## INDEPENDENT AUDITOR'S REPORT

The Board of Directors  
Community Redevelopment Agency  
Dade City, Florida

### Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities and the major fund of the Community Redevelopment Agency (the CRA), a component unit of the City of Dade City, Florida (the City), as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the CRA's basic financial statements as listed in the table of contents.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

## INDEPENDENT AUDITOR'S REPORT

### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the CRA as of September 30, 2021, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### Other Matters

#### *Required Supplementary Information*

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis (MD&A) and the budgetary comparison information, as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the MD&A and the budgetary comparison information, in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the MD&A and the budgetary comparison information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### **Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated June 17, 2022, on our consideration of the CRA's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the effectiveness of the City's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

CITY OF DADE CITY, FLORIDA  
MANAGEMENT'S DISCUSSION AND ANALYSIS  
SEPTEMBER 30, 2021**

This supplement to the Independent Auditor's Report and Financial Statements has been developed in accordance with the Government Accounting Standards Board Statement No. 34. It is intended to provide the readers of this report with a general overview of the financial activities of the Community Redevelopment Agency (the CRA). The CRA provides the following discussion and analysis of the CRA's financial activities for the fiscal year ended September 30, 2021. Management's Discussion and Analysis is designed to: (a) assist the reader to focus on significant financial issues, (b) provide an overview of the CRA's financial activities, (c) identify changes in the CRA's financial position, (d) identify material deviations from the financial plan, and (e) identify individual fund issues or concerns. We encourage readers to consider the information presented here in conjunction with the CRA's financial statements.

**The CRA**

The CRA was created by the Dade City, Florida (the City) Resolution No. 526 as authorized by Part III of Chapter 163 of the Florida Statutes. The CRA was further expanded in 2008. The Governing Board of the CRA (the Board) is appointed by the City Council and the Pasco County Board of County Commissioners (the BOCC) and, therefore, the City exercises significant influence over its operations and fiscal management. The CRA is considered a component unit for financial reporting purposes and is included as a blended special revenue fund within the City's overall basic financial statements.

These financial statements are presented for the purpose of complying with state law, specifically Florida Statute Section 163.387(8)(a), which requires separate audited financial statements for each community redevelopment agency that has revenues or expenditures that exceed \$100,000.

**Financial Highlights**

- The assets of the CRA exceeded its liabilities at the close of the most recent fiscal year by \$192,953.
- The CRA's fund balance increased by \$58,180 as a result of 2021 operations.
- Revenues for fiscal year 2021 were \$102,931, transfers in tax incremental funds were \$97,632, and expenditures totaled \$67,383. In addition, the CRA transferred funds to the City's general fund to cover operational needs provided by the general fund in the amount of \$75,000.
- For the year ended September 30, 2021, actual revenues exceeded budgeted revenues by \$971 while actual expenditures were \$224,842 less than budgeted expenditures.

**Overview of the Financial Statements**

This discussion and analysis is intended to serve as an introduction to the CRA's basic financial statements, which are comprised of the following four (4) components:

- Government-Wide Financial Statements
- Fund Financial Statements
- Notes to the Financial Statements
- Required Supplementary Information

**COMMUNITY REDEVELOPMENT AGENCY  
CITY OF DADE CITY, FLORIDA  
MANAGEMENT'S DISCUSSION AND ANALYSIS  
SEPTEMBER 30, 2021**

**Government-Wide Financial Statements**

The *government-wide financial statements* are designed to provide readers with a broad overview of the CRA's finances, in a manner similar to a private-sector business.

The *Statement of Net Position* presents financial information on all of the CRA's assets and liabilities, with the difference reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the CRA is improving or deteriorating.

The *Statement of Activities* presents information showing how the CRA's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, *regardless of the timing of related cash flows*. Thus, revenues and expenses are reported for some items that will only result in cash flows in future fiscal periods.

The government-wide financial statements listed above distinguish functions of the CRA that are principally supported by ad-valorem taxes and intergovernmental revenues (*governmental activities*) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (*business-type activities*). The governmental activity of the CRA is community redevelopment.

The government-wide financial statements include only the activities of the CRA. However, the CRA is considered a blended component unit the City and, as such, the financial information of the CRA is included in the City's financial statements for each fiscal year.

**Fund Financial Statements**

A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The CRA uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

**Governmental Funds**

Governmental funds are used to account for essentially the same functions reported as *governmental activities* in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on *near-term inflows* and *outflows of spendable resources*, as well as on *balances of spendable resources* available at the end of the fiscal year. Such information may be useful in evaluating the CRA's *near-term* financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the CRA's *near-term* financing decisions. Both the governmental fund Balance Sheet and the governmental fund Statement of Revenues, Expenditures, and Changes in Fund Balances provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*.

**COMMUNITY REDEVELOPMENT AGENCY  
CITY OF DADE CITY, FLORIDA  
MANAGEMENT'S DISCUSSION AND ANALYSIS  
SEPTEMBER 30, 2021**

**Special Revenue Funds**

*Special revenue funds* are used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditures for specified purposes other than debt service or capital projects. The CRA's expendable financial resources and the related liabilities are accounted for through a special revenue fund.

**Restricted Fund Balance**

*Fund Balance* should be reported as Restricted when constraints are placed on the use of resources, such as enabling legislation, which authorizes the government to access, levy, charge, or otherwise mandate payment of resources. All of the CRA's fund balance is considered Restricted.

**Notes to the Financial Statements**

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

**Required Supplementary Information (RSI)**

Included in this section of the report is the Budgetary Comparison Schedule.

**Government-Wide Financial Analysis**

*Statement of Net Position*

As noted earlier, net position may serve over time as a useful indicator of the CRA's financial position. In the case of the CRA, assets exceeded liabilities by \$192,953 (*net position*) as of the close of the most recent fiscal year, a increase of \$58,180 in comparison with the prior year.

The following table reflects a summary of the *Statement of Net Position* for the current and prior year:

The following table reflects the *Statement of Activities* for the current and prior year:

	<u>2021</u>	<u>2020</u>
<b>Revenues</b>		
Property Taxes - Pasco County	\$ 102,931	\$ 93,522

<b>Net Position, End of Year</b>	<u><u>\$ 192,953</u></u>	<u><u>\$ 134,773</u></u>

Fiscal year 2021 activities increased the CRA's net position by \$58,180, or 43%, in comparison with the prior year. The increase in net position of \$58,180 in the current year, compared to a decrease in net position of (\$131,809) in the prior year, is due to no capital contributions within the redevelopment district in the current year, compared to \$159,100 of capital related activity in the prior year.

### **Financial Analysis of the CRA's Funds**

#### **Governmental Funds**

The focus of the CRA's *governmental funds* is to provide information on *near-term* inflows, outflows, and balances of *spendable resources*. Such information is useful in assessing the CRA's financing requirements. In particular, *unassigned fund balance* may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

The CRA's fund balance of \$192,953 is restricted for redevelopment projects within the CRA district.

Property taxes from Pasco County totaled \$102,931, while the transfer in from the primary government for property taxes totaling \$97,632 represented approximately 100% of all revenues. The CRA's fund balance increased by \$58,180 in the current year. The increase in tax increment financing revenues received by the CRA in the current year resulted from increased property values within the CRA district.

#### **Capital Assets and Debt Administration**

The CRA's capital assets are considered to be property of the City and, therefore, are included as capital assets in the City's government-wide financial statements. Capital asset activity for the year ended September 30, 2021, can be found in the City's audited financial statements.

**COMMUNITY REDEVELOPMENT AGENCY  
CITY OF DADE CITY, FLORIDA  
MANAGEMENT'S DISCUSSION AND ANALYSIS  
SEPTEMBER 30, 2021**

At September 30, 2021, the CRA had no long-term debt. Throughout each fiscal year, when applicable, the CRA transfers funds to the City's general fund to cover a portion of infrastructure projects.

**Budgetary Highlights**

An annual budget is prepared for the CRA and approved by the Board. The legal level of control is maintained at the fund level. During 2021, the Board approved a budget appropriation to provide for unanticipated requirements of the period. Budget appropriations may not be legally exceeded on a fund basis. Appropriations lapse at the end of the fiscal year. The budget is adopted on a basis consistent with generally accepted accounting principles.

**Economic Factors and Future Developments**

The CRA will continue to plan projects and infrastructure improvements that align with its redevelopment priorities for the designated district. The CRA will continue to implement the community's shared development goals through its redevelopment strategies and critical tasks.

**Request for Information**

This financial information is designed to present users with a general overview of the CRA's finances for all those with an interest in its finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Community Development Department of the City of Dade City located at 38020 Meridian Ave, Dade City, Florida 33525.

**NOTES TO FINANCIAL STATEMENTS  
COMMUNITY REDEVELOPMENT AGENCY  
CITY OF DADE CITY, FLORIDA**

**Note 1 - Summary of Significant Accounting Policies**

The Community Redevelopment Agency's (the CRA) financial statements are prepared in accordance with generally accepted accounting principles, as applicable to governments. The following is a summary of the more significant policies:

**Reporting Entity**

The CRA was created under the Florida Statutes, Chapter 163.410 and Ordinance No. 1496 of the City of Dade City, Florida (the City). The purpose of the CRA is to establish the redevelopment priorities for the designated CRA. The Governing Board of the CRA (the Board) is appointed by the City Council (the Council) and the Pasco County Board of County Commissioners (the BOCC) and, therefore, the City exercises significant influence over its operations and fiscal management. The CRA is considered a blended component unit for financial reporting purposes and is included as a special revenue fund within the City's overall basic financial statements.

**Financial Statements**

These financial statements are presented for the purpose of complying with state law, specifically Florida Statutes, Section 163.387(8)(a), which requires separate audited financial statements for each community redevelopment agency that has revenues or expenditures that exceed \$100,000.

Entity-wide financial statements are prepared at the City-wide level by the City and include the CRA. Copies of that report can be obtained from the City's Office of Budget and Finance.

**Measurement Focus, Basis of Accounting, and Financial Statement Presentation**

*Government-Wide Financial Statements*

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of the related cash flows. Property taxes are recognized as revenue in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

*Fund Financial Statements*

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting, except for debt service expenditures, which are recorded only when payment is due.

Considering that the fund statements are presented on a different measurement focus and basis of accounting than the government-wide governmental activities column, a reconciliation is sometimes necessary to explain the adjustments needed to reconcile the fund based financial statements to the governmental activities column of the government-wide presentation.

**NOTES TO FINANCIAL STATEMENTS  
COMMUNITY REDEVELOPMENT AGENCY  
CITY OF DADE CITY, FLORIDA**

Tax increment financing revenue, when levied for, and interest associated with the current fiscal period are both considered to be measurable and have been recognized as revenues of the current fiscal year, if available.

When both restricted and unrestricted resources are available for use, it is the CRA's policy to use restricted resources first, and then unrestricted resources as they are needed.

The CRA reports the special revenue fund as a major governmental fund. The special revenue fund is used to account for all financial resources received by the CRA. The special revenue fund serves as the primary operating fund of the CRA. The CRA does not have any non-major funds.

**Budgetary Requirements**

An annual budget is prepared for all funds of the City, including the CRA. The budget amounts presented in the accompanying financial statements are as originally adopted, or as legally amended, by the Council during the year ended September 30, 2021. The City Manager is authorized to transfer budgeted amounts within the fund; however, all budget amendments require CRA Board approval and any budget amendments that alter the total expenditures of the fund must be approved by the Council. The Council approved supplemental budget appropriations to provide for unanticipated requirements of the period. Budget appropriations may not be legally exceeded on a fund basis. Appropriations lapse at the end of each fiscal year. The budget is adopted on a basis consistent with generally accepted accounting principles.

**Assets, Liabilities and Net Position**

*Cash and Cash Equivalents and Investments*

The CRA participates in the City's pooled cash and investment portfolio. This pool includes deposits and overnight repurchase agreements, amounts with the State Board of Administration (SBA), and Florida Safe. Interest income earned as a result of pooling is distributed to the appropriate funds based on the average daily balance of cash in each fund for the period.

*Capital Assets*

Capital assets include property, plant, equipment, and infrastructure assets (e.g., roads, bridges, sidewalks, and similar items). The CRA's capital assets are considered to be property of the City and, therefore, are included as capital assets in the City's government-wide financial statements. Capital asset activity for the year ended September 30, 2021, can be found in the City's audited financial statements. As the capital assets are retained by the City, the CRA contributes capital to the general fund for capital outlay related to the CRA's redevelopment and infrastructure projects.

*Nature and Purpose of the Fund Balance*

In the fund financial statements the governmental fund reports fund classifications that comprise a hierarchy based primarily on the extent to which the CRA is bound to honor constraints on the specific purposes for which amounts in the fund can be spent. Amounts that are restricted to specific purposes either by: a) constraints placed on the use of resources by creditors, grantors, contributors, or laws or regulations of other governments, or b) imposed by law through constitutional provisions or enabling legislation, are classified as restricted fund balances. Amounts that can only be used for specific purposes pursuant to constraints imposed by the Board through an ordinance or resolution are classified a

**NOTES TO FINANCIAL STATEMENTS  
COMMUNITY REDEVELOPMENT AGENCY  
CITY OF DADE CITY, FLORIDA**

committed fund balances. Amounts that are constrained by the CRA's intent to be used for specific purposes but are neither restricted nor committed are classified as assigned fund balances. Assignments are made by the Board or the City Manager. Non-spendable fund balances include amounts that cannot be spent because they are either: a) not in spendable form, or b) legally or contractually required to be maintained intact. Unassigned fund balance represents fund balance that is not restricted, committed, or assigned to specific purposes within the general fund.

Unspent tax increment financing revenues are restricted for future redevelopment projects and are reported as restricted fund balance in the financial statements. Unassigned fund balance, if any, represents fund balance that has not been restricted, committed, or assigned to specific purposes within the general fund.

*Net Position*

The government-wide statements utilized a net position presentation. Restricted net position is unspent tax increment financing revenues that are restricted for future redevelopment projects. Unrestricted net position represents the net position of the CRA that is not restricted for any project or purpose.

**Other Significant Accounting Policies**

*Use of Estimates*

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statement and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

*Transfers and Contributions*

The CRA makes transfers to the City's general fund to cover a portion of the operating expenses allocated from the general fund. Overhead allocation transfers from the CRA to the City's General Fund totaled \$75,000 for the year ended September 30, 2021.

Capital assets are contributed by the CRA to the general fund for capital outlay incurred for the CRA's redevelopment and infrastructure projects.

*Payroll-Related Expenses and Liabilities*

The employees that manage or are involved in day-to-day operations of the CRA are employees of the City. Per an agreement with the City, the CRA is charged an administrative fee related to those employees. Payroll-related activity for the year ended September 30, 2021, can be found in the City's audited financial statements. Accordingly, no payroll related long-term liabilities, such as compensated absences, net pension liabilities, or other postemployment benefits are recorded by the CRA.

**Note 2 - Explanation of Certain Differences Between the Government-Wide and Fund Financial Statements**

**Statement of Net Position and Governmental Fund Balance Sheet**

The governmental fund balance sheet includes a reconciliation between fund balance - total governmental funds and net position of governmental activities as reported in the government-wide statement of net position.

**NOTES TO FINANCIAL STATEMENTS  
COMMUNITY REDEVELOPMENT AGENCY  
CITY OF DADE CITY, FLORIDA**

**Statement of Activities and Governmental Fund Statement of Revenues, Expenditures, and Changes in Fund Balances**

The governmental fund statement of revenues, expenditures, and changes in fund balance includes a reconciliation between the capital outlay of the governmental fund and the capital contribution to the primary government as reported in the government-wide statement of activities.

**Note 3 - Cash and Equity in Pooled Cash and Investments**

At September 30, 2021, the carrying amount of the CRA's cash deposits was \$202,770. These funds are a part of the City's pooled cash funds. The City's cash deposits are held by a bank that qualifies as a public depository under the *Florida Security for Public Deposits Act* as required by Chapter 280, Florida Statutes. The City maintains an investment policy managing pooled cash and investments. Further information on the City's pooled cash and investments can be found in the notes to the annual financial statements of the City.

**Note 4 - Tax Increment Financing Revenue**

The CRA is primarily funded through tax increment financing revenue. The tax increment revenue is calculated by applying the adopted millage rate to the increase in current year taxable assessed valuations within the designated CRA districts, using the year in which they were established as the "base year". The City is required to contribute a minimum of 50% and maximum of 95% of the incremental property taxes levied each year. Pasco County is required to contribute 50% of the incremental property taxes levied each year for 20 years, as the CRA's taxable value is 151% of its base year taxable value.

## **OTHER REPORTS**

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING  
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS  
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

The Board of Directors  
Community Redevelopment Agency  
Dade City, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the Community Redevelopment Agency (the CRA) as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the CRA's financial statements, and have issued our report thereon dated June 17, 2022.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the CRA's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the CRA's internal control. Accordingly, we do not express an opinion on the effectiveness of the CRA's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any direct deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified. See **Finding 2020-01** in the City's basic financial statements.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the CRA's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations,

contracts and grant agreements, non-compliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the CRA's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## INDEPENDENT ACCOUNTANT'S REPORT ON COMPLIANCE WITH SECTION 163.387(6) AND (7), FLORIDA STATUTES

The Board of Directors  
Community Redevelopment Agency  
Dade City, Florida

We have examined the Community Redevelopment Agency's (the CRA) compliance with the requirements of Section 163.387(6) and (7), Florida Statutes, during the fiscal year ended September 30, 2021, as required by Section 10.556(10)(f), *Rules of the Auditor General*. Management is responsible for the CRA's compliance with those requirements. Our responsibility is to express an opinion on the CRA's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the CRA complied, in all material respects, with the requirements referenced above. An examination involves performing procedures to obtain evidence about whether the CRA complied with the specific requirements. The nature, timing, and extent of the procedures selected depend on our judgement, including an assessment of the risk of material non-compliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the CRA's compliance with specific requirements.

In our opinion, the CRA complied, in all material respects, with the aforementioned requirements during the fiscal year ended September 30, 2021.

This report is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, the CRA, its management, and the Board of Directors of the City of Dade City, Florida, and is not intended to be, and should not be, used by anyone other than these specified parties.

## INDEPENDENT ACCOUNTANT'S REPORT ON COMPLIANCE WITH SECTION 218.415, FLORIDA STATUTES

The Board of Directors  
Community Redevelopment Agency  
Dade City, Florida

We have examined the Community Redevelopment Agency's (the CRA) compliance with the requirements of Section 218.415, Florida Statutes, during the fiscal year ended September 30, 2021, as required by Section 10.556(10)(a), *Rules of the Auditor General*. Management is responsible for the CRA's compliance with those requirements. Our responsibility is to express an opinion on the CRA's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the CRA complied, in all material respects, with the requirements referenced above. An examination involves performing procedures to obtain evidence about whether the CRA complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material non-compliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the CRA's compliance with specified requirements.

In our opinion, the CRA complied, in all material respects, with the aforementioned requirements during the fiscal year ended September 30, 2021.

This report is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, the CRA, its management, and the Board of Directors of the City of Dade City, Florida, and is not intended to be, and should not be, used by anyone other than these specified parties.

## MANAGEMENT LETTER

The Board of Directors  
Community Redevelopment Agency  
Dade City, Florida

### Report on the Financial Statements

We have audited the financial statements of the Community Redevelopment Agency (the CRA) as of and for the fiscal year ended September 30, 2021, and have issued our report thereon dated June 17, 2022.

### Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and Chapter 10.550, *Rules of the Auditor General*.

### Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*; and Independent Accountant's Report on examination conducted in accordance with American Institute of Certified Public Accountants *Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, *Rules of the Auditor General*. Disclosures in those reports and schedule, which are dated June 17, 2022, should be considered in conjunction with this management letter.

### Prior Audit Findings

Section 10.554(1)(i)1., *Rules of the Auditor General*, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no findings and recommendations made in the preceding annual financial audit report regarding the CRA in the primary government's reports.

### Official Title and Legal Authority

Section 10.554(1)(i)4., *Rules of the Auditor General*, requires that the name or official title and legal authority for the primary government be disclosed in the Management Letter, unless disclosed in the notes to the financial statements (see Note 1 of the CRA's financial statements as of and for the year ended September 30, 2021, for this information).

## MANAGEMENT LETTER

### Financial Condition and Management

Sections 10.554(1)(i)5.a. and 10.556(7), *Rules of the Auditor General*, require us to apply appropriate procedures and communicate the results of our determination as to whether or not the CRA has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and identify the specific condition(s) met. In connection with our audit, we determined that the CRA did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), *Rules of the Auditor General*, we applied financial condition assessment procedures. It is management's responsibility to monitor the CRA's financial condition, and our financial condition assessment was based in part on representations made by management and the review of financial information provided by same.

Section 10.554(1)(i)2., *Rules of the Auditor General*, requires that we communicate any recommendations to improve financial management. In connection with our audit, we identified the following matter:

- **2021-1 CRA Budget** - Per the Auditor General *Compliance Supplement*, Section 163.387(6)(b), Florida Statutes, the CRA Board of Directors is to provide the adopted budget to the county which the CRA is located within 10 days of adoption. The adopted budget and amendments were provided to the county during the year, but not within the required 10 days of adoption. We recommend that the City of Dade City develop a process after the adoption of the CRA budget that is then timely sent to the county.

### Special District Component Units

Section 10.554(1)(i)5.c., *Rules of the Auditor General*, requires, if appropriate, that we communicate the failure of a special district that is a component unit of a county, municipality, or special district, to provide the financial information necessary for proper reporting of the component unit, within the audited financial statements of the county, municipality, or special district in accordance with Section 218.39(3)(b), Florida Statutes. In connection with our audit, we determined that all special district component units provided the necessary information for proper reporting in accordance with Section 218.39(3)(b), Florida Statutes.

As required by Section 218.39(3)(c), Florida Statutes, and Section 10.554(1)(i)6, *Rules of the Auditor General*, the CRA reported the following information that was not subject to auditing procedures:

- The total number of district employees compensated in the last pay period of the district's fiscal year as 0.
- The total number of independent contractors to whom non-employee compensation was paid in the last month of the district's fiscal year as 0.
- All compensation earned by or awarded to employees, whether paid or accrued, regardless of contingency as \$0.
- All compensation earned by or awarded to non-employee independent contractors, whether paid or accrued, regardless of contingency as \$0.

The Board of Directors  
Community Redevelopment Agency  
Dade City, Florida

#### MANAGEMENT LETTER

- Each construction project with a total cost of at least \$65,000 approved by the district that is scheduled to begin on or after October 1 of the fiscal year being reported, together with the total expenditures for such project is 0.
- A budget variance based on the budget adopted under Section 189.016(4), Florida Statutes, before the beginning of the fiscal year being reported if the district amends a final adopted budget under Section 189.016(6), Florida Statutes (see Schedule of Revenues, Expenditures, and Changes in Fund Balance - Budget and Actual as presented in financial statements for the year ended September 31, 2021).

#### Additional Matters

Section 10.554(1)(i)3., *Rules of the Auditor General*, requires us to communicate non-compliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

#### Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Honorable Mayor, and City of Dade City, City Council and management, and is not intended to be, and should not be, used by anyone other than these specified parties.

To Whom It May Concern:

The following response is offered to the Recommendation to Improve Financial Management contained within the Management Letter required by Chapter 10.550, *Rules of the Auditor General*:

**2021- 1 – CRA Budget:** Per the Auditor General *Compliance Supplement*, Section 163.387(6)(b), Florida Statutes, the CRA Board of Directors is to provide the adopted budget to the county which the CRA is located within 10 days of adoption. The adopted budget and amendments were provided to the county during the year, but not within the required 10 days of adoption. The auditors recommend that the City of Dade City develop a process after the adoption of the CRA budget that is then timely sent to the county.

The City posted the adopted budget and amendments on the City's website within 10 days of adoption. The City's annual budget document includes the adopted budget of the CRA. Within 30 days of adoption, the City's Finance Officer notified Pasco County Community Development via email "to make sure the County is aware of the location of the City's annual adopted budget (inclusive of the CRA budget), along with any subsequent amendments. Those documents can be found online at [https://www.dadecityfl.com/our\\_government/departments/finance/index.php](https://www.dadecityfl.com/our_government/departments/finance/index.php)."

Going forward, Finance will not only post the CRA adopted budget on the City's website within 10 days of adoption but will also send the courtesy reminder email to Pasco County Community Development within 10 days of adoption instead of within 30 days of adoption.

Sincerely,

Andrew Laflin, Finance Officer
