

## CITY OF ATHENS - PUBLIC WORKS

After a good rain,  
doesn't Athens look great .....

Not to the fish!

Learn how you can prevent water pollution  
from entering our creeks, rivers and lakes:

- Do not litter. Dispose of household wastes in correct manner.
- Handle chemicals, automotive fluids and other materials responsibly.
- Volunteer to clean up creeks or participate in other community events by contacting the [Keep McMinn Beautiful](#) organization (423) 745-2086.
- Report spills, leaks or illicit discharges to Athens Community Development (423) 744-2753 or [Public Works](#) (423) 744-2745.
