

Where Do They Get My Water?

Directions: Starting at the upper left corner of the puzzle at the bottom of the page, follow the capital letters. In the order that you follow them, put one capital letter on each line of the paragraph below to find out where Des Moines Water Works gets the water that becomes your drinking water. You can only move up, down, left, or right (not diagonally).

Des Moines Water Works takes its water from 3 places:

the D _____, the _____,

_____ , and _____

_____, which are like a layer of underground wells

about _____ feet wide, _____ miles long, and

_____ - _____ feet deep.

This water runs through _____ and _____, which

helps clean out the dirt. It is located along the _____ River

right here on Water Works grounds.
