

This aerial map of Madison, Wisconsin, illustrates the proposed Madison Area Rapid Transit (MART) system. The city's street grid is clearly visible, with major roads such as North Main Street, North Blue Ridge Avenue, and East Main Street. The MART system is highlighted in red, showing a network of lines connecting various parts of the city. Key locations such as the University of Wisconsin-Madison, the downtown business district, and the airport are visible. The map also shows the surrounding landscape, including parks and residential areas.
