

# DELTA MILLS PICKLEBALL COURT RULES

## **ONLY PICKLEBALL PLAY PERMITTED ON THESE COURTS**

Nothing with wheels allowed on courts.

Pets are prohibited on courts.

### **Make safety a priority:**

- Wait until play has stopped before crossing a court.
- If your ball goes on another court, warn those players by calling "BALL."
- When returning a ball to another court, toss or hit the ball rather than returning it without looking.
- Please close the gate behind you when entering or exiting courts.

- 1.** Beginner and Intermediate lessons offered by Delta Township. Dates, class descriptions and cost will be posted on [deltami.gov/registration](http://deltami.gov/registration). For additional information, or to participate in a class, call (517) 323-8555.
- 2.** Instruction, lessons, and training only by pre-approved Delta Township instructors. Payments will be made directly to Delta Township.
- 3.** A whiteboard will be used to determine the order of play. The whiteboard rules are intended to make sure that everyone has a fair chance to play when the courts are crowded. There will also be Challenge Court(s) available for those who want more competitive games.
- 4.** Please follow the USA Pickleball rules. Scan QR code below to view them.
- 5.** Youth under the age of 12 must have adult supervision.
- 6.** No alcoholic beverages, glass, or food permitted on courts.
- 7.** Delta Township parks are smoke free.
- 8.** Pickleball schedule subject to change by Delta Township/Delta Area Pickleball Association.
