REMOTE ACCESS MEETING

Please be advised that all of the Senior Resources Commission members will be remotely attending this Senior Resources Commission meeting by electronic means, in compliance with the recent amendments to the Open Meetings Act. The Chair of the Senior Resources Commission has determined that it is not prudent or practical to conduct an in-person meeting due to the COVID-19 pandemic, and that it is not feasible to have the Commission members or members of the public physically present at the meeting due to the pandemic disaster. The Senior Resources Commission will be providing members of the public the opportunity to watch and listen to the meeting remotely, as well as provide public comment at the meeting, by following the public audience link and dial-in number which will provide both video and audio means to attend the meeting.
