BUILDING SIGNS

The letters are to be Helvetica Medium with 18" upper case letters and 10" lower case letters. Location of the lettering, dependent upon the building front, will either be located 14" above the tangent of the archway, or 18" below the roof base on the fascia board. Brand names and logotypes in signs are prohibited. A maximum distance of 18" from the lease lot lines between store names must be maintained. The following Plexiglas colors can be used for lettering: 21-15 Red; 23-25 Yellow; 21-19 orange; and 73-25 white. All signs to be approved by Village of Buffalo Grove.
