## New Multi-Family Dwelling or Commercial Checklist

Community Development Department

### Notice to Building Permit Applicants

All applicants are encouraged to submit permit applications and construction documents online via the City's web portal at [www.bsaonline.com](http://www.bsaonline.com). City Staff is available to assist you in the registration and application process.

Submitting applications and construction documents digitally will allow the City to serve our customers more efficiently. Design professionals can provide digital plans for submittal, if necessary, City Staff will assist in obtaining digital plans from design professionals. For smaller projects, plans printed on 8½ x 11 or 11 x 17, staff is available to scan documents as necessary to convert them to a digital format.

City staff reviews all plans electronically. The final approved construction plans and documents will be made available on the City's web portal. Or, upon request, a copy can be emailed to the property owner or applicant. Property owners are responsible for providing a copy of the approved plans and documents to others who may need them. Upon request, the City will print a copy of the approved plans in an 11x17 format.
