I AM  DELTA

Welcome

Welcome to the 11th Annual Delta Township Community Awards Reception.

Six awards will be presented during this evening's event and include: the Business of the Year Award, two Community Enhancement Awards, the Community Organization of the Year Award, the Young Person of the Year Award and Scholarship, and the Citizen of the Year Award. As you review the program, you will see a description of the awards being presented, the criteria used to select each recipient, and a detailed list of all of our nominees.

We will recognize all the nominees and honor the award recipients for each category. This evening, we will also celebrate the eleventh anniversary of this event. The Delta Township Community Awards program is a success due in large part to our sponsors. The support of our sponsors and the community as a whole is integral to this event and it simply could not be achieved without this support. Please take note of our sponsors listed at the end of the program.

You will also notice that we are continuing our "I Am Delta" promotion. We hope that you will join us in our "photo" campaign and take your picture with one of our "I Am Delta" signs. We will use these pictures to promote "I Am Delta."

We are looking forward to this terrific celebration and are appreciative of all those in attendance this evening. On behalf of the Delta Township Board and the Community Awards Committee, we want to thank you for attending this reception.

"Delta Pride"

Celebrating 11 Years of Community Awards

While this evening will honor a hand full of exceptional nominees, this event also celebrates excellence of some of Delta's finest citizens, businesses and organizations. They are truly the "Pride of Delta" and are all our honored guests.

This year we celebrate the 11th Anniversary of the Delta Township Community Awards. This program was established in 2004, when a committee was formed to develop a recognition program that would celebrate the individuals, businesses and organizations that make Delta Township a great place to live, work, and play. In 2006, the Township held its first awards ceremony. Since the program's inception, the Township has recognized over 100 nominees and has presented fifty-two awards. Delta Township is proud to have such a wealth of community minded businesses, organizations and individuals; they are the heart and soul of our proud community. Thank you for choosing Delta Township as your home.

Musical Entertainment

"Take Note" Quartet is the official quartet of Grand Ledge! The group is comprised of (L to R) Mike Barger (Baritone), Al Blankenship (Bass), Charlie Martin (Lead), and Dan Templin (Tenor). Their tight harmonies and epic sound make this group's entertainment something to remember.

Our Emcee

Kelly Rossman-McKinney is a well known and accomplished communications expert, evident by the results of all the MIRS/EPIC-MRA State Capitol Surveys. The poll of hundreds of Capital City insiders consistently ranks Kelly as the most effective public relations professional around.

Through her leadership, the communications firm Truscott Rossman has expanded from one office in Lansing and a dozen employees to three statewide offices and a team of nearly 30. This rapid growth has helped Truscott Rossman to be named one of Michigan's 50 Companies to Watch in 2015.

Kelly is committed to her clients and to her values. Nothing lights her fire like a client challenge — and she's at her absolute best (just watch her eyes light up!) when she's helping her clients tackle their thorniest issues and situations.

Kelly pioneered issue management in Lansing and continues to pursue cutting edge work in her field. She's a certified crisis communicator, a nationally accredited public relations counselor (APR), and a member of the Public Relations Society of America's (PRSA) distinguished College of Fellows — one of only three in Michigan. She's also a great motivational speaker who can really rock an audience with her candor, wit, and wisdom.

In addition to guiding her firm to greatness, Kelly is deeply committed to community service and lives by the adage "the more you get, the more you give." She serves on several boards, including the Michigan Political Leadership Program, the Citizens Research Council, Olivet College Board of Trustees, SBAM PAC Board, and the Nature Conservancy.

Although she's been honored with many awards as a PR professional and female business owner, nothing thrills her more than hanging out with her four kids and her beloved husband, Officer Dave. Kelly and her family reside in Delta Township.

Business of the Year Award Nominees

The **Business of the Year** award will honor a selected business or business person who has been responsible for exceptional outcomes between and among businesses, governments, and nonprofit organizations; or, has served as a role model for other businesses; or, has gone above and beyond the scope of business to support and promote Delta Township. Since then, they have continued to grow while maintaining strong family values and a unwavering commitment to the Delta Township community. They have sponsored the Delta Township Community Awards providing door prize items for four past events, giving nearly \$5,000 in donated items. Once Upon A Child:

Once Upon A Child is owned by franchise holders Patty Roberts and Lisa Starks. Both owners are Delta Township residents and opened their store because they saw a need for reasonably priced children's clothing. Since

their opening in 2015, they have helped raise money and donated to numerous charities, as well as helped to clothe fire victims. Additionally, they have made it their mission to help raise the funds needed to help a local 3-year-old cancer patient pay her medical bills through "Lillies for Lilly." Their donations are often chosen, sorted, and delivered free of charge directly from their store's inventory.

Community Enhancement Awards

This award was established to honor selected individual citizens and/or businesses for exceptional outcomes in property rehabilitation, residential, recreational, or commercial area beautifications, preservation of clean, safe neighborhoods, or other environmental improvements within the township. The purpose is to reward initiatives that improve community aesthetics and safety, and to encourage responsible community stewardship.

Improving the appearance and encouraging redevelopment of the Saginaw Highway corridor and other aged areas has always been a priority of the Delta Township Board. The renovation and rehabilitation of the two properties we are awarding this evening shows the Township's ongoing commitment to bring life and beautification back to the area.

As stated earlier, it continues to be a goal for the Township Board to revitalize the Saginaw Highway corridor. We are striving to improve the mix of businesses by attracting quality businesses, improving the exterior facades of commercial buildings, reducing vacancy rates, and improve traffic flow and safety. We will continue to place a high priority on business retention and are actively engaged with Leap, the Michigan Economic Development Corporation, local realtors and private developers to attract and promote businesses.

This year, we are presenting two awards for property rehabilitation.
