# Public Safety Facility & Storage Building Bond Proposal

On the May 2 ballot, Delta Township will ask voters to consider a bond proposal for the construction of a new public safety facility and storage building for the residents of Delta Township and the nearly 40 personnel (Lieutenants, Sergeants, Detectives, Deputies, and support staff) that serve them on the Delta Patrol.

## Current Facility Deficiencies

Inadequate Victim  
Interview Rooms

Inefficient  
Evidence Storage

Mechanical &  
Plumbing  
Deficiencies

Foundation &  
Structural Issues

Technological  
Infrastructure  
Inadequacies

Insufficient  
Facilities for  
Female Deputies

## How Would This Affect Taxpayers?

If the bond proposal passes, the average residential property owner in Delta Township can expect to pay an estimated \$112.18 in additional taxes per year based on an average home market value of \$200,000 and a taxable value of \$100,000.

Approximate Market Value	Taxable Value	Cost Per Year for 1.1218 Mills	Cost Per Month
\$150,000	\$75,000	\$84.14	\$7.01
\$200,000	\$100,000	\$112.18	\$9.35
\$250,000	\$125,000	\$140.23	\$11.69
\$300,000	\$150,000	\$168.27	\$14.02

To estimate your amount, divide your taxable value by 1,000 and multiply by 1.1218

## If approved, this proposal would allow the Township to:

Replace the current public safety facility and adjacent storage building that have documented structural deficiencies.

Provide enhanced building security

Improve facilities for female deputies, evidence processing, and witness and victim interviews

Increase energy efficiency and provide for upgraded technology
