

# PUBLIC NOTICE

# LEAF COLLECTION

The Town of Culpeper will perform loose leaf vacuuming beginning November 27<sup>th</sup>. Loose leaves should be placed in piles at the edge of the street behind the curb or ditch line and away from parked vehicles to facilitate vacuuming. Leaves should not be placed in the street, roadside ditches or block storm drains.

Piles of leaves must be free of bottles, cans, rocks, sticks, brush or other debris that could damage the equipment. Residents with small amounts of leaves may place them in their container for regular refuse collection; however, it is the Town's desire to keep as many leaves as possible out of the transfer station. **BAGS OF LEAVES WILL NOT BE COLLECTED.**
