There was discussion on the newly passed Safe-T-Act and what questions that might create for Wold Architects. Sheriff Kloeping gave a brief explanation and suggested that we involve the state's attorney in the next meeting to get a better understanding of future implications.

Sheriff Kloeping said he would contact both Wold and the state's attorney to see if Aug 24th would work for the next kick off meeting. The intention is to meet with the state's attorney at 8 AM a half hour prior to the virtual meeting with Wold.

The next Meeting was scheduled for Aug 24th at 8 am.
