BUFFALO GROVE RELEASES 2016 WATER REPORT

Water in the Village meets or exceeds government standards.

Buffalo Grove, Illinois –The quality of water in Buffalo Grove once again meets or exceeds Federal and State government standards, according to the annual Village of Buffalo Grove Water Quality Report.

The Water Quality Report is prepared and distributed annually by all community water systems to their customers as mandated per amendments to the Safe Water Drinking Act. The report is available along with this release as a PDF attachment or on the Village website at www.vbg.org/CCR.

This reporting cycle is required to reflect the levels of specific contaminants that were sampled and tested during the 2016 period.
