

RECREATION SENIOR TRIPS

All About Hermann \$85 Oct 7

Visit a significant part of early Missouri German settlement in Herman, MO. Begin the trip with a tour of the Living History Farm and Museum. After the tour, relax and enjoy a delicious lunch served in the restored horse barn and carriage house located on the grounds of the Stone Hill Winery. After lunch, enjoy a guided tour of the underground cellars and samples of award-winning wines. The final stop will include bratwurst and sausage tasting at the Hermann Wurst Haus.

National Blues Museum \$75 Nov 9

Enjoy an afternoon exploring the blues, known as the genre that founded all of modern American music. You will visit the famous Blueberry Hill restaurant for lunch, locally famous for its extravagant décor and simple eats. Paving the sidewalk in front of the restaurant is the Hall of Fame Walk and a life size statue of Chuck Berry that sits across the street. After lunch we will travel to the National Blues Museum. There, you will enjoy a self-guided tour of the museum's interactive displays and will enjoy a one-hour private performance by a local Blues duo.

Garden Glow \$55 Dec 7

Join us as we head to Missouri Botanical Gardens for their annual Garden Glow event. The Garden Glow features one-million lights surrounding visitors with a spectacle of unique installations among some of the Garden's most iconic locations. Enjoy interactive photo opportunities, traditional holiday music and festivities, delicious food and drinks, and more, as the garden is transformed around you into a winter wonderland.

All trips include transportation, tour fees, and meals (unless otherwise noted)

CITY INFO

Building Permits & Inspections

Our Building Inspector inspects all new structures in our City to enforce Municipal Codes pertaining to buildings and property. The inspection program provides public welfare and safety, and maintains property values. The City's Building Inspector carries out three separate inspection programs:

- (1) Occupancy (Sale and Rental)
- (2) New Construction
- (3) Residential Upgrades
(pool, sunroom, basement, fence and deck)

New Construction: During residential and commercial construction, including additions, the Building Inspector ensures that approved site plans and Municipal Codes are followed. **Residential Upgrades:** During construction or renovation such as fence, deck, pool, sunroom, basement, etc., the Building Inspector ensures that approved plans and Municipal Codes are followed. You can obtain permit applications at City Hall, or on our website. You can schedule inspection appointments by calling 636-561-1718 ext.0

Local Business Community

Looking to start a new company or expand your business? For those questions and others please contact our Economic Development Coordinator, Doug Potts, at 636-755-5314 or Doug@dardenneprairie.org for more information. Also, when you shop or dine out, think about shopping or dining locally in Dardenne Prairie. The money you spend in Dardenne Prairie supports your city, community services, neighbors and local jobs with over half of the City's revenue coming from local retail sales.

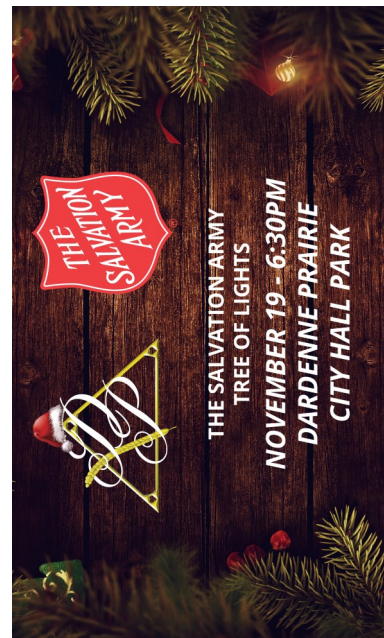

Do Not Release Swimming Pool Water Into Storm Drains:

As the swimming season comes to an end, swimming pool owners preparing to drain their pools are reminded that it is illegal to discharge chlorinated pool water into a storm drain. The water that flows into storm drains is not filtered before it flows into our local streams. Native fish and small aquatic life living in these streams can be negatively impacted by even the smallest amounts of chlorine and other pollution in storm drain discharges. If your pool isn't connected to a sanitary sewer line for draining, the water must be de-chlorinated before releasing it into a storm drain. Under the Dardenne Prairie Municipal Code, fines can be issued per day for each violation. Over the years, the City has used a volunteer effort to mark storm drains throughout the City reminding people that the water that goes into storm drains flows into our local streams. For those interested in marking drains in their neighborhood or for more information about storm drain contamination or to report a violation, please call the City Engineer at (636) 755-5304.

RECREATION ATHLETICS

Kickball League

Ages: 16+ **Fee:** \$250 Team Registration

Grab your friends or co-workers and form a team for this league. The coed kickball program is offered during the fall and spring/summer seasons. Players ages 16+ are welcome to play. Games will be played on Friday nights at the Dardenne Prairie Athletic Complex. Leagues play a 10-game double-header season. All rainouts will be added to the end of the schedule.

Pickleball Leagues

Fee: \$40/Player **Start Date:** Oct 5 (Instructional)
Oct 7 (Advanced)

Weekly match play in a friendly competitive environment. Format will be optimized for the number of players participating. No partner required. This is doubles play, but our format will be a round-robin with rotating partners in order to improve your skills against varying players.

Ages 2 – 12
