Culpeper Town Council makes decisions on matters involving local taxes and utility rates, expenditure of taxpayers' money, community planning and economic development, maintenance of streets and infrastructure, and many other important topics effecting Town residents.

Council members serve four-year terms and each represents the entire town at-large. About half of the Council seats are up for election each odd-numbered year.

Town Council is a nonpartisan body. Candidates for Council are not listed on the ballot with a political party affiliation.

Council members are interested in hearing residents' views on Town matters and in helping answer questions involving the Town government. Council members can be reached via the contact information provided on this page or emailed collectively at councilmembers@culpeperva.gov.

Town Council meets in regular session the second Tuesday of every month at 7:00 PM in the Board of Supervisors meeting room at the County Administration Building, 302 North Main Street. Meetings are televised by Culpeper Media Network on Comcast channel 10 and online at media.culpeperva.gov.

Meeting packets for all Town Council meetings as well as the four standing Council committees are available at the Town website www.culpeperva.gov under the "Board Docs" tab at the top of the page.

Culpeper's over 18,000 residents are served by a Town workforce of only about 180.

This workforce, led by the Town Manager and senior staff, is responsible for the many tasks necessary to keep our residents safe and make Culpeper a great place to live, work, and play. These include law enforcement; street maintenance and snow removal; park maintenance; trash collection; electric, water, and wastewater utilities; management of the Town's finances; business licensing; local tax collection; zoning enforcement; and many other vital functions.

Phone numbers to call for common questions are below. Complete information on Town government departments and functions can be found at the Town website www.culpeperva.gov.
