

WASTE CONNECTIONS, INC.
Connect with the Future®

**Waste Connections of Texas is dedicated to servicing our customer's waste needs
by offering the best solutions available.**

Commercial and Roll-off Solid Waste Collection Service:

Waste Connections and the City of Carthage are continuing our partnership in providing safe and efficient solid waste disposal services. Effective June 2021, Waste Connections will begin billing and collection directly for commercial, industrial, multi-family residential unit and roll-off services. As such, your bills, starting with June 2021 services, will appear differently. Beginning in June, each commercial customer will receive two bills, one from the City of Carthage for water utility service and one from Waste Connections for waste services.

The invoice you will receive from Waste Connections is for services rendered for month prior. We have provided your company with a copy of Waste Connections W-9 and contact information below to make for easier vendor set up. We do request that our pay terms be set at a (15 or 30) net pay.

Remit To Address:

Waste Connections

PO Box 679859

Dallas, TX 75267-9859

We accept Debit/Credit Card payments with Visa, Mastercard, or American Express. We do not however accept payment via 3rd party applications such, as but not limited to, Cashapp, Apple Pay, Venmo, Paypal, etc.

For any waste service concerns or questions please contact the Waste Connections Kilgore Office Monday – Friday 8 a.m. to 5 p.m. at (903) 986-1959.
