Dear Name,

Remember your loved ones at The Lake Forest Cemetery this season with handcrafted winter grave decorations. Our evergreen grave blankets and wreaths are available for placement beginning in early to mid-December.

Evergreen grave blankets are available as either a standard balsam grave blanket or a deluxe balsam grave blanket that includes various evergreen boughs, pinecones, berries and a hand-tied bow. Evergreen wreaths are also available for placement on individual graves, at the family monument or in combination with grave blankets on each individual grave or family lot. We offer standard balsam wreaths with a bow and deluxe Noble fir wreaths with a hand-tied holiday ribbon. Additionally, we offer potted, 2-3-foot-tall spruce trees that can be placed at the grave of your loved one.

Cemetery staff will begin placement of the decorations during the first week of December and remove them, dependent upon the weather, around March 1, 2024.

To remember your loved one with an evergreen grave decoration, please complete the form on the back of this letter and return it with your payment to Lake Forest Cemetery, 800 N. Field Drive, Lake Forest, Illinois 60045 by **December 4, 2023**. Please include the name or names of your loved one(s) for whom the blankets and wreaths are to be placed.

Sincerely,

Phil Alderks

Sexton, Lake Forest Cemetery
