§

ORDER PROHIBITING OUTDOOR BURNING

WHEREAS, the Commissioners Court finds that circumstances present in all or part of the unincorporated area of the county create a public safety hazard that would be exacerbated by outdoor burning;

IT IS HEREBY ORDERED by the Commissioners Court of Dimmit County that all outdoor burning is prohibited in the unincorporated area of the County for 90 days from the date of adoption of this Order, unless the restrictions are terminated earlier based on a determination made by the Texas Forest Service that drought conditions no longer exist or the Commissioners Court based on a determination that the circumstances that required the Order no longer exist.

This Order is adopted pursuant to Local Government Code §352.081, and other applicable statutes. This Order does not prohibit outdoor burning activities related to public health and safety that are authorized by the Texas Commission on Environmental Quality for (1) firefighter training; (2) public utility, natural gas pipeline or mining operations; (3) planting or harvesting of agricultural crops; or, (4) burns that are conducted by a prescribed burn manager certified under Natural Resources Code, §153.048 and meet the standards of Natural Resources Code §153.047.

In accordance with Local Government Code §352.081(h), a violation of this Order is a Class C misdemeanor, punishable by a fine not to exceed \$500.00.

The County Judge may rescind this Order upon a determination that the circumstances that required the Order no longer exist.

The County Judge will require a permit prior to burning. Said permit shall be picked up at the Judge's Office prior to burning; and all rules and regulations contained in the permit shall be followed. Violators of the permit will be fined.
