## Mayor's Message

I am constantly reminded of the many reasons I am so proud to live in Lake Forest and especially to serve as your Mayor. At the top of my list is the fact that such a large percentage of residents give back to our community through their involvement in various aspects of volunteering. So many stay involved

because of their desire to maintain and enhance our City's services, amenities and culture. This spirit of volunteerism is not through obligation, but rather through a passion to make Lake Forest an extraordinary place to live and raise our families.

At the January 19 City Council meeting, we had the pleasure of seeing Pauline and Roger Mohr receive the Lawrence R. Temple Distinguished Public Service Award. The Award recognizes leadership, responsiveness to the public and City staff, length and scope of service, constructive participation in public meetings, and the ability to represent the community's values. The Mohrs were recognized for decades of community service, and their Resolution was filled with

impressive and wide-ranging accomplishments. Pauline served as a volunteer teacher; sat on several school boards; sat on the boards of numerous community organizations and civic committees; served as a charter member and board member of the Lake Forest-Lake Bluff Historical Society and remained as a long-term board member of the Lake Forest Preservation Foundation, serving two terms as President. She is currently an honorary director.

Roger served on the City's Plan Commission, and as its Chairman; was the Third Ward Alderman when Elawa Farm was saved and was involved in the long-term planning for Lake Forest Hospital. After retiring as an Alderman, Roger continued to serve the community as Chairman of the Senior Resources Commission and is currently on the Senior Citizens Foundation Board. Congratulations to both Pauline and

*The Forest Park Project Board*

Roger, as well as to all past Temple Award recipients. The City of Lake Forest continues to witness and benefit from the devotion of residents of all ages donating their time, counsel, talents and financial support. The notion of giving back -- coaching lacrosse, volunteering on a church or school board, or raising dollars for a non-profit organization like Gorton or Northwestern Lake Forest Hospital -- continues to draw so many individuals. You also serve as volunteer drivers for Dickinson Hall, keynote speakers at luncheons, mentors to young people learning about entrepreneurship through business incubators, and helping build homes for the underprivileged.

Volunteering and commitment are contagious. All of this good work inspires others, including our children, to become involved as well. We find that these efforts enrich all of our lives, making our world more fulfilling and meaningful. Philanthropy is the biggest investment we can make in our community. Your outstanding service, long lasting volunteer commitments, and never ending support make things happen every day in this very special place we call home. And for that, we may all be grateful.

Donald P. Schoenheider

## East Train Station Project Update

The East Train Station, built in 1900 and often viewed as the fourth corner of Market Square, is a historic icon in Lake Forest. The Station last underwent a major renovation in the late 1970s in order to save the structure from demolition.

Since 2005, the City has been working with the Lake Forest Preservation Foundation to secure funding to support restoration and renovation efforts in order to protect the station from further deterioration.

In 2010 and 2012, the City received state grants that provided over \$2.07 million in total funding to support the project. Reconstruction of the roof was completed in 2012.

The remaining phases of the project include restoration of the exterior of the depot building and shelter, and an interior renovation of the main building.

In November 2015, the City Council approved brick masonry restoration, removal and restoration of the windows, tuckpointing, and the repair and painting of the woodwork. In order to accommodate this work, expected to begin on March 15, there will be periods of time where portions of the platform will be closed. However, the interior lobby, restrooms, ticket office and businesses will remain open. Depending on weather, this phase is expected to be completed by late summer.

Last fall, the City conducted a survey of commuters, residents and members of the business community to seek feedback that would help guide the design of the Station's renovation and to help prioritize future improvements to the Station. The City received over 160 responses.

Overall, respondents were most favorably pleased with the building's heating/cooling, access to the platform and information about trains and train services. Conversely, the least favorable opinions concerned the restroom facilities, taxi service availability and station aesthetics. The survey also asked respondents to prioritize future interior improvements subject to funding availability. While there was not a clear consensus on a #1 priority, respondents did feel that improving Station amenities, expansion of the restrooms and commuter amenities were more important than others.

Also in November 2015, the City engaged Alfred Benesch & Company as well as Legat Architects to begin preliminary design efforts for the interior renovations in the main Station building. While the scope of any improvements will be dependent upon remaining grant funds available after the exterior work is completed, the City has provided direction to plan for restroom expansion, new tiling in the lobby area, and mechanical updates, and expects construction work to begin in the fall of 2016.

For further information on the project, please contact Mike Strong at 847.810.3680, or [strongm@cityoflakeforest.com](mailto:strongm@cityoflakeforest.com).

## Join in the LFGO Giveaway!

*This is your chance to win a night's stay at the beautiful historic Deer Path Inn!*

The Lake Forest Go app (FREE and available on iTunes) will officially launch to the public on May 1, 2016. The City has been already been working with the Lake Forest-Lake Bluff Historical Society, Lake Forest Open Lands Association and the Lake Forest Preservation Foundation creating content for this self-guided tour app.

What's up with the siren that sounds every day at noon from City Hall?

Use the LFGO app while walking, biking or running. It is geographically-based and the narrator speaks about points of interest as you pass them. The script, which contains both historical facts and fun trivia, may contain several layers of information.

Where did F. Scott Fitzgerald stay when he visited?

However, we know there is more local lore out there that you may have discovered on your own, heard from your grandparents about some secret spot in town or trivia tidbits that you may want to share with others.

Where is all the public art located? How about bridges?

## What are your most favorite spots in Lake Forest and why?

Where can we play tennis, baseball, or hike? Where can we walk the dog?

Look for details at [www.cityoflake-forest.com](http://www.cityoflake-forest.com) under "News". Complete an online entry form or print it out and drop it off at City Hall by Friday, April 1. Regulations apply, and you must be 21 years of age to enter. Have fun!

Where are all of the Open Lands nature preserves?

## Community Projects

### An update on the new Northwestern Medicine Lake Forest Hospital

Work continues on the new, state-of-the-art Northwestern Medicine Lake Forest Hospital. Recently the roof was installed over the building that consists of five connected pavilions. Throughout winter and spring, work will continue on installing the remaining windows and exterior brick panels. Inside, drywall is being hung, rooms are being framed and the heating, cooling and electrical systems continue to be installed.

Once complete, the state-of-the art hospital will feature 114 private inpatient rooms, 72 outpatient care spaces, eight operating rooms and 483,500 square feet of new construction. In addition to transforming the interior of the building, the project will add walking and bicycle trails to wind through the 160-acre campus for hospital employees, patients and Lake Forest residents to enjoy. In fact, more than 70 percent of the campus will be preserved as open space and environmental features will include a 6.5-acre reflecting pond and a 12-foot waterfall.

When the new hospital opens in the fall of 2017, clinical programs and information systems will make a seamless transfer from the existing hospital so patients will have access to the best care in Lake County as well as a direct pathway to downtown's Northwestern Medicine clinical trials and specialty care. Throughout the construction process, residents can check [www.nlfh.nm.org](http://www.nlfh.nm.org) for photos and updated project information.

### McCormick Ravine Activity

Please be aware that The Army Corps of Engineers will be removing debris from the McCormick Ravine during the summer. Several truckloads of material will be coming and going via Westleigh Road daily. The City and Army Corps remains in close contact with the affected residents.

## Annual Native Plant & Tree Sale

**Saturday, May 14, 9 a.m.-4 p.m.**  
**Mellody Farm Nature Preserve at**  
**350 N. Waukegan Road**

Welcome in spring with The City of Lake Forest and Lake Forest Open Lands!

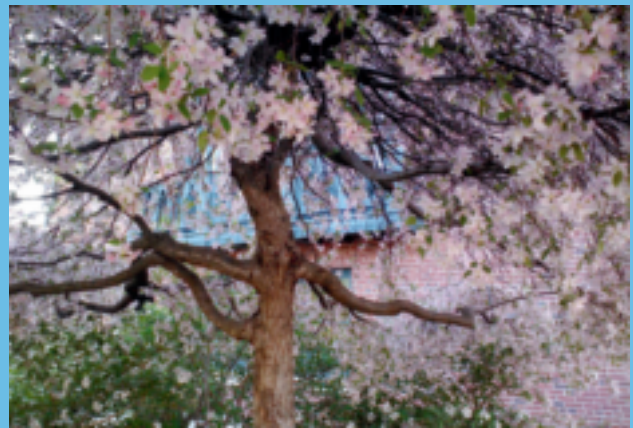

Over 15 varieties of trees will be available below retail cost including six different species of oaks as well as hard to find native trees and shrubs. In addition, over 100 native plants will be available to purchase.

The proceeds from the Sale have allowed the City and Open Lands to plant hundreds of native trees and shrubs in our nature preserves. Pre-orders are encouraged online at [www.lfola.org](http://www.lfola.org).

## Ward Meetings

**Annual Spring Ward Meetings** will take place during March-May. As soon as dates are finalized, you will receive a post-card mailing at your house. To identify your ward, go to [www.cityoflakeforest.com](http://www.cityoflakeforest.com), click on the "Maps and Parking" black button on the left, and enter your address in the green-bordered "Lake Forest Property Search" box. Here, you will find all kinds of information about your property. Click on the "Government Representatives" tab at the top to see your Ward and Aldermen. Your voting locations are also listed here.

## March 15 General Primary Election

**Early Voting takes place at City Hall, 220 E. Deerpath**

February 29-March 5 (Monday-Friday, 9 a.m.-5 p.m. and Saturday from 9 a.m.-2 p.m.) and

March 7-12 (Monday-Friday, 9 a.m.-5 p.m. and Saturday from 9 a.m.-2 p.m.)

You may locate your polling place should you choose to vote on Election Day, Tuesday, March 15, at [www.cityoflakeforest.com](http://www.cityoflakeforest.com). Click on the "Maps and Parking" black button on the left, and enter your address in the green-bordered "Lake Forest Property Search" box. Click on the "Government Representatives" tab at the top to see your voting location.

For further information about voting, please visit the Lake County Website at [www.lakecountyil.gov](http://www.lakecountyil.gov) or call 847.377.2410.

## Let's Talk About: Lake Forest's Sustainability Planning

**A Community Forum on Thursday, April 21, 7-8:30 p.m. at Dickinson Hall, 100 E. Old Mill Road**

Please join us for a great community discussion! The City's 2013-2018 Strategic Plan lists the first Environmental Stewardship goal: "Develop a Lake Forest Sustainability Plan to identify priorities and guide future initiatives."

The City is partnering with the Lake Forest Collaborative for Environmental Leadership on this project (Lake Forest Elementary School District #67, Lake Forest High School District #115, Lake Forest Open Lands Association and Lake Forest College).

In June of 2015, the City conducted a resident survey to gain insight on local environmental issues. In October of 2015, an initial Community Forum was held to further gain feedback from residents. To maximize community input, the City is hosting this second Community Forum. The Lake Forest Collaborative continues to gather input through student sessions held at Lake Forest College and Lake Forest High School.

Data will be collected and analyzed, with a report to be available for review on the City's website. The report will reflect ideas presented at the Community Forums and other venues and will provide direction in the creation of the Lake Forest Sustainability Plan.

For further information, please contact Chuck Myers at 847.810.3565 or [myersc@cityoflakeforest.com](mailto:myersc@cityoflakeforest.com).

Market Square will be featured on the  
2016-2017 Vehicle Sticker  
in Celebration of its 100th Anniversary.

## Lawn Maintenance Equipment

Reminder: Hours for lawn mower use, tractors and gasoline-powered leaf blower equipment:

Weekdays: 7:30 a.m.-7:30 p.m.

Saturdays: 8 a.m.-7:30 p.m.

Sundays and Holidays: 10 a.m.-7:30 p.m.

## Renew Vehicle Stickers

Current stickers expire on April 30, 2016, and renewal notifications will be sent in late March. Vehicle stickers must be purchased no later than April 30 and displayed by May 1 to avoid a late fee and a parking citation. Once again, residents will have the option of purchasing vehicle stickers online.

Residents enrolled in the Illinois benefit access program may qualify for one discounted vehicle sticker. Residents aged 65+ or who are disabled and meet minimum income requirements may be eligible. To obtain a discounted vehicle sticker, you will be required to show proof of enrollment in the benefit access program (eligibility notice, license plate discount program notice, seniors or persons with disabilities free transit ride card). Applications will not be accepted as proof of enrollment. To apply and for more information, please visit [www.cbrx.il.gov](http://www.cbrx.il.gov).

To request renewal information or if you have any questions, please contact Sara Hartnett at [hartnets@cityoflakeforest.com](mailto:hartnets@cityoflakeforest.com) or 847.810.3622.

## Get to Know Your Police Department

The LFPD is developing several community seminars to enable the public to address current issues, present solutions, and to exchange information. Each seminar will cover a specific topic and allow for closer interaction with Police personnel.

The Lake Forest Police Department values its partnership with residents and wants to hear from you. Have you ever wondered why the Police handle things in a certain way? Are you curious about how the Department is addressing issues within the City? To submit suggestions for future topics, or to obtain more information, please contact Sergeant Kevin Zelk at 847.810.3816 or zelkk@cityoflakeforest.com.

## Citizens Police Academy

On Wednesday, March 9, the next session of the Citizens Police Academy will take place for 10 weeks from 7-10 p.m. at the Public Safety Building, 255 W. Deerpath.

The free program is designed to promote and enhance citizen understanding and awareness of the role of the Lake Forest Police Department in the community. The objective of the course is not to prepare graduates to become police officers but instead, to instill a greater general knowledge of the many functions of the LFPD.

Over 20 topics are covered in the class, including hiring and training of officers, patrol operations, police use of force, administration of the department, investigations, youth, community policing and more. In addition, students have the option of riding with an officer on patrol and firing department-issued handguns and rifles in the indoor range.

Applications may be found at [www.cityoflakeforest.com](http://www.cityoflakeforest.com) by clicking on the Police black button at the left, or at the Police Department, 255 W. Deerpath. For more information, please contact Commander Mike Lange at [langem@cityoflakeforest.com](mailto:langem@cityoflakeforest.com) or Officer Brett Marquette at [marquetb@cityoflakeforest.com](mailto:marquetb@cityoflakeforest.com).

The Police Department looks forward to getting to know you!

Lake Forest Police Department

## Citizens Fire Academy

On Thursday, April 21, the next session of the Citizens Fire Academy will take place for 6 weeks from 7-10 p.m. at the Public Safety Building, 255 W. Deerpath.

This is a free, interactive program designed to familiarize citizens with Fire Department personnel, equipment, and operations. It also provides a forum for the Department and the public to share information and concerns. The Citizens Fire Academy is dedicated to increasing community awareness and creating a safer environment at home and in the workplace, and it is fun!

Topics include:

- History and overview of the Fire Department
- Fire apparatus/engine operations
- Fire gear and Emergency Medical Services
- Incident Command
- Mutual Aid
- Auto extrication
- Self-Contained Breathing Apparatus
- Ladder Truck operations
- Fire prevention
- Special Teams

Participants must be 18 years of age and reside or own a business in Lake Forest or Lake Bluff. Applications may be found at [www.cityoflakeforest.com](http://www.cityoflakeforest.com) by clicking on the Fire black button at the left, or at the Fire Department, 255 W. Deerpath. For more information, please contact Battalion Chief Kevin Cronin at 847.810.3866.

## Protecting the Water Supply

Do you have an irrigation system, pool, fire protection system or boiler on your property? If so, you may also have a backflow device on that system that requires an annual certification by a private contractor.

This March, the Community Development Department will mail out a courtesy reminder regarding the certification to those residents known to have a backflow device on their property. If you receive a letter, you will need to have the certification completed. Please contact a private contractor to have this accomplished and submit a copy of the certification to the City. A list of contractors that have worked with other Lake Forest residents is available from the Community Development Department.

If you have questions regarding assistance finding a contractor or about your certification, please contact Carolyn Callaby at [callabyc@cityoflakeforest.com](mailto:callabyc@cityoflakeforest.com) or 847.810.3521.

## Reporting Potholes

The Streets and Sanitation Section performs general pothole repairs on residential streets throughout Lake Forest. To report a pothole, call 847.810.3542.

Illinois State Routes 41, 43 (Waukegan Road), 60 (Town Line Road) and 176 in Lake Bluff are the responsibility of the Illinois Department of Transportation. To report potholes on these State Routes, call 800.452.4368.

## FYI: Check out “Property Check” to Prevent Identity Theft

Offered by Lake County, Property Check is free to use and allows residents to sign up online to receive an email and/or text message alerting them whether a document has been recorded against a specific name or names. Information is available at [www.lakecountyil.gov](http://www.lakecountyil.gov), by contacting the Lake County Recorder’s Office at 847.377.2575 or sending an email to [recorder@lakecountyil.gov](mailto:recorder@lakecountyil.gov).

## “Sprinkler-Free Mondays”

Reminder: The City’s water conservation program goes in to effect May 15 through September 15 on an annual basis.

Sprinkling is only allowed from midnight to 10 a.m. and 8 p.m. to midnight.

Even-numbered addresses may water on Tuesdays, Thursdays and Saturdays. Odd-numbered addresses may water on Wednesdays, Fridays and Sundays.

Please call 847.810.3542 with any questions. Thank you!

## Hydrant Flushing

Beginning in April, the Water & Sewer Utilities staff will flush the City’s fire hydrants to remove accumulated sediment build-up. This will improve water flow and quality throughout the water main system. A detailed schedule will be available on the City’s website in March.

You may experience lower than normal water pressure and a short period of water discoloration during flushing and shortly thereafter. Though the water may be discolored, it is safe to drink. However, until the water runs clear, it is advisable to avoid washing clothes, especially white fabrics. If any rust stains appear on your wet laundry, do not dry your clothes. Please call the Water & Sewer Utilities Section at 847.810.3571 and arrangements will be made to resolve the situation.

Once the hydrants in your neighborhood have been flushed, you should run cold water either from your basement’s utility sink or from a hose outside. This will flush any rusty water out of your water service line. Never run warm or hot water immediately after a hydrant has been flushed, as this could lead to sediment getting into your hot water heater.

If you need additional information, please call the Public Works Department at 847.810.3542.

## Sanitation Schedule

### Memorial Day Holiday

There will be no refuse, recycling or yard waste collection on Monday, May 30. Schedule for the week of May 30-June 3:

- Monday collection will move to Tuesday
- Tuesday collection will move to Wednesday
- Thursday and Friday collections will remain the same

## Refuse, Recycling & Compost Center Summer Hours in Effect

Beginning March 15, the Compost/Recycling Center (located at 1381 W. Kennedy Road—or Rte. 60—on the south side, just west of the railroad viaduct) will be open:

**Saturdays, 8 a.m.-5 p.m.**

**Sundays, 9 a.m.-5 p.m.**

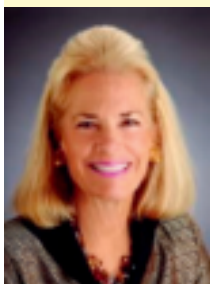

Residents may drop off yard waste, unwanted household items, metal cans, glass, plastics (#1-7), newspapers, magazines, corrugated cardboard and office paper for recycling. Unacceptable items include appliances with CFCs, asbestos, batteries, paints/chemicals, tires and food waste.

To use the Center, please display either a current Lake Forest vehicle sticker or a Lake Forest resident beach permit. Driver’s licenses will not be accepted as proof of residency. No commercial contractor use of the facility is allowed. For further information, please call the Sanitation Section at 847.615.4264.

## Compost at Home: Purchase an Earth Machine

The Earth Machine is available to Lake Forest residents for \$55, compared to over \$100 at most retailers. This home composter includes a handbook with assembly instructions, how to compost, what to compost, and using compost. Typical items to compost include fruit and vegetable scraps, coffee grounds and filters. To place your order, call 847.810.3542. The City will deliver the Earth Machine to your home and send you an invoice.

## Library News

360 E. Deerpath; 847.234.0636

**Closings:** Sunday, March 27; Friday, April 1; Monday, May 30; and on Sundays from Memorial Day weekend through Labor Day weekend (September 5)

- Friends of Lake Forest Library Used Cookbook Sale is Friday, April 15 and Saturday, April 16 from 9 a.m.-5 p.m. at Sunset Foods, 825 S. Waukegan Road
- On Monday, April 25, 3:30 p.m. at Gorton Community Center, 400 E. Illinois Road, Barbara Rinella will dramatize *Circling the Sun*, a fictionalized story of pioneering aviator Beryl Markham written by Paula McLain. The program is free of charge and no registration is required.

For more information, please call 847.234.0636.

## Dickinson

### Hall

100 E. Old Mill Road;  
847.234.2209

#### Tax preparation

assistance appointments are available on Fridays, February 5-April 8. Volunteer, certified tax preparers from AARP will be on site to prepare individual tax returns for seniors. Call 847.810.4677 to make an appointment.

Learn the latest news on **Northwestern Medicine Lake Forest Hospital** on Wednesday, March 16 at 1 p.m. A member of the planning team will be present to talk about progress and plans, and to answer your questions. This event is free and open to the public, courtesy of Home Instead Senior Care. Please RSVP at 847.810.4677.

**Comedy Night** returns to Dickinson Hall! Men and women 50 years and more are encouraged to attend this evening of hilarious comedy, wine and refreshments, featuring the Chicago Comedy All Stars. Join us at 5 p.m. on Friday, April 15. Dickinson Hall members may register for \$15, and guests may attend for \$20. Call 847.810.4677 to reserve your spot. To view the entire Dickinson Hall *Newsbrief* visit [www.dickinsonhall.com](http://www.dickinsonhall.com).

**CROYA Student Union; 400 Hastings Road; 847.810.3980. See [www.croya.com](http://www.croya.com) for the calendar!**

Since 1980, CROYA has been serving the young adults (grades 7-12) of Lake Forest and Lake Bluff. CROYA successfully uses a group-process model where students are encouraged to develop, run, and evaluate their own programs. Together with specially trained staff, youth run more than 300 annual programs and meetings around themes like leadership, community service, emotional wellness, music, and social events.

CROYA continues to provide counseling services out of the CROYA Student Union facility through two public-private partnerships. CICP (Chicago Integrative Center for Psychiatry) in Lake Bluff offers a wide variety of clinical services including a substance abuse program at CAFRC (Child, Adolescent and Family Recovery Center). Family Service: Prevention, Education & Counseling, NFP in Highland Park, provides counseling services for youth and families through the GROW (Guidance, Resources, Outreach & Wellness) program, which offers a limited amount of fee-free services for need-based clients.

The CROYA Student Union is a multi-purpose facility capable of adapting to the ever-changing youth trends and youth-driven ideas. CROYA has something for everyone! Students

are encouraged to explore everything CROYA has to offer. Come check out the recording studio, main-stage, DJ booth, multiple lounges, student store, and dance studio, to name a few. There are no memberships in order to participate in CROYA programs! ACTIVATOR MUSIC ACADEMY is located in the lower level of the CROYA Student Union and offers a variety of music programs for youth of all ages. Private and Group classes are available for many instruments including drums, bass, guitar, voice, piano, and strings. Students have the opportunity to collaborate on live performances, recording studio projects and open mic jams on the Student Union stage. Side Door Studios offers singing, recording, and fun birthday parties. Contact Nick Cvijovic, Program Director, Audio Services & Recording Studio Manager: [activatoracademy@gmail.com](mailto:activatoracademy@gmail.com) 847.810.3988 (office) or 847.322.8374 (cell).

## RECREATION PROGRAMS

400 Hastings Road; 847.234.6700

**Camp Preview Day** – Saturday, February 6, 9 am – Noon. Early Registration and big savings. Come find out about the Camps and meet the staff.

**Summer/Camp Registration** – Wednesday, March 9, 8:30 am. Residents can register for summer camps and programs.

### Lake Forest Boating Center

There's a whole new way to enjoy the beach renting Kayaks, Paddleboards and Sailboats. This year, Family Passes, Season Passes and punch cards will be available for purchase at the Rec Center. Families

will be able to reserve up to four paddles at one time, and kids between ages 15 and 18 may use the pass without a parent at the beach. If your kids are under 15, they do need adult supervision, but once the staff is assured they know how to use the equipment, parents can stay on shore while the kids go out on the lake. For more information please contact Aaron Dalzot at DalzotA@city-of-lakeforest.com.

## Reptile Rampage

**Sunday, March 6, 10 a.m.-4 p.m. at the Rec Center. Fees: \$10 for adults, \$5 for children; children under age 3 are free.**

Bring the entire family to one of the most entertaining experiences in the area. You'll see hundreds of live reptiles, amphibians, snakes, lizards, turtles, tortoises, crocodilians and even venomous reptiles in a safe environment. A number of wildlife organizations will be on hand. Thank you to BTG, International, for sponsoring this year's event! Proceeds benefit the Wildlife Discovery Center and wildlife conservation. For more information, contact Rob Carmichael at carmichr@cityoflakeforest.com.

## CALENDAR

### MARCH

**1-8:** "Women in the Arts", an exhibit hosted by Woodlands Academy, 760 E. Westleigh Road; [www.woodlandsacademy.org](http://www.woodlandsacademy.org).

**1:** Register for summer courses at Lake Forest College by today and receive a \$100 discount. For-credit courses on baseball in Chicago, environmental studies, the chemistry of art and more, meet four days a week. [www.lakeforest.edu/summer](http://www.lakeforest.edu/summer).

**7:** Ceramic artist Undine Brod will present an "Artist Talk", 8:30 and 10 a.m. at Woodlands Academy's Haggerty Center, 760 E. Westleigh Road. [www.woodlandsacademy.org](http://www.woodlandsacademy.org).

**15:** "VC Vetted<sup>®</sup>", sponsored by the Lake Forest Business Accelerator, a pitch event (similar to "Shark Tank") featuring extraordinary startup companies that have been rigorously vetted and prepped to pitch by Venture Connects; 5:30-8:30 p.m. at Gorton Community Center, 400 E. Illinois Road; contact Susan Kelsey at [kelseys@cityoflakeforest.com](mailto:kelseys@cityoflakeforest.com) for more information.

### APRIL

**12:** Lyrica Concert and Ruth Winter Lecture: Irish Fiddle Music with Liz Carroll, 7:30 p.m. at Lake Forest College's Lily Reid Holt Memorial Chapel, 555 N. Sheridan Road; free event. Call 847.735.6025 or visit [www.lakeforest.edu/community](http://www.lakeforest.edu/community) for information.

**22:** Lake Forest College Band, Choir and Orchestra Concert, 7 p.m. at Gorton Community Center, 400 E. Illinois Road; free event. [www.lakeforest.edu/community](http://www.lakeforest.edu/community).

### MAY

**13:** The Garden Market at Elawa Farm opens, 1401 W. Middlefork Drive. Shop for fresh produce and flowers from the Elawa Garden, amazing foods prepared by Chef Steve Chiappetti, farm preserves, jams, hand-crafted soaps and unique artisan gifts. [www.elawafarm.org](http://www.elawafarm.org).

**19:** Free Fine Arts Evening, 6-8:30 p.m. at Woodlands Academy, 760 E. Westleigh Road. Enjoy student artwork, photography, and performances by the school's choirs and orchestra.

### JUNE

**6-10:** Summer Camp at Elawa Farm, 1401 W. Middlefork Drive. [www.elawafarm.org](http://www.elawafarm.org).

**18-October 8:** Annual City of Lake Forest Open Air Market opens, 8 a.m.-1 p.m. every Saturday at the East Train Station parking lot. [www.cityoflakeforest.com](http://www.cityoflakeforest.com)

For more community events, visit the Chamber of Commerce website at [www.lfbcchamber.com](http://www.lfbcchamber.com).
