9/20: Bingo **10/18:** Board Games

11/15: Bingo **12/20:** Cards

Lewis & Clark Adventure \$55 Nov 14

Discover the history of Lewis and Clark while you visit Camp Dubois at the Lewis and Clark Historic Site in Hartford, IL. Here you will be captivated by the outdoor camp established by the pair and multiple galleries that display firearms, peace medals, trade goods, and many more period pieces including a 55 foot replica keel boat. We will then visit The Holy Family Log Cabin Parish, built in 1699, and enjoy a catered Italian lunch on site. A short walk will bring us over to the Jarrot Mansion and the Cahokia Courthouse as we learn about their significance during the Lewis and Clark Expedition. These tours will be both indoor and outdoor.

Christmas Lights Tour \$70 Dec 10

This adventure will take you to Our Lady of the Snows to see the Annual Way of Lights Christmas display that illuminates the grounds in Illinois. We will start the evening off with a dinner buffet and then see the Tree Room, holiday wreaths and visit the gift shop. We will then make our way back to drive through Tilles Park.

All trips include transportation, tour fees, and meals unless otherwise noted

CITY INFO

Building Permits & Inspections

Our Building Inspector inspects all new structures in our City to enforce City Codes pertaining to buildings and property. The inspection program provides public welfare and safety, and maintains property values. The City's Building Inspector carries out three separate inspection programs:

- (1) Occupancy (Sale and Rental)
- (2) New Construction
- (3) Residential upgrades
(pool, sunroom, basement, fence and deck)

Safety Occupancy Inspection. New Construction: During residential and commercial construction, including additions, the Building Inspection ensures that approved site plans and Municipal Codes are followed. **Residential Upgrades:** During construction or renovation such as fence, deck, pool, sunroom, basement, etc., the Building Inspector ensures that approved plans and Municipal Codes are followed. You can obtain permit applications at City Hall, or on our website. You can schedule inspection appointments by calling 636-561-1718 x.0

Economic Development

Looking to start a new business or grow your current one? Expanding or need more space? Have general business questions or need help regarding resources at the State and Federal level? For those questions and others please contact our Economic Development Coordinator, Doug Potts.

Do Not Release Swimming Pool Water into Storm Drains:

As the swimming season comes to an end, swimming pool owners preparing to drain their pools are reminded that it is illegal to discharge chlorinated pool water into the storm drain. The water that flows into storm drains is not filtered before it flows into our local streams. Native fish and small aquatic life living in these streams can be negatively impacted by even the smallest amounts of chlorine and other pollution in storm drain discharges. If your pool isn't connected to a sanitary sewer line for draining, the water must be de-chlorinated before releasing it into a storm drain. Under the Dardenne Prairie Municipal Code, fines can be issued per day for each violation. Over the years, the City has used a volunteer effort to mark storm drains throughout the City reminding people that the water that goes into storm drains flows into our local streams. For those interested in marking drains in their neighborhood or for more information about storm drain contamination or to report a violation, please call the City Engineer at (636) 755-5304.

INSIDE

MAYOR'S MESSAGE

Please come to City Hall Park and the Dardenne Athletic Fields to enjoy our annual Prairie Day event on Saturday, September 21. As you can see from the schedule of events, we will have something for everyone. Please stop by the City Tent to meet some of your City's elected officials! The Board of Aldermen, City Hall Staff and I want to stay in close touch with residents, to keep you informed, and to hear your concerns. Please follow us on Facebook and add our website, www.dardenneprairie.org to your favorites. The Dardenne Prairie Board of Aldermen meets the 1st and 3rd Wednesday of each month: 6:00 p.m. for the workshop and 7:00 p.m. for the business meeting. All meetings are open to the public and we welcome you to attend our Board meetings at City Hall. If you can't attend our meetings you can contact your Aldermen and me by phone or e-mail (check the website for details) and you can always use the contact link on the City's website. It was designed to help answer questions you may have and to let us know what is on your mind.

Mayor
David Zucker
