BAG STORAGE IN LOBBY POLICY

We are no longer allowing shelter guests (either upstairs or downstairs) to store any items in the waiting area/lobby of the center. You must keep all of your belongings in your room or storage bin. Please take whatever belongings you need with you when you leave your sleeping area for the day.

Should you require access to these items during the day (in an emergency) you can request access to them by staff.

Any items left in the lobby after today will be disposed of by staff.

Thank you for your cooperation.
