#### Free Disc Golf Clinic Announced

ATHENS, TENNESSEE – April 14, 2022 – The City of Athens Parks and Recreation Department has announced registration is open for the free Disc Golf Clinic that will be offered at Athens Regional Park on April 23 & 24 at 2pm. Beginning disc golfers are encouraged to attend and learn more about the sport. Novice players are also encouraged to attend and help assist teaching beginners.

“When you go out to Regional Park, you always see people playing disc golf. It is a huge sport and we have a lot of people who travel in to play at our course. This clinic is for beginners who are wanting to learn techniques for throwing and the rules of disc golf. We will have local skilled disc golfers in attendance to help lead the clinic. I’m very excited one of our local disc golfers volunteered to teach!” stated Program Coordinator Brianna Baker

The City of Athens is a full-service municipality nestled in the foothills of the Great Smoky Mountains and has garnered a reputation as the “Friendly City.”
