CHARITABLE NON-PROFIT ORGANIZATION

Certain charitable, non-profit organizations may be exempt, and payment of taxes, which would be in violation of the Constitution of the United States or Constitution of the State of California, is not required. A non-profit corporation or organization which is carried on entirely for the benefit of non-profit purposes and from which profit is not derived, either directly or indirectly by any person, shall be exempt from payment of taxes.

A non-profit corporation is defined as any non-profit corporation organized under California law for charitable purposes. A non-profit organization or corporation is one that is exempt from paying Federal income tax by virtue of its non-profit status.

Even if you are exempt from paying the business license tax, you must submit an application to ensure you meet various other City requirements
