## CITY OF ASHEBORO

# JOB OPPORTUNITY ANNOUNCEMENT

VACANCY #2432

Opening Date: Friday, April 19, 2024

Closing Date: Open Until Filled

## Laboratory Analyst

### (Water Quality Department – Division of Water Resources)

An employee in this class is responsible for the performance of analyses of water and wastewater to ensure the treatment is in accordance with all Federal, State and Local enforcement regulations and guidelines. This employee must exercise initiative and independently works under the regular supervision of the Water Quality Manager and Assistant Water Quality Manager. An employee in this position participates in a mandatory Water Quality “On Call” schedule to assist System Maintenance and Water/Sewer Maintenance Department in collection, testing, assessment and reporting required by the State and Federal government.

#### Minimum Experience and Training

Graduation from an accredited four-year college/university or graduation from an accredited two-year college program in chemistry, biology or a science-related field with basic experience in laboratory practices.

#### Physical Requirements

Must be able to lift 20 to 50 pounds. Perform periods of sitting, standing and stooping. Use of tools, equipment and microscope. Ability to distinguish between shades of color. Exposed to pathogens, chemicals, fumes, noise and odors. Will work outdoors in varying weather conditions.

**Starting Salary: \$46,732.00 Annual (Entry Level)**

**Deadline for Receiving Applications:** Please pick up applications from the Human Resources Department and deliver or mail them to Lesia Cox, Human Resources Manager, City of Asheboro, 225 East Academy Street, Asheboro, NC 27203. The City of Asheboro is an at-will, equal opportunity employer.
