Outdoor Seating Policy

During the months of July, August and September, guests are often in search of shade on the property. Given the limited seating during the times we are preparing the dining room between programs, guests will be allowed to sit on the grass in the shade in the smoking area only and curb in front of the smoking area only in the shade during the following times:

8:45-9:30am (shelter guests only)
11:00-11:30am
12:30-1:00pm
4:00-5:00pm
6:00-7:00 (shelter guests only)

Guests are not permitted to sit on the curbs elsewhere on the property because it is dangerous. Guests are never allowed to lie down on the grass at any time.

During times when the meals and/or programs are in operation guests can be inside.

Guests are expected to cooperate with security at any time they are being re-directed.
