Sanitation Section Guidelines

Household Refuse Collection

- ◆ **Collection Frequency:** Refuse is collected twice weekly on a Monday/Thursday or a Tuesday/Friday schedule, depending upon the area in which you reside.
- ◆ **Containers:** All refuse must be bagged and deposited in covered, lightweight containers, not to exceed 32 - gallons. Each resident is allowed a maximum of four (4) containers to be collected on each collection day.
- ◆ **Collection Locations:** Containers are to be placed in front of the garage (must be accessible from driveway). Streets & Sanitation personnel are not permitted to enter homes, garages, porches, or any enclosed structure to empty containers. Containers are required to be out by 7:00 a.m.

New Residents

- ◆ **Move-In Pickups:** New residents or residents moving within the community are allowed up to three (3) free curbside pickups for boxes and packing material. Collection must be scheduled at least one business day in advance of the normal refuse collection day. Boxes and additional packing material must be placed curbside and out by 7:00 a.m. on the scheduled collection day.
- ◆ **Move-Out Pickups:** One free move-out curbside pickup of reasonable volume is provided for a resident moving out or within the community. Collection must be scheduled at least one business day in advance of the normal refuse collection day. Move-out items must be placed curbside and out by 7:00 a.m. on the scheduled collection day.

Special Refuse Collection

- ◆ **Scheduling Collections:** A special curbside refuse pickup may be scheduled on either of your regular collection days. One business day notice is required. This program is designed to handle volume overages and large bulky items such as furniture and other assorted items. There is a minimum fee of \$40.00 for this service and \$40.00 for each additional two (2) cubic yards.
- ◆ **Household Appliances:** The Illinois Clean Air Act, amended July 1, 1992, requires special handling of household appliances containing CFC's such as air conditioners, dehumidifiers, refrigerators, and freezers. An \$90.00 fee for the first appliance, and a \$65.00 for each additional item is assessed to offset CFC disposal costs.

Household appliances that do not contain CFC's such as washers, dryers, dishwashers, microwaves, garbage disposals, trash compactors, humidifiers, stoves, water heaters, and water softeners will be collected for a fee of \$65.00 per appliance.

- ◆ **Collection Location:** Items must be placed curbside and out by 7:00 a.m. on the scheduled collection day. Items for special refuse collection should not be placed on the curb more than one day in advance of the scheduled collection day.

Curbside Recycling Collection

Collection Frequency: Once weekly on one of the two scheduled refuse collection days. Please call (847) 615-4264 to inquire as to which is your recycling collection day.

Containers: Residents are required to use the City-issued wheeled recycling carts for collection. Residents have been provided with either a 35-gallon or 65-gallon cart.

Additional 65-gallon carts can be purchased for \$75.00 each and 35-gallon carts for \$50.00 each.

Collection Location: Recycling carts must be placed at the curb and be ready for collection no later than 7:00 a.m. on the scheduled day. The carts should be removed from the curb by the end of the collection day. All recyclables may be placed together in the cart; there is no need to separate.

- ◆ **Park It:** Place your recycling cart within 5 feet of the curb or road edge
- ◆ **Point It:** Place your recycling cart with the handle and wheels facing the house
- ◆ **Give it Space:** Place your recycling cart at an arm's length (3 feet with clearance on all sides) from obstructions such as light poles, mailboxes or parked vehicles

- ◆ Oil-Based Paint and Other Hazardous Materials: For disposal of household hazardous waste (i.e. oil-based paint, chemicals, solvents, pesticides, etc.), please call the Public Works Department Sanitation Hotline at 847-615-4264 for a current listing of Household Hazardous Waste Collections sponsored by the Solid Waste Agency of Lake County (847-336-9340) or go to SWALCO's website (www.swalco.org).

Yard Waste Collection

This service provides for the curbside collection of leaves, lawn clippings, and tree trimmings of less than six (6) inches in diameter. All yard waste must be placed at the curb by 7:00 a.m. Yard waste may not be placed at the curb prior to 24 hours before the scheduled pickup.

Collection Frequency: Twice weekly curbside pickup, on your regular garbage days.

Containers: Leaves and lawn clippings must be deposited in biodegradable brown paper lawn and leaf bags. A City of Lake Forest yard waste sticker must be affixed to each yard waste bag. The City of Lake Forest yard waste stickers can be purchased at the Municipal Services Building and at various local businesses. Please place all yard waste bags at the curb with the affixed yard waste sticker facing the street. There cannot be any contaminants such as planter containers, dirt, sod, or refuse material mixed with the yard waste material.

Tree Trimmings and Branches: The City requires a yard waste sticker be affixed to each bundle of brush placed at the curb. There will be no limit to the number of bundles permitted on each collection day. Each branch in the bundle shall not exceed six (6) inches in diameter and four (4) feet in length. Multiple branches must be tied in bundles with string or twine. Each bundle shall not exceed four (4) feet in length or two (2) feet in thickness.

For removal of larger amount of unbundled brush, please contact the Forestry Section at 847-810-3563. There is a fee associated with the collection of unbundled brush or for tree limbs larger than six (6) inches in diameter.
