he, she or it is fully aware of its contents and legal effects. All Parties who are representing themselves are warned to obtain the advice of an attorney before signing this Agreement.
 - c. The drafting and negotiation of this Agreement has been undertaken by all Parties hereto and their respective counsel. For all purposes, this Agreement shall be deemed to have been drafted jointly by all of the parties hereto with no presumption in favor of one party over another in the event of any ambiguity.
10. **Tax Consequences:** This Agreement is enforceable regardless of its tax consequences. The Parties understand and agree that the consideration set forth in this Agreement reflects

the settlement of disputed legal claims and that Respondent make no representations regarding the Agreement's tax consequences. Petitioner, however, specifically agrees that it is solely responsible for any and all taxes, interest and penalties due and owing, if any, should the payment or any portion thereof, be taxable.

11. **Compromise of Disputed Claims:** It is understood and agreed that this Agreement is the compromise of disputed claims, and that the terms of settlement contained herein and the releases executed are not intended to be and shall not be construed as admissions of any liability or responsibility whatsoever and each released Party expressly denies any liability or responsibility whatsoever.
12. **Severability:** If any of the provisions of this Agreement are held to be unenforceable or invalid by any court of competent jurisdiction, the validity and enforceability of the remaining provisions shall not be affected thereby.
13. **Binding Effect:** This Agreement shall be binding on, and shall inure to the benefit of, the Parties hereto and their respective administrators, representatives, successors, and assigns.
14. **Governing Law:** This Agreement shall be governed by the laws of the State of Iowa and any question arising hereunder shall be construed or determined according to such law.
15. **Further Assurances:** The Parties agree to do all acts and things and to make, execute, acknowledge and deliver such written documents, instructions and/or instruments in such form as shall from time to time be reasonably required to carry out the terms and provisions of this Agreement, including but not limited to, the execution, filing or recording of any reporting documents, affidavits, deeds or agreements. The Parties further agree to give reasonable cooperation and assistance to any other party or parties hereto in order to enable such other Party or Parties to secure the intended benefits of this Agreement.
16. **Counterparts:** This Agreement may be executed by the Parties in any number of counterparts, including by way of facsimile, and each of which shall be deemed to be an original and all of which, collectively, shall be deemed to be one and the same instrument.
17. **Integration Clause:** This Agreement contains the entire agreement between and among the Parties hereto, and supersedes all prior and contemporaneous discussions, negotiations, understandings and agreements, whether oral or written, express or implied, between or among them relating to the subject matter of this Agreement. This Agreement may not be amended orally, nor shall any purported oral amendment (even if accompanied by partial or complete performance in accordance therewith) be of any legal force or effect or constitute an amendment of this Agreement, but rather this Agreement may be amended only by an agreement in writing signed by the parties.
18. **Time Is Of The Essence:** Time is of the essence with respect to the performance of any and all provisions of this Agreement.
19. **Headings and Captions:** The headings and captions inserted into this Agreement are for convenience only and in no way define, limit or otherwise describe the scope or intent of

this Agreement, or any provision hereof, or in any way affect the interpretation of this Agreement.

20. Effective Date: This Agreement shall be deemed effective on the Date that it is signed by all Parties hereto.

IN WITNESS WHEREOF, each of the Parties hereto has executed this Agreement on the date set forth opposite his, her, or its name below. **The undersigned hereby certify that they have read and fully understand all of the terms, provisions, and conditions of this Agreement and have executed this Agreement voluntarily.**
