## Mayor's Message

The City of Lake Forest has enjoyed a banner year in 2015. The community's accomplishments continue to foster Family, Education, Tradition, and Philanthropy.

## The Year in Review

**Aaa Rating by Moody's Investors Service:** The City continues to receive a Aaa rating, based upon our tax base, strong financial operations, sound reserves, operating flexibility and favorable debt profile. The Aaa rating is the highest rating available, and Lake Forest remains in an elite group with only a small percentage of municipalities in the U. S. granted this status. It is a testament to the City's prudent and long-range financial management.

**BMW Championship:** Lake Forest welcomed back the Western Golf Association and the PGA Tour for a second time this past September. The WGA instituted numerous improvements to the Tournament this year, which made a difference for golfers, spectators and residents, and created an exciting and enjoyable experience for everyone. We look forward to continuing to host the Tournament when it returns to Conway Farms Golf Club in 2017!

**Deer Path Inn:** Major renovation work is proceeding well, with the main building being completely updated, including guest rooms, hallways, banquet rooms and the main dining room. Enhanced

outdoor dining areas are also planned as part of the renovation. The great news is that the work is ahead of schedule and the Inn plans on reopening at the end of the year.

**East Side Train Station:** With IDOT and ITEP funding, the City was able to completely reroute the bicycle path out of the parking lot, reconfigure the parking plan, redesign the landscaping and add a bike shelter. At press time, the community is being asked to

participate in a survey about this historic landmark, the types of services available, and how it can be improved. Interior improvements are also scheduled to begin in 2016.

**Forest Park:** The community celebrated the Grand Reopening of this magnificent park in June. The project, which required many years of citizen interaction and involvement, has resulted in widely-used walking paths, a

boardwalk, and breathtaking views of Lake Michigan during all four seasons. Additionally, it was awarded Development of the Year for its innovative storm water management with a sustainable native planting program and woodlands restorations.

### Gorton Community Center:

An extensive renovation of the first floor was completed, updating the Stuart Community Room, Nagel Family Room and the Grand Hall. In addition, the auditorium, through the great generosity of the John and Nancy Hughes family, has been transformed into a world-class, state of the art theater, offering a more beautiful and functional gathering space for the performing arts, music, and film.

**Market Square:** Historic Market Square will celebrate its 100th anniversary in 2016. The exteriors of all of Howard Van Doren Shaw's buildings have been restored and improved, and the City is continuing to work with the owners on other enhancements for 2016. These will include renovations and pedestrian improvements to the north alley and arcade, as well as some exciting new tenants. Stay tuned!

**Northwestern Lake Forest Hospital:** Development is well underway on this, the largest construction project in the history of our community. The hospital will also present plans for the south campus portion of the property some time next year. The completion and opening of the new hospital is on schedule for the fall of 2017.

As you can see, 2015 has been an exciting and eventful year in Lake Forest, and great things are on the horizon for 2016 and beyond. I wish you and your families a Merry Christmas, a joyful Holiday Season and a wonderful New Year! I hope to see you at the Annual Tree Lighting Ceremony in Market Square on November 27th.

## Salting & Plowing

This winter, the City will continue with its reduced road salting policy in an effort to conserve financial resources and protect the environment. With proper application and appropriate timing, less salt is needed.

The Public Works Department uses specialized weather forecasts to receive

real time readings of pavement temperatures and precipitation, and adjusts its salting procedures based upon that information. The City currently has 2,420 tons of salt in storage for the upcoming winter, and the ability to purchase an additional 500 tons throughout the year if supplies run low.

In March of 2015, the City Council affirmed its salting policy.

- From December 1 - January 15, all City streets will be salted normally after each snowfall.
- From January 16 - March 30, salt will only be applied to main streets (i.e. Sheridan Road, Deerpath, Green Bay Road, Old Elm Road, Everett Road) and intersections, hills, and curves of all side streets. The modified salting plan will reduce salt usage for this second phase by 50%.

*Families with new and younger drivers should emphasize the importance of exercising caution when traveling on snow-packed streets.*

According to recent transportation studies, road salt was determined to be the most cost-effective and environmentally-acceptable option available. The City continues to look at technological and environmental trends as they develop.

Reminder: To most efficiently and effectively remove snow from *103.75 miles of Lake Forest's sidewalks*, snow blowers and mechanical brooms will be used on sidewalks within 1/4 mile of schools and all sidewalks along the main streets. The remaining approximately 50% of the City-owned sidewalks will be either snowblown or plowed after 2 inches or more of snowfall.

If you have questions about either program, please contact Dan Martin, Superintendent of Public Works, at 847.810.361.

## City Gift Policy Reminder

City policy prohibits its employees, including refuse collectors, from accepting gifts or cash. If you would like to thank an employee, please send a letter acknowledging that person to the HR Department, 800 N. Field Drive. Or, drop off goodies that the entire group can enjoy. Thank you!

## “What About Bob?”

It's been nearly 25 years since this black comedy starring Bill Murray and Richard Dreyfuss was in the movie theaters. However, today, when residents ask about Bob, they are more than likely referring to Bur Oak Blight or BOB. Unfortunately, there is nothing to laugh about when referring to this BOB.

BOB only occurs on bur oak trees and mainly on naturally established mature trees. The City's Forestry section was one of the first municipalities to have positively identified infected trees in Lake County to include residential trees along south Green Bay Road, Middlefork Drive, Deerpath and Western Avenue.

According to the U.S. Department of Agriculture, it is not clear if this new species of fungus is a recent arrival to this region or if a shift in climate (more early season rain) has made this disease more prevalent. The disease tends to intensify in individual trees and leaves may look wilted or scorched in July and August. Over time, severely affected trees may die. To complicate matters, not all bur oak trees are affected by this disease. In preliminary studies, injections of the fungicide “propiconazole” in late May or early June have reduced symptoms.

How can you detect BOB during the winter? Healthy bur oaks shed all of their leaves in the fall. If your tree has leaves remaining, it may be infected. If you suspect your bur oak has BOB, contact your tree care provider. To learn more, please visit [www.npdn.org](http://www.npdn.org).

## Sanitation Schedule

### Christmas Holiday

City offices will be closed on Thursday, December 24 and Friday, December 25 in observance of Christmas. There will be no refuse, recycling or yard waste collection on Friday, December 25, and the following schedule will be in effect for the week of the Christmas holiday (December 21-26):

- Monday, Tuesday and Thursday collection will remain the same
- Friday collection will move to Saturday

### New Year Holiday

City offices will be closed on Friday, January 1 in observance of New Year's Day. There will be no refuse, recycling or yard waste collection on Friday, January 1, and the following schedule will be in effect for the New Year holiday week (December 28-January 2):

- Monday, Tuesday and Thursday collection will remain the same
- Friday collection will move to Saturday

During and after the holidays, please bag all loose wrapping paper and packing materials to keep them from littering the neighborhood, and flatten cardboard boxes.

### Compost Recycling Center Winter Hours

Winter operating take effect December 1. The Center is open on Saturdays only from 8 a.m.-3 p.m.

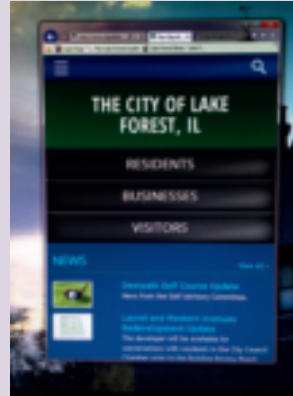

### Christmas Tree Recycling

During the month of January, Christmas trees will be picked up on regularly-scheduled recycling days at the curb. Please remove all lights and ornaments, and cut trees into 6-foot lengths. In order to be collected, trees cannot be placed in plastic tree bags.

## Responsive Website

In September, the City's website converted to an improved and easier to use "responsive site", which means that no matter which size of device you are using, the site will reformat the content. Whether you visit the website from a desktop computer, notebook, tablet or a phone, the site is now more friendly and viewable across multiple screen sizes and resolutions. The 3 hashmarks in the upper left-hand corner signify a "hamburger menu" where, by touching on that icon, you can find more information. We hope that the new responsive site will enhance communications and make information more accessible 24-7.

## "I SHOULD HAVE STARTED IN LAKE FOREST!"

*So often I hear that.  
Whether you are looking for the extraordinary  
special dress, perfect casual separates  
and accessories, or the unique gift for the women  
on your list, almost every week I hear,  
"I should have started here first!"  
Thank you. I'm Ellen Stirling, owner of  
The Lake Forest Shop, a community fixture  
since 1922. My grandmother started this business  
and it is a privilege to play a part in continuing that  
legacy. We are here for you - to give you the very  
best in every way! Come visit the store in Market  
Square or online at [www.LakeForestShop.com](http://www.LakeForestShop.com).*

## Come Skate at West Park!

The City will begin flooding the area as soon as the temperatures stay below freezing. Hockey may be played in the designated rink, and a warming house is available as well as lights for night skating. Ice rink guards are on duty during the following hours (weather-permitting):

Mondays-Thursdays, 3:30-9 p.m.

- Fridays, 3:30-10 p.m.
- Saturdays, 10 a.m.-10 p.m.
- Sundays, 12 noon-9 p.m.

During the school holiday breaks, guarded hours will be:

- Mondays-Saturdays, 10 a.m.-10 p.m.
- Sundays, 12 noon-10 p.m.

The warming house will be open and lights will be on at night during all hours. Exceptions: The rink will close on Christmas Eve and New Year's Eve at 4 p.m. and will be closed all day on Christmas and New Year's Day. Call the Ice Skating Hotline for ice conditions: 847.234.6702.

### Meet the Staff

Tricia Schwall makes a welcome return to Dickinson Hall, where she worked part-time a few years ago prior to taking a full-time position in the Parks and Recreation Department. Tricia brings an enormous amount of enthusiasm and commitment to Dickinson as the new Program Man-

ager. Tara Purtell is a new colleague, stepping into the role of Administrative Assistant. She is a Waukegan native, with family ties to Lake Forest. Tara brings with her a background of exemplary customer service, and the members already enjoy her warmth and helpful spirit.

## FYI: Know Your B-Box

All residents have a B-Box ("Buffalo Box") on their property. The B-Box is usually located in the parkway, and is a valve responsible for controlling water service to the house. The City is currently working on converting the paper file database of all the B-Boxes to a GPS location system.

## Vehicle Stickers

Current stickers expire on April 30, 2016, and renewal notifications will be sent in late March. Once again, residents will have the option of purchasing vehicle stickers online, as well as pet licenses and parking permits. To request information via email, please notify Sara Hartnett at [hartnets@cityoflakeforest.com](mailto:hartnets@cityoflakeforest.com), or call 847.810.3622. Lake Forest residents enrolled in the State of Illinois Benefits Access Program, aged 65+ years of age, are disabled or meet minimum income requirements may qualify for one discounted 2016-17 vehicle sticker. Proof of enrollment (eligibility notice, license plate discount program notice or State of IL vehicle registration showing discounted license plates) is required to obtain a discounted vehicle sticker. To apply and for more information, please visit [www.cbrx.il.gov](http://www.cbrx.il.gov).

## Public Service Award Nominations Sought

Nominations are now being accepted for the Lawrence R. Temple Distinguished Public Service Award, established in memory and honor of the former Second Ward Alderman. This award recognizes a living volunteer involved in community organizations or local government for distinguished public service. Past recipients include the late Edward "Tim" Christie and former Mayors James E. Swarthout and Rhett W. Butler. The deadline for submitting nominations is December 31, 2015. Nomination forms are available on the City's website. For further information, please contact Margaret Boyer at [boyerm@cityoflakeforest.com](mailto:boyerm@cityoflakeforest.com) or 847.810.3674.
