

Addendum No. 4: Dated January 17, 2023, to bidding documents for the Culpeper Station Pedestrian Bridge for the Town of Culpeper, Virginia, WW Associates Project No. 220047.00.

From: WW Associates, Inc.

To: All Bidding Document Holders of Record

This addendum forms a part of the bidding documents and modifies the drawing and specifications dated May 27, 2022, revised November 11, 2022. Acknowledge receipt of this addendum in the space provided on the bid form. Failure to do so may subject the bidder to disqualification.

SPECIFICATIONS

Section 074114 – Standing-Seam Metal Roof Panels

Paragraph 2.1 to read as follows:

“2.1 Manufacturer: Fabral or equal. Petersen Pac-Clad and MRS 2500 are acceptable panel manufacturers if they can supply the specified panel seam spacing, 1” panel height and comply with the remaining section specifications.”

DRAWINGS

Drawing A0.2 – Architectural Notes & Specifications

Section 07500 Membrane Roofing – Revise Item #1 to read as follows:

“1. Provide Carlisle standard 20 year warranty sure-seal .060 inch thickness fully adhered EPDM roofing membrane over fully mechanically fastened (or adhesive adhered if approved by the system manufacturer) polyisocyanurate insul. (thickness indicated) use fasteners as recommended by the mfg. Firestone 60 mil EPDM roofing is an acceptable alternate manufacturer.”

Drawing A2.1 – Floor Plan / Elevations & Sections

Typical Section A – Revise gutter note to read as follows:

“ 5” 0.032 aluminum gutter or 6” x 5” box gutter to match gutter shown on A/A5.1 with bottom gutter support brackets at 48” on center maximum.”
