City Administrator's Report

- ❖ Chief of Police Search
- ❖ Review of Emergency Siren Locations
- ❖ Email Hosting Solutions
- ❖ Potential Annexation

The City Council of the City of Anamosa met in Regular Session this March 26, 2018 in the Council Chambers at City Hall at 6:00 p.m. with Rich Crump, Kay Smith, John Machart, Rod Smith, Cody Shaffer and Betty Weimer present. Absent: None. Mayor Dale Barnes presided. Also present were Jacob Sheridan, City Administrator; Tammy Coons, City Clerk; Dan Smith, Wastewater Superintendent; Travis McNally, Police Sergeant; and Rebecca Vernon, Library Director. Guests Present Addressing the Council: Chris Collins, 507 E. 1st St.; Tanya Polanski, 102 S. Oak St.; Cash Weber, 307 S. Davis St.; Kelly Day, 110 W. Walnut St.; Mike Dearborn, 405 N. Division St.; Justin Harbor, 604 N. Linn St.; Nicole Sanborn, ITS; Randy Day, 304 S. Oak St.; John Ely, 301 N. Davis St.; Don Ellis, 505 E. 1st St.; and Leanne Boone, Anamosa Chamber. Mayor Dale Barnes called the meeting to order at 6:00 p.m. Roll call was taken with a quorum present.

Council Minutes

Motion by Weimer, second by Shaffer to approve the minutes from the March 12, 2018 Regular Council meeting. All Ayes. Motion Carried.

Presentations

Chris Collins, 507 E. 1st Street addressed the Council apologizing for any inappropriate comments that were made on his Facebook page and he has since deleted them. Chris asked Jacob Sheridan, City Administrator what research he had done regarding Pit Bulls. Jacob stated that he had not done any research on the aggressiveness of Pit Bulls and that the proposed ordinance on additional requirements for Pit Bulls was to help reach a "middle ground" as when a Pit Bull bites it is more dangerous. Chris also questioned the additional registration fee of \$100 for Pit Bulls and Jacob explained it is to help with the additional enforcement needed under the proposed ordinance. Chris went on to touch on current enforcement of dog licenses, leash laws, etc. He also stated he agreed with the enforcement of the aggressive and vicious dog ordinances, but that there is no research to support that Pit Bulls are any more aggressive than any other breed of dog. Chris stated that there are a lot of fake facts on the internet relating to Pit Bulls. He also stated that he feels Anamosa should be fair and progressive regarding this issue and pointed out that there are at least three people who do not and will not live in Anamosa due to the Pit Bull ban. Chris stated that there are a lot of people who have put in faith in the Council to make good decisions and thanked the Council for the opportunity to speak. Rod Smith questioned Chris on the validity of the statistics both pro and con for Pit Bulls. Discussion followed.

COMMUNITY BETTERMENT:

Establishing and Adopting Guidelines for Public Participation at City Council Meetings

Mayor Barnes stated that agenda item 7.3 as stated above, will be considered at this time.

Motion by Crump, second by Shaffer to approve **Resolution 2018-12** Establishing and Adopting Guidelines for Public Participation at City Council Meetings. Roll Vote. All Ayes. Motion Carried.

Ordinance Amending Chapter 55 of the City Code (Animal Protection and Control) to Drop Breed Specific Prohibition

Weimer thanked the people and the Council for tabling the third reading of this ordinance until today to provide for further consideration. She also reviewed her conversation with an attorney for another city regarding whether a Pit Bull prohibition was discrimination and that dogs are not a "protected class". Weimer also stated that she has information that two veterinarians will not allow or treat Pit Bulls in their clinics, but other clinics do treat them with some restrictions like requiring them to have muzzles in place while in a public area. Weimer reviewed a list of communities, showing which communities still have a Pit Bull ban in place. She also stated that she had spoken to several insurance companies that will not insure Pit Bulls even with reduced liabilities. Kay Smith stated that is a good thing to license dogs to identify their location, rabies vaccination and to get the dogs out in the open. Jacob Sheridan recommended that the Council not pass the third reading of this ordinance and then consider the ordinance listing requirements for Pit Bulls. Discussion followed.

Weimer read a communication received from a citizen from Monticello that was in favor of the newly proposed ordinance for restrictions on Pit Bulls. More discussion followed.

Motion by Kay Smith, second by Crump to approve the **Third Reading of Ordinance No. 922** Amending Chapter 55 of the City Code (Animal Protection and Control) to Drop Breed Specific Prohibition.

Tanya Polanski, 102 S. Oak Street addressed the Council questioning the \$100 registration fee for Pit Bulls under the new proposed ordinance following. Jacob Sheridan explained that the fee would cover the enforcement of the ordinance. Rod Smith requested that anyone with a “sidebar” conversation step outside the Council Chambers.

Cash Weber, 307 S. Davis St. addressed the Council explaining his situation of a friend possibly moving to Anamosa with two Pit Bulls and questioned the people’s fear of the breed and giving the people a chance to make their own decisions while being a responsible owner.

Kelly Day, 110 W. Walnut Street addressed the Council clarifying that adopting of dogs such as Pit Bulls is not a money-maker for the Jones County Animal Welfare. She questioned the list of dog breeds that insurance companies supposedly would not insure and asked that fear tactics not be used. Kelly stated that all dogs should be treated the same under the dangerous/vicious dog ordinance.

Chris Collins addressed the Council suggesting a compromise of a \$5 license fee for any altered dog and \$100 fee for any non-altered dog. Discussion followed. He asked again for fair treatment of dogs, regardless of the breed.

Mike Dearborn, 405 N. Division Street addressed the Council questioning the order of agenda items 7.1 and 7.2. Jacob Sheridan clarified that it would make sense to pass one or the other, not both. Mike stated that he felt that the newly proposed ordinance on Pit Bull requirements is not a compromise and that the dog owners should be responsible.

Tanya Polanski addressed the Council stating that she works at a kennel and that when animals are spade or neutered that lessens the animal’s aggression.

Mayor Barnes asked for a Roll Vote. 2 – Nays, Rod Smith and Weimer. All Remaining Ayes. Motion Carried.

First Reading of Ordinance Deleting Pit Bull Terriers from Dangerous Animal Definition and Requiring Proof of Insurance for Registration

Jacob Sheridan stated that since the Pit Bull ban would be lifted with the passage of the third reading of the previous ordinance, that it would not make sense to enact both ordinances. He stated that a compromise in conjunction with the passed ordinance could be considered in the future. Crump suggested a possible ordinance addressing dog breeders and the spading or neutering of the dogs.

Motion by Rod Smith, second by Weimer to approve the **First Reading of Ordinance** Deleting Pit Bull Terriers from Dangerous Animal Definition and Requiring Proof of Insurance for Registration. Roll Vote. 3 – Nays, Crump, Kay Smith and Machart. All Remaining Ayes. Tie Vote. Motion Failed.

Review of City Employee Personnel Policies/Discrimination/Sensitivity Training

Jacob Sheridan reviewed the three proposals submitted for the service of employee handbook review/update and employee discrimination training. Discussion followed.

Motion by Weimer, second by Kay Smith to approve and accept the proposal submitted by Simmons Perrine Moyer Bergman PLC. Discussion followed. Weimer withdrew her motion and Kay Smith withdrew her second.

Motion by Weimer, second by Kay Smith to approve and accept the proposal submitted by Shuttleworth & Ingersoll, PLC. All Ayes. Motion Carried.

“Meet and Greet” for New City Administrator, Jacob Sheridan

Motion by Shaffer, second by Crump to set April 6, 2018 from 5:30 pm – 7:00 pm at the Anamosa Library for the “Meet & Greet” for the new City Administrator, Jacob Sheridan. All Ayes. Motion Carried.

Email Options for City Staff and Elected Officials

Jacob reviewed the two “cloud based” email proposals that had been submitted. He stated that he is waiting on one more proposal. Nicole Sanborn, ITS addressed the Council offering to answer any questions. Discussion followed.

PUBLIC SAFETY:

Beer and Liquor Licenses

Motion by Rod Smith, second by Shaffer to approve the renewal of Class C Liquor License, Outdoor Sales with Sunday Sales Privileges for La Hacienda Mexican Restaurant. All Ayes. Motion Carried.

Implementation of Fines for Failure to License Dogs in the City of Anamosa

Motion by Rod Smith, second by Shaffer to approve the **First Reading of Ordinance** setting fines for failure to license dogs within the City of Anamosa.

Randy Day, 304 Oak Street addressed the Council asking for clarification on how the fines would be applied, by day or offense. Discussion followed. John Ely, 301 N. Davis Street addressed the Council asking if the Council Members had read his email. Discussion followed. Rod Smith withdrew his motion and Shaffer withdrew his second. It was suggested that Adrian review the ordinance to clarify how the civil penalties would be applied, by day or by offense.

PUBLIC WORKS: NONE

FINANCE:

Payment of Bills for the Month of March, 2018

Motion by Weimer, second by Shaffer to approve the payment of bills for the month of March, 2018. Discussion followed. All Ayes. Motion Carried.

CITY ADMINISTRATOR’S REPORT:

Jacob reported the following: 1) Attended the City Manager Conference in Iowa City, it was good networking and function, 2) He is working on the Police Chief applicant process and has received a lot of good applications, 3) He will be attending a meeting with JRMC for an employer forum and also with Alliant Energy to help get to know community partners.

MAYOR AND COUNCIL:

Weimer, JCED reported that they are working on the search for new director.

Kay Smith, Anamosa Library reported that they are working on installing baffles at the Library and working on the ground and geothermal system. She also stated that there is an ancestry symposium coming up.

Public with Business with the Council on Items not on the Agenda

Don Ellis, 505 E. 1st Street addressed the Council asking why he saw a City employee power sweeping a residential property. Jacob Sheridan stated that he will look into this and apologized as this should not be happening.

Leanna Boone, Anamosa Chamber addressed the Council sharing recent correspondence regarding Anamosa hosting an American Gothic Sculpture for a six month to one year period for a cost of \$20,000. Discussion followed.

Adjournment

Motion by Crump, second by Machart to adjourn at 7:59 p.m. All Ayes. Motion Carried.

Dale Barnes, Mayor

ATTEST:

Tammy Coons, City Clerk

John M. Ely
301 N. Davis St.
Anamosa, IA
29 March 2018

Tammy Coons, Anamosa City Clerk
Anamosa City Hall

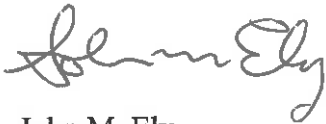

Subject: Request to address city council

Hi Tammy,

I would like to be put on the schedule to address the city council at the next meeting on the subject of licensing dogs.

Please include the attached five (5) pages detailing dog licensing in Anamosa for FY 2017 and FY 2018 through 21 March in the council "book".

Sincerely,

A handwritten signature in black ink, appearing to read "John M. Ely", written in a cursive style.

John M. Ely
301 North Davis Street

Enclosed: Five pages

grave opener must be present at all interments and have full charge of opening, closing and sodding/seeding of all graves.

7. The City shall in no manner be liable for any delay in the interment of a body where a protest to the interment has been made or where the rules and regulations of the cemetery have not been complied with. The City shall be under no duty to recognize any protest of interment unless it be in writing and filed with the Clerk. The City shall not be responsible for errors resulting from orders or instructions given by telephone and the Clerk or grave opener may require such orders to be in writing before finalizing any action.

8. Disinterments shall be governed by the above subsections 2, 3, 4, 5, 6, 7.

9. The grave opener shall exercise reasonable care in making a removal, and the City shall not assume any liability for damages to any casket or burial case or urn incurred in making the removal.

10. All grave openings and closing shall be performed by companies or persons who have written agreements with the City of Anamosa for such services that have been approved in advance by the City Council.

(Ord. 841 – Apr. 10 Supp.)

116.04 MARKERS, MONUMENTS, AND DECORATIONS.

1. Definitions. For use in this section the following terms are defined:

A. “Monument” refers to the large family lot stones which do not identify any specific grave.

B. “Marker” refers to a stone located at and identifying a specific grave, usually bearing the name, date of birth and date of death.

C. “Headstone” refers to a grave “marker” placed at the head of the specific burial, and also usually bearing specific name and dates.

D. “Footstone” refers to a grave “marker” placed at the foot of the specific burial, and also usually bearing specific name and dates.

2. Rules. The following rules apply to the erection of monuments and markers within the City cemetery. The Council, by resolution, may adopt further regulations not in conflict herewith in regard to markers.

A. Monuments and grave markers of every description shall have suitable foundations adequate to prevent tipping or sinking.

B. No monument or headstone and no structure of any vault above ground shall be constructed of any material other than cutstone or real bronze, except military stone as recommended by the Veterans Administration shall take the place of headstone.

C. No headstone or grave marker will be allowed less than 4 inches or more than 14 inches in thickness.

D. Only one monument will be permitted on a family burial lot, and no monument will be allowed on a single grave section.

E. All monuments and markers installed shall be bordered by a 6-inch wide concrete rim flush with the surface and consistent with the contour of the land and extending no less than 1 foot into the ground. In addition to 6-inch wide concrete mowing rim, each monument, marker or headstone which is over 12 inches in height shall have a concrete base extending 36 inches into the ground immediately below and which concrete base must have the same outside dimensions as the monument, marker or headstone. Monument, marker or headstone under 12 inches in height, above ground level, shall have a 6-inch concrete mowing rim and foundation, both of which shall extend not less than 1 foot into the ground immediately below.

F. Only one (1) monument, marker or headstone for each grave will be allowed except where noted above.

G. Any trees, plants or flowers growing on the lot shall not be removed or trimmed without the permission of the City.

H. Every installer of a monument, marker or headstone shall contact the Clerk's office prior to commencement of installation and before depositing materials on the cemetery lot where the monument, marker or headstone is to be installed. Installers shall furnish the City with their name, business address, telephone number, place of installation together with the name, address, and telephone number of the party purchasing or arranging for the installation of the monument, marker or headstone.

I. The entire area between the southern and eastern boundary lines of the cemetery and the southern-most (lower circle) road is designated as a "Memorial Section." The Memorial Section shall not be opened for lot sales until special rules and regulations are adopted to apply to the Memorial Section. Such rules and regulations shall include but not be limited to prohibition of the installation of any monument, marker or headstone which projects above ground level. The plats indicating the lot markers for a

portion of the Memorial Section shall be retained but not recorded until such time as affirmative action is taken to authorize lot sales in the Memorial Section.

J. If any vault, tomb, mausoleum or like structure in which bodies are entombed in the cemetery falls into a state of dilapidation or decay, or is determined by the Council to be offensive or in any way injurious to the appearance of the cemetery, no adequate provisions having been made by the owner for repair and preservation of such structure, the City shall have the right to remove the said offensive or objectionable structure and to inter any body or bodies contained therein, in the earth upon the lot in which such structure was located, maintaining such lot thereafter in good and similar condition as done with other lots in the cemetery.

K. No fences or enclosures around lots shall be permitted.

L. Potted plants will be allowed within a one-foot radius of any monument. The City reserves the right to remove all potted plants, flowers, ornaments or other objects thirty days after Memorial Day. Owners of lots shall not change the grade of any lot or interfere in any way with the general plan of landscaping of the cemetery.

M. Authorized employees of the City may enter upon any lot and remove any potted plant, flowers, shrubs, ornaments or other objects which are deemed detrimental to the cemetery or adjoining lots for the purpose of maintaining cemetery grounds or making any improvements deemed to be advantageous to the cemetery grounds.

N. Lot owners and others are prohibited from placing on lots or graves any toys, cases, boxes, globes, shells, cans, jugs, bottles, bric-a-brac of every description, wooden benches, chairs, settees, headboards or wooden articles of any kind. Any such articles found on the cemetery grounds may be removed.

O. Floral frames shall not be kept over one (1) week from day of interment.

P. Receptacles for cut flowers should be sunk below the lawn level.

Q. No trees or shrubs shall be planted by any person on any portion of Riverside Cemetery, unless approved in advance of the City's Tree Board and if such approval is granted by the Board,

all such plantings shall be done in compliance with Chapters 150 and 167 of this City Code of Ordinances. (*Ord. 811 – Aug. 08 Supp.*)

R. In order to facilitate mowing and lot care, no permanent planting of any kind by lot owners is permitted.

116.05 MAUSOLEUMS. The following regulations are adopted pertaining to the erection of mausoleums in Riverside Cemetery:

1. Above-surface vaults or mausoleums are not permitted on lots containing less than 600 square feet. The vault or mausoleum shall be set back at least four (4) feet from each of the four perimeter lot lines.
2. No above-surface vault or mausoleum shall be constructed unless the owner of the lot in question has been issued a permit by the Council.
3. Permits shall be issued by the Council only following written application thereof. The written application shall include complete plans and specifications for the proposed construction including a detailed list of the materials to be used and the method of construction to be undertaken. The permit application shall also include a sketch of the proposed construction revealing the dimensions of the structure and the location and placement of the materials to be used in its construction. The application shall also include the projected cost of the proposed structure.
4. The permit application and supporting information shall be reviewed for comment by the City Engineer prior to the issuance of the desired permit. The City reserves the right to refuse to issue a permit for the construction and erection of any above-surface vault or mausoleum which is not considered safe, suitable, desirable, appropriate or within the architectural scheme of the cemetery.
5. Before any above-surface vault or mausoleum may be erected, the lot owner shall pay to the City, for future care and maintenance of the structure and adjoining ground, an amount equal to the cost of the structure. The sum shall be deposited in the cemetery maintenance fund maintained by the City.
6. Above-surface vaults or mausoleums are permitted only in those areas of the Riverside Cemetery designated for those structures by resolution of the Council. Any such resolution shall be kept with this chapter.

116.06 CEMETERY CHARGES. The Council may set from time to time, by resolution, charges for burials or other services.

**MARENGO CEMETERY
RULES & REGULATIONS**

Marengo, Iowa 52301
Iowa County

1. All sales of lots will be done at the Marengo City Hall.
2. Monuments shall be made from dimensional granite only. Bronze markers will also be allowed.
3. All interments including the interments of cremains must be in a vault of concrete, non-corrosive metal of good quality, or fiberglass material. The use of wooden boxes is prohibited. Re-interments will be dealt with on a case-by-case basis.
4. Cremains may be interred without a vault provided sufficient measures are taken to assure no movement of the cremains to ground water sources and to assure no subsidence of the ground covering the remains.
5. All interments must be restricted to members of the owner's family unless the owner or the owner's legal representative, consents in writing that others be interred there.
6. There shall be only one casket interred in each space; however one cremains may be interred with the casket in one space.
7. There can be up to two cremains interred into one space.
8. All lots that have been sold shall be held for interment of human remains only and not held for other purposes.
9. Flowers (artificial or natural) in unbreakable (no glass) containers must be placed on the monuments or in permanent planters. Other small objects will be permitted as long as they are placed next to the headstone and on the concrete slab. No other objects will be permitted within the lot.
10. No tree, shrub or plant of any kind, except grass, shall be planted on any cemetery lot. The Public Works Director has the authority to remove any tree, shrub, or plant he/she feels necessary.
11. Alleyways (grass or graveled) are not to be obstructed in any way.
12. Families are required to notify City Hall or their Funeral Director of interments. This must be done as soon as time has been set.
13. The cemetery hours are from dawn until dusk.

14. Funeral Directors are required to notify the City in the wintertime as to the time of burial.
15. It will be the duty of the City to remove snow from the drives only of the most direct route to the site of interment.
16. City will maintain the drives and upkeep will be the judgment of the City Public Works Director.
17. Vault companies will use utmost care in crossing graves and drives in delivering the vault to the gravesite.
18. Sexton will use utmost care in opening and closing a grave and in crossing graves and drives.
19. Sexton will close grave, which will temporarily be no higher than one (1) foot higher than normal elevation or the surrounding area.
20. In settling of graves, the sexton will use black dirt supplied by the City, which will be no less than 5" thick on a gravesite and be seeded with a combination of rye and grass. Sod on the grave will be permitted and will need to be judged by weather conditions.
21. Families are encouraged to place permanent monuments on the gravesite within a reasonable time (preferably no more than 2 years).
22. Monuments are to be placed at the HEAD of the gravesite only. The head of the gravesite will be such that the body will be positioned to face East. Exceptions can be made with the approval of the Public Works Director and or City Administrator.
23. Monument foundations with footings appropriate to the size of the monument are to be poured on site. NO pre-cast tops are permitted. There also will be a 4" wash around the monument.
24. The gravedigger will be required to carry liability insurance to cover any damage to vaults, monuments, and private property damaged by them.
25. When soil conditions warrant, the sexton and vault company will place plywood going to the gravesite to prevent any damage to existing graves and alleyways.
26. All flowers and decorations (artificial or natural) will be removed for one week during the 15th of March and the 15th of September each year.
27. Price of Lots. The sale price of lot spaces is as follows:
 - \$500.00 per space plus a \$15.00 recording fee
 - Section A,B,C and D will no longer have lots available for sale.
 - Section F,G and H will allow sales on a case-by-case bases.

All sales are final. The city will not buy back cemetery spaces.

28. There will be a \$25 Sexton fee for burial marking charged at the time of the burial. This charge will be added on to the funeral bill by the funeral home conducting the services and then turned over to the City.

29. Lots are to be sold in Section I as close as possible to existing headstones.

30. Lots sold in Section I must be sold with a minimum of two spaces (or one quarter of a lot). Requests for purchase of one single burial space will be dealt with on a case by case basis by the Cemetery Board.

31. Visitors to the mausoleum are to be accompanied by either a cemetery board member or city official. Before being allowed entry into the mausoleum, visitors must sign in at city hall, and must sign out after leaving.

OTTUMWA MUNICIPAL CEMETERIES

VAULTS AND MAUSOLEUMS:

Above ground vaults and mausoleums may be permitted in such parts of the Cemetery as the superintendent may approve of and select as mausoleum sites. All applications for permits to erect such structures shall be made in writing to the superintendent. Complete plans and specifications of the proposed construction, including details of materials, workmanship, method of construction, etc., shall accompany such application and the approval of the Ottumwa Board of Cemetery Trustees shall be obtained before any construction work is begun. The right is reserved to prohibit any structure that is not considered safe, suitable or desirable.

Before any vault or mausoleum is erected, the lot owner will be required to deposit in the Perpetual Care Fund of the Cemetery such amounts as the Board of Trustees may deem necessary as a trust, the income from which is to be used in the care and maintenance of the structure and the ground. Such amount in no case shall be less than ten per cent (10%) of the cost of the structure.

Vaults or mausoleums will not be permitted on lots containing less than one thousand (1,000) square feet and the portion of the lot occupied by the building shall not exceed twenty per cent (20%). The Board of Trustees shall determine the position of the structure on the lot. In no case will permission be given to set the structure nearer to the lot line than ten (10) feet.

TREES, SHRUBS AND FLOWERS:

Planting of trees, shrubs or plants shall not be permitted unless approved by the superintendent or his/her agent and then only in approved locations and under his/her supervision. The cemetery reserves the right to remove any plant, tree or shrub, which in their opinion is dangerous or unsightly to the general appearance of the cemetery as a whole.

Existing individual lot plantings, urns or objects of any kind may be removed by the cemetery when they become unsightly or undesirable and may not be replaced.

The trend has developed, because of maintenance problems and the desire by lot owners, to give the responsibility of cemetery planting to cemetery personnel. This gives much nicer, consistent and better-maintained cemeteries as a result. The Ottumwa, Calvary and Ottumwa Jewish Cemeteries have proven to be no exception to this growing practice.

Fresh cut flowers may be used any time and will remain until, in the judgment of the cemetery, they become wilted or unsightly. Containers for cut flowers are to be of a type level with the ground surface, attached to the monument; or of the type disposed of when flowers are removed. For safety, no glass or ceramic permitted.

Potted plants may be set on lots, without disturbing the sod. If they become unsightly, they will be picked up.

No person will be permitted to trim, prune or remove branches from any tree or ornamental shrub without permission of the cemetery. Cemetery personnel shall do all work of pruning or trimming trees and shrubs planted by the cemetery. Upon request, the cemetery will do any pruning needed on those trees, shrubs and plants installed by the cemetery.

Permission to plant trees, shrubs or flowers on lots shall in all cases be obtained from the Superintendent. Lot owners will be responsible for the maintenance of those plants. The cemetery reserves the right to remove any tree, shrub or vine or any part thereof which have been planted without permission or may have become overgrown, unsightly, dangerous or found to cause additional maintenance expense. If grass is allowed to grow, the lot becomes unsightly, or the tribute faded and unsightly, they will be removed without notice to facilitate trimming around the monument as well as maintaining the general appearance of the cemetery. A charge will be accessed to the lot for work performed.

Plants or flowers may not be taken up or removed from the cemetery or cuttings removed from plants without permission from the superintendent. The observance of this rule is necessary to prevent the theft of plants. Many plants, especially vines, interfere with the proper care of the lots and graves and injure the grass. Such plants will be removed when found objectionable. All grave and flowerbeds will be cleaned of tender plants after the first frost in the fall.

Silk and artificial flowers are permitted in vases on monuments or next to monuments in containers. Artificial plants placed directly in the ground will be removed without notice.

It is the responsibility of the lot owner or person placing a floral tribute or decoration to clean, repair and maintain each fixture, and keeping the grass trimmed around memorial.

Cemetery personnel will remove all floral tributes, pots and decorations the months of March and October of each year. A public notice is published in the Ottumwa Courier prior to pick up. If tributes are left on the lots during this time, they will be disposed of. The months following these dates, floral tributes are encouraged to be placed for the next season.

Although we try very hard not to, sometimes our mowing or trimming will cut a plant off. In most cases the plant will grow back. From time to time the cemetery uses chemicals to control weeds. These chemicals can also kill flowers and plants. In each case, the cemetery cannot be held responsible.

The cemetery also provides Memorial Day geranium pots to be placed on the graves of loved ones at either the Ottumwa, Calvary or Ottumwa Jewish Cemeteries. These pots are then watered by the cemetery throughout the summer providing a colorful display. The cemetery then picks up the pot at the end of the season. We also have a similar service at Christmas where we place evergreen wreaths. Stop by the office for prices and further details.

The Cemetery distinctly disclaims all responsibility for loss or damage from causes beyond its reasonable control - from damage caused by the elements, and act of God, common enemy, thieves, vandals, malicious mischief makers, explosions, unavoidable accidents, invasions, insurrections, riots, or order of any military or civil authority, whether the damage be direct or collateral.

COLUMBARIUM

Single and Double Columbarium niches are available for purchase in the Ottumwa Cemetery. Single niches will hold the cremated remains of one person. Double niches hold the cremated remains of two people behind one niche front. Urn or container sizes for cremated remains in a niche can be no larger than 11 inches wide, 11 inches deep and 11 inches high.

A standard niche plaque in memory of the person(s) inurned will be included in the purchase price of the niche and shall be ordered by the Cemetery when the niche is paid in full and a certificate issued. The niche plaque shall be inscribed with the name, birth year and death year of the person inurned within. A double niche will have one plaque with the names, birth years and death years of each person inurned within. Later addition of inscribed dates and replacement plaques shall be at the owner's expense. To insure uniformity, replacement plaques shall be purchased through the Cemetery Office.

No temporary attachments such as tape, wire, string or stickers are allowed. Decorations may be placed in a specified area near the columbarium at the time of inurnment. These items will be removed by cemetery personnel one week after inurnment. No other decorations will be allowed in the columbarium area. All flowers and tributes placed in the columbarium area will be removed by cemetery personnel without notice.

The Ottumwa Board of Cemetery Trustees is authorized to relocate the columbarium or cremated remains to another proper location should it become necessary for any reason, and this authorization shall be binding upon the heirs, executors, administrators and assigns of the purchaser of a niche space.

Removal of the cremated remains from a columbarium niche will only be allowed after a disinterment permit is obtained by the State of Iowa, under the direction of a State of Iowa, licensed, funeral director. Superintendent and his/her designee must be present. A disinterment charge will be based on the current schedule of prices. The disinterment will be recorded in the cemetery office. The Ottumwa Board of Cemetery Trustees reserves the right to request a court order from such a court having this authority.

NEWTON UNION CEMETERY / NEWTON, IOWA

graves shall be made only between June 1 and December 1 and the work shall be performed by cemetery employees and paid for in advance.

All charges for interments or services in connection therewith, shall be paid at the Public Works Office and payment of any and all indebtedness due the cemetery must be arranged for before interment is made.

The right is reserved by the City to require at least 1 business day notice in summer and 2 business days in winter when the ground is frozen, prior to any interment. All interments, disinterments and removals must be made in the manner, and upon the charges fixed by the City.

In order to eliminate sunken graves caused by the collapse of wooden outer containers, it is required that all burials must be made in outer receptacles made of reinforced concrete.

The cemetery will not be liable for the interment permits nor for the identity of the person sought to be interred.

Disinterments will be made in the manner prescribed by the Laws of the State of Iowa.

Burials shall be on lots or niches of sufficient size to accommodate the burial. Size of lot or niche shall be determined by cemetery management. In cremation burials, urns are permitted to be placed in the lot area occupied by a casket burial if sufficient space is remaining for the urn burial. Cemetery management will make the determination if there is space remaining on the lot, and will determine where the urn is to be placed on the lot.

* Section 9. Floral Decorations & Plantings:

The cemetery will undertake to maintain, as may be practicable, the planting of trees and shrubs, to preserve and maintain landscape features, but does not undertake to maintain individual plantings or urns of plants.

The cemetery encourages the use of floral tributes on the graves of loved ones, however, the beauty and continuity of the cemetery depends on the cooperative efforts of all families who have loved ones in the cemeteries care.

Clean-up Times will be the 4th week of March and the full week after the 4th of July holiday.

Regulations Regarding Items Other Than Flowers:

The permanent placing of toys, boxes, ornaments, chairs, settees and similar articles may ONLY be located on the foundation of the monument. Such items must be permanently attached to the foundation or placed in a permanent container on the foundation. The City of Newton is not responsible for these items and if items are placed in areas other than in the permanent container at the side of the monument, the City reserves the right to remove the items.

Flower Regulations:

- Fresh cut flowers and plantings when set into the permanent containers on the foundations will be permitted at all times. Flowers/plantings will be removed when they become unsightly.
- Fresh cut flowers, fresh potted plants and artificial bouquets or plants, etc. will be permitted on the grave at all times, but will be removed when they become unsightly. All items shall be placed on the foundations where possible. Planting flowers or digging up the turf is permitted only within 6" of the north, south or east sides of the grave markers.
- Artificial wreaths and evergreen blankets are permitted between November 1st and the March spring clean-up of each calendar year.

The City of Newton and Newton Union Cemetery do not assume any responsibility for the loss or damage of any floral decorations or other memorials or their containers.

Section 10. Marker/Monument Regulations

In order to perpetuate the beauty and continuity of the cemetery, the City reserves the right to enforce all rules and regulations here set forth and others that might seem necessary for a particular situation.

1. All memorial work must be approved by the City as to material, design, inscription and location on the lot.
2. Any unauthorized memorial work will be removed from the grave until proper arrangements have been made at the cemetery office.
3. No memorial work will be allowed on lots or graves until all cemetery obligations to the City are paid in full.
4. In the event that a lot is purchased for multiple cremation burials, only 2 markers per single lot is allowed. A "monument" may be a "Head Marker" (single stone), a "Flush Marker" (the temporary marker set by a funeral home), or a "Companion Marker" (a single or double stone with more than one name inscribed).
5. The City has approved the purchasing of lots for the purpose of erecting a memorial. An area has been designated at Newton Union Cemetery for said memorials. Cost for the lot shall be the same as for a burial lot.
6. Military markers not located in the Veterans Sections are required to have a foundation. Markers shall be placed in the area of a normal setting and no military markers at foot of graves in Blocks 16 through 35 and both Veterans sections.
7. Lots now containing a certain size or style of marker may be duplicated.
8. Only granite or bronze will be permitted in all memorial work.

The Forestview Columbarium is a gleaming black granite wall located in the east end of Oakland Cemetery. It is lined with 352 niches for the interment of cremains, and the maximum size a cinerary urn may be is 9 inches high by 9 inches wide by 9.5 inches deep. To obtain fee information refer to the "rates and charges" section above or [click here](#).

The Cherish Columbarium is the second columbarium at Oakland Cemetery, located in the far East side of the cemetery. This black granite structure has 64 niches - 32 (12"x12"x12") and 32 (12"x12"x16") for interment of cremains. The pricing will vary depending on size, height on wall and the side the niche is facing. Single niches are located on the North and South ends of the structure and accomodate a slightly larger cinerary urn than the Forestview Columbarium. The double or dual niches can accommodate 2 cinerary urns and are located on the West and East sides of the structure. To obtain fee information refer to the "rates and charges" section above or [click here](#).

Grave decorations

Artificial wreaths, artificial flowers and holiday decorations are welcome any time between November 15 to the end of February and for four days before and five days following Memorial Day. After that period, if not claimed, they will be removed from the site. Flags and emblems will be removed and stored, without responsibility for preservation, if still in place on the sixth day following Memorial Day.

Live flowers in plastic or papier mâché containers are welcome, and may be used at all times. All wired flowers, glass jars and bottles, toys, metal containers and other objects that might create a mowing hazard will not be permitted during the mowing season and will be removed and discarded.

Annuals or perennials may be planted adjacent to the stone if tended by the lot owner. Permission for permanent plantings, such as evergreen or shrub plantings, must be obtained from the Cemetery staff.

Regulations

It is the desire of the City of Iowa City to make Oakland Cemetery a quiet, beautiful place for the deceased and visitors. Peace and good order must prevail for the sacredness of the place to be maintained at all times. It is to this end that the following rules and regulations have been established. Contact the cemetery office at 319-356-5105 to obtain information on the regulations regarding monuments, interments and individual lot restrictions.

- Look and enjoy, but please don't touch the monuments.

Subject: FW: Section 55.21(6)

From: Adrian Knuth [mailto:AKnuth@knuthlawoffice.com]
Sent: Wednesday, April 04, 2018 5:27 PM
To: anamosaca@mchsi.com
Subject: Section 55.21(6)

Jacob,

My intent in drafting proposed Section 55.21(6) by stating "for each day" was to enable officers to cite the violating party for first, second, third and even fourth offenses within the same year. I hoped to make it clear that multiple violations could be filed against the offending party in the same license year if the party refused to license their dog. If the Council is concerned about multiple violations being filed in rapid succession we could add the following:

A citation for an enhanced violation of this section shall not be filed prior to final adjudication of the preceding citation.

ORDINANCE NO. _____

ORDINANCE PRESCRIBING CIVIL PENALTIES FOR FAILURE TO LICENSE DOGS

WHEREAS Section 55 of the City Code, in requiring the licensing of dogs, does not prescribe minimum penalties for violations thereof; and,

WHEREAS this Council believes minimum penalties should be prescribed for failing to license dogs as required by Section 55.21 of the City Code;

BE IT ORDAINED, THEREFORE, that the following numbered paragraph be added to Section 55.21 of the City Code:

6. For each day a dog required to be licensed is unlicensed its owner shall be subject to the following civil penalties:

A. For first offense, \$65.00.

B. For second offense, \$130.00.

C. For third offense, \$260.00.

D. For fourth offense, \$750.00 along with removal of the dog from the corporate City limits.

Dog licenses shall be effective for the fiscal year July 1st through June 30th. Dog license renewals shall be available June 1st each year. However, no citation shall issue for renewal violations prior to August 1st each year.

PASSED, ADOPTED AND APPROVED THIS ____ day of _____, 2018.

Dale Barnes, Mayor

Anamosa Area Chamber Of Commerce
 Street Closure/Noise Variance Request
 Date of Request: April 4, 2018
 Date of Event: July 7, 2018

In addition to the information included in the permit application, the organizing committee felt it would be beneficial to the City Staff and City Council to provide some additional detail. The committee has sought and received input from Sgt Travis McNally, Chief Deputy Jeff Swisher and Public Works Director Gregg Carpenter. We appreciate their help, advice and encouragement. Committee consists of at present: LeeAnna Boone, Chamber Director, Chamber Board Members; Casi Strube, Kylie McDonnell and Chuck Bildstein, and Doug Edel, Volunteer.

Upon approval of this request the Chamber will be applying for a 5 day, beer only license from the Iowa ABD. We have to know the location of the event prior to applying for the license. Alcohol can only be delivered to the location of the license and the area we are requesting to close includes the Chamber office (121 E Main) so we can use that office for delivery and storage.

It was Gregg's recommendation that it would be less of a logistical problem to close a side street rather than Main Street. After careful consideration of the benefits of using South Ford Street, the committee decided to pursue the Main Street location. We appreciate Gregg's recommendations and the fact that he told the committee that he would be supportive either way.

Bike Ride Event:

The idea for having the beverage garden and live music came from a plan to host a bike ride event on July 7th. That event will take place from 8 AM into the late afternoon. Registrants for the bike ride event will include admission to the beverage garden.

Tentative Schedule for Beverage Garden:

10 AM – 4 PM: Set up
 4 PM – 11:15 PM: Sales of alcoholic and non-alcoholic drinks
 4 PM – 8 PM: Food sales/Jones County Pork Producers
 6 PM – 7:30: Accoustic Music Performance (considering Adam Keith)
 8:00 PM – 11 PM: Main Band – Rock Rebel Junction
 11:15 PM – Last call
 11:30 PM – event closes/begin tear down
 12 AM (midnight) – Main Street re-opens

Set up and Operation:

Admission will be \$10. IDs will be checked at the entrance and legal adults will receive a wrist band to purchase and consume beer. Volunteers will receive TIPS training and we plan to use the JCHSYC ID scanner. The area will be secured with a perimeter fence. Port 'o Pots will be rented so local building owners are not disturbed by requests to use restrooms.

Under 21 issue – the committee is considering whether to admit anyone under 21 to the beverage garden. We will work with Law Enforcement and the JCSHYC to make a final decision to make the event safe, fun and economically successful.

Weather/Emergency:

We have no rain date/alternative location plans. If the weather is severe, we will work with Law Enforcement and Jones County Emergency Management to safely disburse the crowd. It is the opinion of the committee that the odds of a severe storm that would cause a complete cancellation are low. We cannot move the event because the liquor license can't be moved and the band would not have time to set up at another location. A large tent will be used that will allow the event to be held in all but the most extreme weather.

Partners:

Anamosa Police Department, City of Anamosa Public Works, Jones County Emergency Management, Jones County Safe & Healthy Youth Coalition.

RESOLUTION NO. 2018-__

**RESOLUTION APPROVING THE HIRING AND SETTING SALARIES OF SEASONAL PART TIME
EMPLOYEES FOR THE ANAMOSA AQUA COURT AND THE PARKS MAINTENANCE
DEPARTMENT FOR THE UPCOMING SEASON**

WHEREAS, with the upcoming summer season there is a need to hire part time seasonal personnel to maintain the parks and to staff the Anamosa Aqua Court; and

City of Anamosa

107 South Ford Street
Anamosa, Iowa 52205
1-319-462-6055 Fax 1-319-6081
Waste water Dept.

- Cat generator moved to rosemary lift station. Adam is waiting on transfer switch.
- Saved two pumps / controls and 5 valves from Second Street lift station.
- Wet well was cleaned and demolished and filled with rock
- We also did a punch list for second street with contractor / engineers / city.
- Had the contractor remove the castings on manholes along Walworth and put bolt down lids on
- We treated 26 mil gallons of wastewater for the month. We also dried approx. 8 loads of biosolids for the month. We had 1 bypass during a rain event down by the plant this was addressed. I reported this to the IDNR as required. Followed up with a five day report and noted this on our discharge report.
- I attended a two day class in Marshalltown for collections. While there I had one of our spinner nozzle's repaired.
- I have been buying tools for the trucks and some shop equipment.
- New city manager toured the wastewater plant.
- Started the disinfection season. Started the uv up on the 12th seems to be working fine.
- Will be running 5 E.coli samples to the lab every quarter.
- We had our crane truck repaired 2 new fenders and a door and painted.
- Enaqua has scheduled an upgrade on the programing for uv disinfection.
- Anamosa was highlighted at Iowa rural water conference in Des monies
- The city of Monticello wants to tour our wastewater plant. They are looking at building a new facility soon.
- Aeromod replaced our air dryer for the pneumatic airlines it was undersized. No cost to the city.
- I bought a new concrete saw for the city with a water tank this could be utilized between depts. as the rules concerning silica dust requires us to use water and the proper ppe equipment.
- Belt press is running well. Trying to get additional fields okd
- Door opener on belt press has been acting up working with contactor and Jacob on this.
- Had a const meeting with the contractor/ Jacob / engineers/ myself / contractor waiting on the weather finish concrete/ fencing and finish work.
- Jacob had a meeting last week regarding pretreatment agreement and rates.
- Bio solids report to EPA/ IDNR was completed on time.
- Discharge monitoring report was completed and submitted on time.
- prisoner as internes is a go. Just need to meet with all involved and talk about a few things.
- Waiting on quality assurance test for our certified lab.

THANKS DAN and staff.
