**CITY OF CORCORAN NOTICE TO CONTRACTORS AND SPECIAL PROVISIONS
FOR WATER METER INSTALLATION PROJECT**

General work description:

The work to be done includes, but is not limited to the following: install new radio-read meters and transmitter units on 1) current unmetered service lines, and 2) current metered customers with a service line that is 3" and larger. And other items of, or details not mentioned above, that are required by typical construction, Standard Specifications, or these special provisions.

Pursuant to the Land Surveyor's Act of the Business and Professions Code of the State of California, Section 8771, a corner record and/or record of survey locating/referencing all existing monuments in the project area shall be filed with the County Surveyor prior to and after construction activities. The City of Corcoran will prepare the corner record prior to construction activities. The Contractor is responsible for provision of the corner record or record of survey post- construction to satisfy this regulation. The cost shall be considered as in the various items of work and no separate payment will be made therefore.

In case of conflict between the Standard Specifications and these special provisions, the more restrictive of the two shall take precedence over and be used in lieu of the conflicting portions, unless otherwise directed by the engineer.

This project is subject to the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 as amended by the Intermodal Surface Transportation Efficiency Act of 1991.

Sealed bids will be received at the office of the City Clerk, City Hall, 832 Whitley Avenue, Corcoran, CA 93212, until 2:30 PM., Friday, September 9th, 2022 at which time they will be publicly opened and read.
