LEGAL DESCRIPTION OF THE LOCATION OF THE WORK AREA (this is other than an address):

HAS A BUILDING PERMIT ISSUED FOR THE PROPOSED CONSTRUCTION: Yes No

Please Note:

- Any person, firm, corporation or business proposing to remove any ground vegetation, to disturb or fill the land or to store soil affecting five thousand (5,000) square feet or more of land within the City of Dardenne Prairie shall apply to the City Engineer for approval and issuance of a land disturbance permit (separate from this application). For land disturbance activities affecting at least five thousand (5,000) square feet but less than one (1) acre, a property owner may apply for a land disturbance permit as part of the building permit application.
- Any development greater than ten thousand (10,000) square feet or requiring the preparation of complete improvement plans in accordance with the Municipal Code as determined by the City Engineer shall be required to obtain a grading permit (separate from this application) from the City of Dardenne Prairie.

CHECKLIST TO COMPLETE THIS APPLICATION

- Such information as may be required by the City Engineer to evidence the provision of adequate facilities to carry surface waters to the nearest practical storm drain, natural watercourse, street or other suitable place to deposit and receive such waters, which may include, but is not necessarily limited to two (2) paper copies and one (1) electronic copy of the following:

- (1) a grading plan meeting the requirements of Section 410.080 of the Municipal Code;
- (2) a plan showing the location of and the design specifications for a rain garden;
- (3) a plan showing the location of and the design specifications for an infiltration basin; and
- (4) stormwater flow calculations, plans and specifications prepared and sealed by a professional engineer registered in the State of Missouri.

- An application fee \$400.00 plus \$100.00 per acre of land affected.
