#### FREE YOUTH GIRLS' VOLLEYBALL CLINIC New Sports Clinic Offered by Parks and Recreation

ATHENS, TENNESSEE – April 14, 2022 – The City of Athens Parks and Recreation Department has announced registration for a free Youth Girls' Volleyball Clinic on May 9 & 10 from 6-8 pm at the Athens City Middle School for grades 4-8.

The clinic will focus on skills and learning the basics of the game.

"I had multiple people reach out to me after middle school tryouts saying how big of a turnout the girls volleyball had, so we knew we needed to jump on board and get these kids playing. My intention with the camp is to gain enough interest that we can run a recreation league. Volleyball was personally a game that I always enjoyed playing so I am really excited that we get to offer this clinic," stated Program Coordinator Brianna Baker.

The City of Athens is a full-service municipality nestled in the foothills of the Great Smoky Mountains and has garnered a reputation as the "Friendly City."
