One Family Displaced Following Single-Family House Fire

The two-story home sustained damages, but no injuries were reported.

Buffalo Grove, IL - On Tuesday, July 5 at approximately 11:13 p.m., the Fire Department responded to a report of flames coming from the roof of a two-story, single-family home located at 1342 Brandywyn Lane. Fire companies arrived within minutes of the dispatch and observed an active fire in the front corner of the roof.

Department personnel quickly extinguished the visible fire from the front of the building and then aggressively entered the structure, exposed the attic space in the affected corner of the residence and extinguished the remaining fire in the interior of the attic.

The fire was quickly brought under control and no injuries were reported. The cause of the fire remains under investigation.
