#### FOR IMMEDIATE RELEASE

Athens Public Works Building Reopen  
Business Resumed at Alford Street Location

ATHENS, TENNESSEE – January 21, 2023 – City of Athens Public Works Department would like to announce the completion of renovations to the Public Works offices at 219 Alford Street. Now that renovations have been substantially completed, normal business operations of the department have resumed at the Alford St location.

The Public Works building began undergoing renovations and demolition which started in February 2022. The offices temporarily moved into the former Daily Post Athenian building which was purchased by the City of Athens for the future Animal Shelter & McMinn Regional Humane Society Adoption Center. Now that the Public Works facility is complete, construction for the Animal Shelter can begin.
