**Single-room fire extinguished at Buffalo Grove High School**

**Buffalo Grove, IL** – At approximately 7:45 p.m. this evening, Tuesday, May 16, Buffalo Grove firefighters responded to Buffalo Grove High School for the report of a fire alarm. Upon arrival, firefighters found smoke coming from a room. A small fire was found and quickly extinguished.

No injuries have been reported. The cause of the fire is under investigation by the Buffalo Grove Fire Department. Arlington Heights Fire Department also responded to the alarm.

High School District 214 officials were on scene and have closed the school for Wednesday, May 17, with further information coming to Buffalo Grove High School families before noon on Wednesday.
