## **BUFFALO GROVE RELEASES 2019 WATER REPORT**

Water in the Village meets or exceeds government standards.

**Buffalo Grove, Illinois** –The quality of water in Buffalo Grove once again meets or exceeds Federal and State government standards, according to the annual Village of Buffalo Grove Water Quality Report released on July 1, 2020.

The Water Quality Report is prepared and distributed annually by all community water systems to their customers, as mandated per amendments to the Safe Water Drinking Act.

The report is available on the Village website at [www.vbg.org/ccr](http://www.vbg.org/ccr).

This reporting cycle is required to reflect the levels detected of contaminants that were sampled and tested during the 2019 period.
