RE: North Shore Electricity Aggregation Consortium Aggregation Program
ComEd Service Address:

INFORMATIONAL CONTENT ONLY: FOR HOURLY RATE CUSTOMERS

Dear Resident or Small Business Owner:

The North Shore Electricity Aggregation Consortium is a group of seven communities formed by the Villages of Deerfield, Glencoe, Lake Bluff, Northbrook and Skokie along with the Cities of Highland Park and Lake Forest focused on securing affordable electric aggregation supply for its residents and small businesses. The Consortium recently selected Chicago-based MC Squared Energy Services, LLC (mc²) to serve the Consortium with electric supply through October 2024. Each participating community within the Consortium will be provided a Civic Contribution annually from mc² which will be used to meet sustainability and other goals and objectives established by each community. mc² will provide eligible residents and small businesses with electric supply **pricing equal to the monthly ComEd published tariff supply rate** during the thirty-six (36) month term beginning with the October 2021 ComEd meter read cycle.

Your account will not be switched to mc². You will remain a ComEd customer. This notice is informational only. Your electric utility has informed us that you are currently a participant in the Residential Real Time Pricing (Rate RRTP) program. If you choose to participate in the Consortium's Electric Aggregation program, you must take action. You may enroll at www.mc2energyservices.com/special (enter promo code **Lake Forest**) or call (855) 697-0286, Monday through Friday, 8 am to 5 pm. **Savings, if any, will vary for previous ComEd Rate RRTP customers when switching to the Aggregation program depending on your usage patterns. In addition, review ComEd's hourly service tariff for the program terms and conditions of their program. If you leave the ComEd hourly program, you may be precluded from joining the ComEd RATE RRTP for 12 months.**

You may purchase electric supply from other Retail Electricity Suppliers or ComEd. For a complete list of your options, visit www.pluginillinois.org. You may also request a list of all supply options available in a format allowing comparison of price and product from the Illinois Power Agency free of charge at www.illinois.gov/ipa/Pages/Feedback_Form.aspx.

For more information, email LakeForest@mc2energyservices.com or call (855) 697-0286, Monday through Friday, 8 a.m. to 5 p.m. Please note: any solicitor who comes to your door or calls asking you to switch to a new supplier is not associated with the City of Lake Forest's Electric Aggregation Program, mc² or ComEd. MC Squared Energy Services, LLC (mc²) is the only vendor endorsed by the City of Lake Forest.

Sincerely,

The City of Lake Forest
