ADDENDUM NUMBER 2

The following additions, deletions, or modifications shall become part of the Contract Documents for the City of Corcoran Water Well 5F & 8C project:

CONTRACTOR QUESTIONS:

Q1: Could you further clarify the electrical scope of work for Water Wells 5F & 8C?

A1: Water Well 5F encompasses all labor and materials as specified in the accompanying electrical plans. The contractor shall acknowledge that alterations to the motor control center will be addressed through a change order.

For Water Well 8C, the bid shall exclude all electrical undertakings. All electrical tasks related to Well 8C will be managed in a change order. No electrical plans have been provided in the plan set.

Q2: Who is responsible for testing?

A2: The city will be providing testing; however, any failed testing will be the responsibility of the contractor at the contractor's own expense.

Q3: Who is responsible for staking?

A3: Per the construction documents, the contractor shall provide this service.

--

NOTE: One copy of this Addendum Number 2 shall be signed by the Contractor and must be submitted with the bid as acknowledgment of receipt and acceptance of this Addendum Number 2.
