

## Library Trustee Board

In our library, we have citizens who are working towards building a better community for all. The Clyde W. Roddy Public Library's Board of Trustees is composed of seven citizens of the community appointed by the Mayor of the City of Dayton. The Board meets monthly on the first Thursday at 1:30 p.m. in the library's conference room. This year Bruce Morgan and Shirley Lacy are rotating off of the board. We want to say a huge thank you to both of them for their dedicated years of service. Welcome Nathan Harris and Rachel Pacuari as our newest board members.

Our Annual Summer Reading Program is over and I can't comprehend where the time has gone. This year was our 32nd Annual Summer Reading Program! We had a record number of new patrons! Our theme was **Adventure Begins At Your Library**. I have loved the theme this year! Camping, hiking, exploring, adventure, and the great outdoors have been great subjects to read and learn about. Many individuals, organizations, and, businesses have supported us this year. Many of them contribute to our Summer Reading Program

by giving their time, talent, and monetary donations. Everyone of our volunteers and sponsors are vitally important to our community and in helping to make our

Summer Reading Program the best it can be. I would like to take this time to thank each and every one for their contributions. I also encourage our patrons to let the sponsors know how much they are appreciated for what they provide to our community. I hope each of you have a fun adventure filled Summer!
