If such a benefit has been received or will be received, this fact shall be disclosed with the Proposal or as soon thereafter as it appears that such a benefit will be received. The Offeror shall comply with all procedural instructions that may be issued by the Town.

II) EVALUATION OF PROPOSAL

A) Net Prices and Delivery Terms; Tax Exemption and Responsibility

- 1) **Net prices:** Prices for Goods, unless otherwise specified, must be net, F.O.B. and include all charges that may be imposed in fulfilling the terms of the Contract including all applicable fees, with transportation and handling charges fully prepaid by the Contractor to destination in the Town of Culpeper, Virginia, unless otherwise specified in this Request for Proposal, and subject only to any discount for prompt payment that may be provided by Offeror. Extra charges not made a part of the Proposal price will not be allowed.
- 2) **Default delivery schedule:** Unless otherwise specified in the Specifications, delivery is to be made between the hours of 8:00 a.m. and 4:00 p.m., Monday through Friday except on Town holidays and days when inclement weather shuts the normal operations of the Town government. Delivery and invoicing must be received within 30 working days of receipt of purchase order.
- 3) **Prices to remain firm:** If a Contract is awarded, the prices offered by the successful Offeror shall remain firm for the period of the Contract unless expressly provided otherwise.
- 4) **Tax exemption:** The Town is exempt from state and federal taxes. The Town will not pay any tax charges assessed on Goods, Services, Construction or Insurance provided by the Offeror. The Town will not indemnify the Offeror against any tax charges. Any tax assessed against the Offeror as a result of the contract resulting from this Request for Proposal is the responsibility of the Contractor. However, when under established trade practice any Federal excise tax is included in the list price, the Offeror may quote the list price and shall show separately the amount of Federal tax, either as a flat sum or as a percentage of the list price, which shall be deducted by the Town.

B) Required Elements of Proposal Package

To be considered, the Offeror must submit by the Due Date and time a completed Proposal, the Offeror Information Form with Acknowledgement of Receipt of Addenda Form, and any other documents, samples, or information required by the terms of the Request for Proposal. Incomplete Proposals will be rejected as non-responsive unless the omitted material constitutes an Informality. Any Offeror which submits a Proposal agrees that such Proposal becomes the property of the Town and all costs incurred for its preparation are the responsibility of the Offeror.

1) Completed Request for Proposal forms:

Proposals shall simply and succinctly state the information needed to evaluate them under the Proposal Evaluation Framework provided by this Request for Proposal. The Offeror may submit additional information and the Using Department may request additional information.

2) Required permits, bonds and licenses:

By submitting a Proposal, Offeror represents that it has or can acquire all necessary federal, state and local permits and all necessary licenses, including licenses to use intellectual or real property, as of the date of performance.

- a) If this Solicitation is for Construction with a total cost of \$100,000 or more or if the blank for bid bond is checked on the cover sheet of this Solicitation, the Vendor must provide a bid bond with its bid. If this Solicitation is for Construction with a total cost of \$100,000 or more or if the blank(s) for performance and payment bonds are checked on the cover sheet of this Solicitation, the Vendor represents that it is able to obtain the required bond(s) before it begins performance under the Contract. If a Vendor fails to obtain a required performance or payment bond, the Town will reject the Vendor's bid and, if a Contract is awarded to the next-lowest Responsive and Responsible Bidder, the Town will call the bid bond of the Vendor who was unable to obtain the performance or payment bond. Bonding requirements are not waivable except by canceling the Solicitation and issuing a new one without the bond requirement.

3) Acknowledgment of receipt of all addenda:

The Vendor will complete and execute the Acknowledgment of Receipt of addenda form.

4) Descriptive literature and specifications:

- a) Except where the Offeror intends to provide the Brand Names identified in the Request for Proposal or follow blueprints or similarly detailed specifications, the Offeror shall clearly and specifically identify the Goods, Services, insurance or Construction being offered and shall enclose complete and detailed descriptive literature and specifications with the Proposal to enable the Town to determine if the Proposal meets the requirements of the Request for Proposal. The Offeror is responsible for clearly and specifically indicating the Goods, Services, insurance or Construction being offered and for providing sufficient descriptive literature, samples, catalog cuts and/or technical detail to enable the Town to determine if the Proposal meets the requirements of the Request for Proposal. Only the information furnished with the Proposal will be considered in the evaluation. Failure to furnish adequate data for evaluation purposes may result in declaring an Proposal non-responsive.
- b) Unless the Offeror clearly indicates in its Proposal that the product offered is an "equal" product, its Proposal will be considered to offer the brand name product referenced in the Request for Proposal.
- c) Unless otherwise expressly provided in the specifications, the name of a certain brand, make or manufacturer shall not restrict Offerors to the specific brand, make or manufacturer named but conveys the general style, type, character, and quality of the article desired. The Town Manager's Designee for this Request for Proposal shall determine equivalency, considering quality, workmanship,

economy of operation, and suitability for the purpose intended, including compatibility with existing equipment or facilities and the need for any specialized training, peripherals, supplies, and infrastructure.

C) Proposal Evaluation Framework

- 1) **Evaluation committee:** The Town Manager will appoint a committee to evaluate each Offeror's Proposal on the basis of the evaluation framework provided in the specifications. Each member of the committee will evaluate each Proposal. Those evaluations will then be averaged and the averages referred to the committee for review.
 - a) For Professional Services, the committee will select for individual discussions two or more Vendors that the committee deems are fully qualified, responsible and suitable on the basis of the averaged committee evaluations. (However, if the committee determines in writing that only one Vendor is fully qualified, or that one Vendor is clearly more highly qualified and suitable than the others under consideration, a Contract may be negotiated and awarded to that Vendor.)
 - b) For Goods, Insurance or Non-Professional Services, the committee will select two or more Vendors that the committee deems are fully qualified and best suited among those submitting proposals, on the basis of the factors involved in this Solicitation. (However, if the committee determines in writing that only one Vendor is fully qualified, or that one Vendor is clearly more highly qualified than the others under consideration, a Contract may be negotiated and awarded to that Vendor.)
- 2) Negotiation and award of the Contract shall follow the Town Policy on Competitive Negotiation.

D) Determining if Offeror is Responsible

- 1) **Award only to a "Responsible Offeror":** The Contract shall only be awarded to a Offeror that, through evidence submitted or information available to the Town, has shown that it has the capability, in all respects, to perform fully the contract requirements and has shown that it has the moral and business integrity and reliability that will assure good faith performance.
- 2) **Additional information:** The Offeror, if requested, must present within two business days, evidence satisfactory to the Town of the Offeror's ability to perform the Contract and possession of necessary facilities, pecuniary resources, and adequate insurance to comply with the terms of this Request for Proposal and any resulting Contract. The Town reserves the right to inspect the Offeror's physical facilities and conduct additional investigation prior to award to satisfy questions regarding the Offeror's capabilities.

- 3) **Offeror in default:** No Contract will be awarded to any Offeror that is in arrears, or is in default to the Town upon any debt, or that is a defaulter as surety or otherwise upon any obligation to the Town, until all such debts are paid. An Offeror which previously defaulted on a Contract with the Town may be disqualified for a period of time, depending on the size of the defaulted Contract and the circumstances of the default.

E) Exceptions to Terms of the Request for Proposal

Offerors are encouraged to use the question and comment process provided in paragraph I)D) of this Request for Proposal. An Offeror may take exception to the terms of the Request for Proposal by making the exceptions clear in writing attached to the Proposal and suggesting alternatives that will meet the Town's needs as identified in the Request for Proposal. However, if the exceptions involve more than minor variations or if they negatively affect the price, quality, quantity or delivery schedule for the Goods or Services being procured, then the Offeror's Proposal will be rejected.

F) Proposal Acceptance Period

Unless withdrawn under the terms of this provision or as otherwise provided in this Request for Proposal, the Offeror's Proposal is binding upon the Offeror for at least ninety (90) calendar days following the Request for Proposal Due Date. This ninety calendar day acceptance period may be extended by mutual agreement of the Offeror and Town in writing signed by the Town Manager's Designee and the Offeror's Contact Person as identified on the Offeror Information Form. Offeror further agrees and understands that (except for the requirement to indemnify the Town for costs incurred in protection of the Offeror's confidential information under V)B)3)) there is no binding agreement, no contractual relationship, no understanding nor mutual assent until a Contract is signed, executed and exchanged by and between the Offeror and the Town. Except where the Town Manager, Procurement Officer, or other Town officer or employee is authorized to execute Contracts under Town Policy, no Contract with the Town can be executed or has any effect until the Town Council approves it by recorded affirmative vote.

III) METHOD OF AWARD OF CONTRACT

A) Negotiation and Award

At the conclusion of negotiations, the Town may award a contract to the Offeror with the best proposal. In the Town's sole discretion, it may award contracts to more than one responsive and responsible Offeror.

B) Award in Whole or in Part

Based on its evaluation of Proposals as provided above, if the Town does not reject all Proposals it will award a Contract for all or part of the Procurement to the Offeror or

Offerors submitting the best Proposal or Proposals with respect to the items in question. A partial award will be made only where the subject of the Procurement permits division based on units, phase, or other elements separately priced in the Offeror submission.

C) Multiple Awards

Except with a Requirements Contract, a Contract for Non-Professional Services, or as expressly provided otherwise in the Specifications, the Town will award a single Contract.

IV) FORM OF CONTRACT AND RELATED DOCUMENTS

A) Use of Town Standard Form Contract

The Town expects to use its Standard Form Contract with the Offeror(s) selected for award of Contracts. If an Offeror wishes to use a different form, it must submit that form together with its Proposal. The terms of the Contract will then become a subject for negotiation.

B) Use of AIA and Similar Forms

If an Offeror wishes to use copyrighted forms, it shall provide the forms and indemnify the Town against any infringement by their use. All forms submitted for use are subject to amendment by the Town for consistency with State law, Town Policy, this Request for Proposal, and the best interests of the Town.

C) Differing Terms in Contractor-Supplied Forms

No term in an Offeror-supplied form may alter, contradict, or supersede the terms in this Request for Proposal and the resulting Contract.

V) MISCELLANEOUS

A) Authority of Agents

1) **Offeror's agent:** Each Proposal, and any Contract, must be signed by a person authorized to bind the Offeror to a valid Contract with the Town. For a sole proprietorship, the principal may sign. The Town may require that any agent submit a power of attorney or other appropriate documentation showing the authority of the agent to act on the Contractor's behalf. If, whether such proof of agency has been demanded or not, it later appears that the signatory was not authorized to act, the Town may declare the Contract void if it is in its best interest to do so.

- 2) **Town's agent:** The Town Manager has the final responsibility and full authority for issuance of invitations to bid, request for proposals, negotiations, placing and modifying invitations, requests, purchase orders and recommendations of award issued by and for the Town of Culpeper. Where permitted by Town Policy, the Town Manager may execute Contracts in the name of the Town. The Town Manager may delegate authority to Administrative staff by general assignment or by specific authorization in a Request for Proposal. No other Town officer or employee is authorized to add to, vary, or waive terms of the Request for Proposal, place purchase orders or issue notices to proceed, enter into purchase negotiations or contracts, or in any way obligate the Town for indebtedness. Any purchase order or contract made without authority is void *ab initio*. The Town will not honor or ratify any void action of its employees or agents.
- 3) **Non-appropriation:**
 - a) The authority of agents for the Town is limited by appropriations. In subsequent fiscal years, the Town may reduce or eliminate appropriations related to the procurement which is the subject of this Request for Proposal without liability to the Offeror or any third party.
 - b) By issuing this Request for Proposal, the Town Manager represents that sufficient appropriations have been made to meet the estimated cost of the procurement in the current fiscal year.

B) Examination of Documents

Except as provided herein, all proceedings, records, Contracts and other public records relating to procurement transactions shall be open to the inspection of any citizen or representative of the news media in accordance with the Virginia Freedom of Information Act.

- 1) **Estimates:** Cost estimates relating to a proposed transaction prepared by or for a public body shall not be open to public inspection.
- 2) **Prior to award:** Any Offeror upon request shall be afforded the opportunity to inspect proposal records within a reasonable time after the opening/receipt of all Proposals, but prior to award, unless the Town decides not to accept any of the Proposals and to reissue the Request for Proposal. Otherwise, Proposal records shall be open to public inspection only after award of the Contract or the decision neither to award the Contract nor to reissue the Request for Proposal. Any inspection of Procurement transaction records under this section shall be subject to reasonable restrictions to ensure the security and integrity of the records.
- 3) **Trade secrets:** Trade secrets or proprietary information submitted by an Offeror in connection with a procurement transaction shall not be subject to public disclosure under the Virginia Freedom of Information Act if the Offeror invokes the protection of this provision in writing prior to or upon submission of the data or other materials, identifies the data or other materials to be protected, and states the reasons why

protection is necessary. By asserting such trade secret or proprietary information privilege, the Offeror agrees to indemnify the Town for any costs, including attorney's fees, incurred defending that Offerors' protected information in any action under the Virginia Freedom of Information Act.

- 4) **No requirement to state reasons for rejection:** Nothing contained in this Request for Proposal shall be construed to require the Town to furnish a statement of the reasons why a particular Proposal was not deemed to be the most advantageous to the Town.

C) Definitions

Capitalized terms that are defined in the VPPA or Town Policy have the same meanings in this Request for Proposal as are given in that law or policy. Capitalized terms not defined in the VPPA or Town Policy but used in this Request for Proposal have the following meanings, unless the context clearly requires otherwise. Undefined terms have their common meanings appropriate to their context.

- 1) **Town:** The Town of Culpeper or its authorized agents. Unless the context clearly requires otherwise, such as for an affirmative vote of the elected body, the Town Manager or the Town Manager's Designee may always act on behalf of the Town.
- 2) **Town Manager's Designee:** The person designated as having authority to bind the Town with regard to this Request for Proposal and identified as such on the cover sheet of this Request for Proposal or by addendum.
- 3) **Town Policy:** The Town of Culpeper Public Procurement Policy, as amended.
- 4) **Due Date:** The date stated on the cover page of this Request for Proposal for receipt and opening of the Proposals.
- 5) **Estimated Quantities:** In this type of contract, the Town estimates its needs in advance and the Offeror bids prices for each of these items. The Town does not guarantee buying its estimated quantities or any given quantity from the selected Offeror, and may purchase the items covered by the award through other Procurement transactions. For each shipment of Goods, the Town will issue a purchase order.
- 6) **Firm Fixed Price:** In this type of contract, the Offeror submits a flat price for the entire Procurement. This does not preclude additions or deletions on a unit price basis where provided for in the Request for Proposal.
- 7) **Hourly Rate:** In this type of contract, the Offeror submits a stated hourly rate for the work to be performed. The Proposal may include reimbursement for incidental expenses, such as materials and travel, only if expressly provided for in the Request for Proposal.
- 8) **Non-Professional Services:** All services other than Professional Services.

- 9) **On Call:** Services that an Offeror makes available at an Hourly Rate when needed by the Town. No particular amount of work is guaranteed. If the Specifications do not give minimum response times or similar measures of performance, then it is implied that recognized industry standards or the Offeror's published standards apply, whichever is more beneficial to the Town.
- 10) **Percentage:** In this type of contract, the Offeror is compensated with a percentage of the construction cost. The percentage is negotiated prior to any contract award.
- 11) **Procurement:** The receipt of Goods, Services, insurance or Construction by a public body from a nongovernmental source with payment from the public body or a third party.
- 12) **Proposal:** A proposal to provide the Goods, Services, Insurance or Construction identified in the specifications.
- 13) **Requirements:** In this type of contract, the Vendor submits an Offer to supply the Town's needs for all Goods or Services meeting the specifications. Offers shall state the unit cost. Except in an emergency, the Town will not obtain the specified Goods from a different source. For each shipment of Goods or task, the Town will issue a purchase order.
- 14) **Using Department:** The Town's Public Services department. The initial Contract Administrator will be Jim Hoy.
- 15) **VPPA:** The Virginia Public Procurement Act, Virginia Code §§ 2.2-4300 et seq.

D) Nondiscrimination; Participation of Small, Women-Owned, Minority-Owned, and Service Disabled Veteran-Owned Business

- 1) **In general:** The Town does not discriminate against Offerors because of race, religion, color, sex, national origin, age, disability, status as a service disabled veteran, or any other basis prohibited by state law relating to discrimination in employment. The Town does not discriminate against faith-based organizations on the basis of the organization's religious character or impose conditions that restrict the religious character of the faith-based organization, except as permitted or required by law, or impair, diminish, or discourage the exercise of religious freedom by the recipients of such Goods, Services or disbursements. Any Offeror believing that it or another Offeror has been discriminated against on that basis should immediately make the Town Manager's Designee aware of the basis for that belief.
- 2) **Opt-out rights with faith-based organizations:** If an award of Contract is made to a faith-based organization, and an individual who applies for or receives Goods, Services, or disbursements provided pursuant to that contract objects to the religious character of the faith-based organization from which the individual receives or would receive the Goods, Services, or disbursements, the Town shall offer the individual, within a reasonable period of time after the date of his objection, access to equivalent goods, services, or disbursement from an alternative provider.

- 3) **Facilitating disadvantaged businesses:** It is the policy of the Town to facilitate the participation of small, women-owned, minority-owned, and service disabled veteran-owned businesses in all aspects of procurement to the maximum extent feasible. If awarded a contract, the Offeror will use its best efforts to carry out this policy and insure that small, women-owned, minority-owned, and service disabled veteran-owned businesses have the maximum practicable opportunity to compete for subcontract work, consistent with the efficient performance of this contract. If federal grant money is to be used to pay for this Procurement, then the specifications will indicate the extent of any specific participation required for small, women-owned, minority-owned, and service disabled veteran-owned businesses.
