#### RESOLUTION NO. 2740

A RESOLUTION OF THE CORCORAN CITY COUNCIL ESTABLISHING AN APPROPRIATIONS LIMIT FOR THE CITY OF CORCORAN IN ACCORDANCE WITH ARTICLE XIII B OF THE CONSTITUTION OF THE STATE OF CALIFORNIA.

WHEREAS; the voters of the State of California passed Proposition 4 on the ballot for the Special Election held on November 6, 1979, adding Article XIII B to the Constitution placing various limitations on the fiscal powers of state and local government; and,

WHEREAS; to provide for the implementation of Article XIII B, the Legislature passed Senate Bill No. 1352 which defined various terms used in the article and prescribed procedures to be used to determine annual appropriations limits; and,

WHEREAS, the voters of the State of California passed Proposition 111 on the ballot for the Election held in June, 1990, modifying the procedures to be used in calculation the limits;

NOW, THEREFORE, it is hereby resolved that the City's appropriation limit for the 2014-15 fiscal year will be calculated using the change in California Per Capital Personal Income, and the County's increase in population for the annual growth factors.

, 2014, by the following vote:

BE IT FURTHER RESOLVED, that the annual appropriation limit for the fiscal year 2014-15 is hereby established as \$9,158,703.

#### MAYOR AND COUNCIL

The five members of the Corcoran City Council are elected at large on a nonpartisan ballot for four-year over lapping terms. The Council presently elects one of its members Mayor, who presides at all meetings.

The City Council is the legislative and policy making body of the municipal government. The Council appoints a City Manager who is responsible to the Council for carrying out its established policies and the efficient administration of City operations. In addition to appointing the City Manager, the City Council also appoints the City Attorney and has the authority to establish advisory boards and commissions and to appoint citizens to serve as members of these bodies.

The City Council's duties require a substantial amount of time in attendance at both official and semi-official functions of the City and in attendance at regional and state functions.

#### 2014-2015 PROGRAM

The 2014-2015 budget reflects the ongoing contribution to the Corcoran Chamber of Commerce, the City's contribution to the costs of the Centennial and the November election.

## PUBLIC SAFETY FIRE DEPARTMENT

Fire services for the City of Corcoran are provided for by agreement with Kings County. Additional support by the Corcoran Volunteer Company is also administered by the County Fire Department; however, the City provides financial support to the Volunteers to reimburse out-of-pocket expenses and retirement costs. This budget funds those costs.

## 2014-2015 PROGRAM

The 2014-2015 budget reflects no change in the donation to the volunteers. Cost of the contract with Kings County has been moved from the City Council budget to this budget, this is the second year of a two-year contract..

## PUBLIC WORKS GOVERNMENT BUILDINGS DIVISION

The Government Buildings Division reflects the second area of responsibility for the Parks Division. Through this division, the Parks Division is responsible for the daily upkeep, custodial services and maintenance of all of the City owned structures and public facilities.

Custodial services are provided by a private contractor. The Parks Division is responsible for the ensuring that the contractor's duties are performed in accordance with the contract.

The Parks Division through this division is responsible for protecting the sizable investment in public buildings and facilities by implementing a continuous program of maintenance to the structures, equipment, and machinery that will ensure the efficient daily operation of all facilities.

## 2014-2015 PROGRAM

The 2014-2015 budget reflects the same levels of service as the 2013-2014 budget.

## **PUBLIC WORKS EQUIPMENT SERVICES**

The Equipment Services Division was created with the intention of reducing the maintenance costs for the City's fleet of vehicles and equipment. Currently, the City employs the services of one full-time mechanic and a part-time mechanic.

## 2014-2015 PROGRAM

The 2014-2015 reflects the cost of the two mechanics.

## **PUBLIC WORKS** WASTEWATER DIVISION

The Wastewater Division is divided into two elements; Sanitary Sewer and Storm Drain.

The sanitary sewer system for the City of Corcoran is an old system where some areas are in fairly good condition while others are getting old and in need of extra work. Many of these issues will have to be dealt with in the new growth processes now being experienced by the City and others will have to be taken care of through normal maintenance and operations of this system.

The sewer treatment plant is in very good condition, but with the proposed growth in the City and other related issues this plant will need additional capacity and major service in the years to come.

Master plans for both the sewer collection system and the wastewater treatment plant have been drafted and are being reviewed by interested parties at this time. Once we have all of these comments back we will then address them and make a proposal to the City Council as to their adoption.

The storm drain system is composed of pipelines, an agreement allowing the City to use some of the Corcoran Irrigation District (CID) pipelines for transmission of storm water and eight storm water lfit stations. Per the City/CID agreement the City is responsible for the maintenance of the CID pipelines that the City uses.

A master plan for the storm water system has been drafted and other modifications to this plan have been proposed in light of a finding by the CID Board and as a result of the various proposed developments within the City service area.

## PUBLIC WORKS REFUSE DIVISION

The Refuse Division provides for the safe and sanitary removal of solid waste from the City in the most effective and economical fashion. The City contracts with Tule Trash Company for refuse collection and curbside recycling services.

The City of Corcoran belongs to the Kings Waste and Recycling Authority (KWRA) which was formed in response to State and Federal regulations concerning the collection and disposal of solid waste. KWRA is responsible for the operation of the existing sanitary landfill and the requirements for siting the next landfill in Kings County. In addition, KWRA also operates a Resource Recovery and Recycling Operation and a Household Hazardous Waste Operation. The Authority will also consider long-term planning strategies for integrated waste management.

#### 2014-2015 PROGRAM

The budget reflects the cost of living increase to Tule Trash Co. and the two clean-up weeks.

## **PUBLIC WORKS** WATER DIVISION

The Water Division is charged with the delivery of safe, potable drinking water to the residents of the City (including those in the two California State prisons) and the surrounding area (Kings County Fringe).

On the water treatment side the City has completed a new eighteen million dollar water treatment plant designed primarily for the removal of arsenic but that will also resolve any other water quality issues as they relate to the groundwater used by the City. As a part of the new water treatment plant project the City completed new chlorine injection facilities, a ferric chloride injection facility, a polymer injection facility, two additional potable water wells capable of producing approximately 4,500 GPM combined, the replacement of a failed well, the completion of a new two million gallon treated water storage tank, and the addition of a new booster station to deliver water through a line that was previously used to transmit water to one of the prisons into what is now being used as a City distribution line facilitatiing water deliveries to the east and south sides of the city. The completion of all of these projects is expected to raise the capacity of the City water treatment and production system from a peak day of eight million gallons per day to approximately fifteen million gallons per day while meeting all of the Federal and State mandatory drinking water requirements.

In addition to the treatment portion of the system this division is responsible for the operation, maintenance and upkeep of the distribution system. The distribution system consists of miles of water mains, two primary booster pump stations and seven treated water storage tanks.

Other responsibilities of this division includes meter reading, turn ons and turn offs both for changes in services and to assist with collections, and responding to customer complaints related to water presssure, color, taste, odor and other issues.

## COMMUNITY DEVELOPMENT GRANT PROGRAMS

The Community Development Block Grant (CDBG), HOME Investment Partnership Program (HOME) and other available State and Federal funds are used to implement housing and economic development projects. Funds are obtained through a competitive grant process from the State of California Housing and Community Development Department. These funds then become a part of revolving loan programs established to further the community development objectives of the City. The City has contracted with Self-Help Enterprises of Visalia for the administration of HOME and CDBG programs.

#### **OBJECTIVES**

- (1) To provide deferred housing rehabilitation loans to low-moderate income families.
- (2) To provide mortgage assistance to low-moderate income families.
- (3) To correct Health and Safety Code and Uniform Building Code deficiencies in order to ensure the health and safety of the occupants.
- (4) To provide affordable housing for low-moderate income families.
- (5) To develop permanent private sector jobs for low and moderate income persons, expand the City's tax base, and improve the economic climate in Corcoran.

## 2014-2015 PROGRAM

## CORCORAN JOINT POWERS FINANCE AUTHORITY BUDGET MESSAGE

The Corcoran Joint Powers Finance Authority is an entity established as a financing vehicle for City projects.

The Agency acquired financing for the Storm Water Ponds Project, which it in turn leases to the City's Wastewater/Storm Drain Enterprise Fund. Lease payments are received in an amount sufficient to cover debt service and pay Trustee fees. These bonds have been refinanced to take advantage of lower interest rates.

During fiscal 2002/03 the authority borrowed funds to lend to the City's Water Enterprise for purposes of refinancing a loan from the USDA and to begin development of the new water well field. During the 2012-13 fiscal year the 2003 bonds were refinanced, eliminating the reserve and lowering the interest costs.

During fiscal 2005/06 the authority borrowed the funds necessary to fund the construction of the Arsenic Treatment Facility for the Water Enterprise. A State grant for \$2,000,000 to assist in the funding of the water treatment plant allowed \$2,000,000 of the bond funds to be used to pay down the bonds. During 2007/08 the 05 Bonds were refunded through the issuance of \$19,900,000 in Variable Rate Demand Certificates of Participation. During 2012-13, the underlying letter of credit for the 2008 bonds was renegotiated and the reserve funds were used to pay down the balance on the bonds.

No new projects are anticipated during the coming fiscal year.

Kindon Meik Executive Director
