

Monthly report for the month on June 2022,

June 4, 2022 - I attended the Tour of the Boswick House and the presentation of the \$5 K check from Senator Malcolm Augustine and Delegate Dianne Fennell for the Restoration Project of the "Boswick House".

I later attended the Community Yard Sale Fundraiser, which was sponsored by our Bladensburg CAT Officers

June 4, 2022

Later in the afternoon, Mayor James and I attended the Carribean Festival which took place at our "Bladensburg Waterfront Park". Mayor James was instrumental in helping me to learn some additional county constituents that I previously had not had the opportunity to meet.

I was able to speak with the Electoral Candidate Wes Moore very briefly regarding his views about campaign views and expectations.

June 5, 2022

Attended the Luncheon give by Council Member Jolene Ivey and the Prince George's Police Department. The officers did a session with the residents regarding:

"BE AWARE OF SCAMS"

Key Points - The various types of scams and if you "See Something, Say Something"

Residents were entertained with a Bingo Game and Winning Prizes.

Delegate Julian Ivey attended as well, spoke briefly with the residents and took pictures with them as well; especially with the Oldest Resident, Ms. Bussey who is 102 years old.

June 6, 2022

I attended the Parkview At Bladensburg Resident Council Meeting; of which I gave a Monthly Report Summary Update of the various projects that the Mayor and Council have recently worked on and the status of the wonderful work we have accomplished together.

The residents were very glad to hear this report, especially with their financial increase due to yearly donation from the town.

June 12th-15th

I attended my first MML Academy For Excellence

** Class 1 - I attended the Municipal/First Time Attendees Orientation

The orientation briefed us on the following:

- What a Municipality is; a city or town that has corporate status and local government
- How the municipality is broken down.

Question: How many municipalities are there?

There are a total of 27 Municipalities

Attended the "Conducting Effective Meetings"

** This course gave me a much broader understanding about conducting an effective meeting. How you must determine what is effective meeting to try to bring a desired result.

** We must accomplish something to inform the public. Our meeting should be like a theater. "Start On Time and Finish On Time".

** Always follow the 5 P's

Prior, Planning, Prevents, Poor Performance.

** You must be engaged

***Time limits are key and should be respected by all.

Key Point: If you do not tell the "Presiding Officer" that you want something on the "Agenda", then don't add at the last minute.

"Everyone Must Follow The Agenda"

Briefly attended the "Risk Management" Session

June 24th

I attended the Police Explorers Graduation Ceremony. Mayor James was currently on travel and asked if I would give words of Congratulations to all the graduates of how proud she was of all of them on her behalf.

I too, gave them words of encouragement and let them know that I too have high expectations of the great work that they will do.

Respectfully Submitted,

Council Member Carrol McBryde
