Approval of funding by ESD, a public benefit corporation of the State of New York, is conditioned upon and subject to the following requirements:

- a) Recipient agrees to fully comply and cooperate with ESD in the implementation of New York State Executive Law Article 15-A. These requirements include contracting opportunities for *New York State certified* Minority-owned Business Enterprises ("MBEs") and Women-owned Business Enterprises ("WBEs"), collectively MWBEs.
- **b)** For purposes of this project, ESD hereby establishes an **overall MWBE participation goal requirement of 30%** (based on the current availability of qualified certified MWBEs).
- c) For purposes of providing meaningful participation by MWBEs on the project and achieving the project goals established herein, Recipient should reference the directory of New York State certified MWBEs found at the following internet address:

#### https://ny.newnycontracts.com

Additionally, Recipient may contact ESD's Office of Contractor and Supplier Diversity ("OCSD") to discuss additional methods of maximizing participation by MWBEs on the project.

- d) Recipient is required to submit a completed Non-Discrimination and Equal Employment Opportunity Policy Agreement (Form OCSD-1) prior to the first disbursement.
- e) For all incentives the Recipient and any contractors or sub-contractors are required to provide to OCSD (i) an MWBE Staffing Plan (Form OCSD-2) prior to the first disbursement, where ESD's effective contribution is equal to or greater than \$250,000, and (ii) Workforce Utilization Reports (Form OCSD-3) on a monthly basis, for construction contracts in excess of \$100,000, or quarterly basis, for services and commodities contracts in excess of \$25,000, until the final disbursement of project funds. If the first disbursement is also the final disbursement, the Recipient may submit

only the final Workforce Utilization Report. Workforce Utilization Reports must be submitted to OCSD via email in, **excel format only**, to <u>OCSD@esd.ny.gov</u>.

The Recipient shall also require each of its sub-contractors to submit a Workforce Utilization Report (Form OCSD-3) on a monthly basis, for construction contracts in excess of \$100,000, or quarterly basis, for services and commodities contracts in excess of \$25,000, until the final disbursement of project funds. The Workforce Utilization Report must be sent by email in excel format only to ESD.

- f) Recipient is required to submit an MWBE Utilization Plan (Form OCSD-4) no later than ten (10) days after the execution of this Incentive Proposal.
  - If additional time is required to prepare an acceptable and effective MWBE Utilization Plan, the Recipient may submit a written extension request to OCSD or the assigned OCSD Project Manager. The extension request must explain why additional time is needed and provide an estimated date of submission for the MWBE Utilization Plan.
  - Any modifications or changes to the MWBE Utilization Plan after the execution of this Incentive Proposal and during the performance of the project must be reported on a revised MWBE Utilization Plan and submitted to OCSD for approval.
- g) ESD will review the submitted MWBE Utilization Plan and advise the Recipient of acceptance or issue a Notice of Deficiency within twenty (20) days of receipt.
- h) If a notice of deficiency is issued, Recipient agrees that it shall respond to the Notice of Deficiency within seven (7) business days of receipt by submitting to OCSD a written remedy in response to the Notice of Deficiency. If the written remedy that is submitted is not timely or is found by ESD to be inadequate, ESD shall notify the Recipient and direct the Recipient to submit, within five (5) business days, a request for a partial or total waiver of MWBE participation goals (Form OCSD-5, Waiver Request). Failure to file the Waiver Request in a timely manner may result in a finding that Recipient has intentionally or willfully failed to comply with the requirements of New York State Executive Law Article 15-A and the MWBE provisions outlined herein.
- i) ESD may find that Recipient has willfully or intentionally failed to meet the MWBE project requirements under the following circumstances:
  - 1. If a Recipient fails to submit an MWBE Utilization Plan;
  - 2. If a Recipient fails to submit a written remedy to a Notice of Deficiency;
  - 3. If a Recipient fails to submit a request for waiver; or

- 4. If ESD determines that the Recipient has failed to document "Good Faith Efforts."
- j) Recipient shall attempt to utilize, in good faith, any MBE or WBE identified within its MWBE Utilization Plan, during the performance of the project. Requests for a partial or total waiver of established goal requirements made subsequent to the execution of the Incentive Proposal may be made at any time during the term of the project to ESD, but must be made no later than prior to the submission of a request for final payment on the project.
- k) Recipient is required to submit a periodic MWBE Compliance & Payment Report to OCSD by the 10<sup>th</sup> day following either the end of each (i) month, for construction contracts in excess of \$100,000, or (ii) quarter, for services and commodities contracts in excess of \$25,000, over the term of the project documenting the progress made toward achievement of the MWBE project goals.

Periodic compliance and payment reports may be submitted electronically through the New York State Contract System, found at <a href="https://ny.newnycontracts.com">https://ny.newnycontracts.com</a>. Payment information and confirmation must be submitted by the 10<sup>th</sup> day following the end of each month or quarter, as applicable. For additional information regarding this process, please contact OCSD.

Periodic compliance and payment reports may also be completed manually (Form OCSD-6, MWBE Compliance & Payment Report) and submitted to OCSD or the assigned OCSD Project Manager.

I) "Good Faith Efforts" is the standard applied to the MWBE participation requirements in all applicable ESD incentives. Recipients shall adhere to this standard and ensure that proactive and ongoing efforts are made throughout the length of the project to include MWBE participation in all categories where MWBE participation potential exists. In order for OCSD to evaluate "Good Faith Efforts", Recipients must maintain detailed records of its efforts to include MWBEs in the performance of the project.

For additional details regarding "Good Faith Efforts," please review 5 NYCRR §142.8 (MWBE Rules and Regulations), available at: <a href="http://esd.ny.gov/MWBE/Data/OFFICIAL COMPILATION OF MWBEREGS.pdf">http://esd.ny.gov/MWBE/Data/OFFICIAL COMPILATION OF MWBEREGS.pdf</a>
