COSTA MESA SANITARY DISTRICT INVITES APPLICATIONS FOR THE CITIZENS ADVISORY COMMITTEE

(Costa Mesa, CA) – The Costa Mesa Sanitary District (CMSD) is inviting applications for five seats on its Citizens Advisory Committee (CAC). Established in 2018, the CAC gives District residents the opportunity to participate in local government by providing input regarding new programs, evaluating current programs and policies, and offering recommendations to the Board of Directors on key solid waste and wastewater issues.

The CAC consists of up to 11 members that are appointed by CMSD's Board of Directors and serve staggered 2-year terms. The primary responsibilities of committee members are to attend regular committee meetings, discuss and make recommendations about District matters, and attend at least one Board of Directors meeting per year.

Prospective members must submit a CAC Membership Application in order to be considered for appointment and must reside within CMSD's service area. The CAC Membership Application is available on the District's website at www.cmsdca.gov and applications will be accepted until Thursday, March 20, 2019. Applications will be reviewed by the Board of Directors
