

# New Resident Relocation Guide

Welcome to the City of Dunkirk! This guide provides some basic information that will be useful as you begin your life here. We hope after you browse through this information you will find that Dunkirk truly is a great place to live, work and play.

If you would like to know more about your City, we invite you to visit our website at [www.dunkirktoday.com](http://www.dunkirktoday.com).

## Local Government Services

### City of Dunkirk

A full service municipality providing Water, Sewer, Streets, Police, Fire, City Court, Recreation and other public services to residents of Dunkirk. The Mayor and Common Council have oversight of the City and its various departments. Regular meetings are held on the first and third Tuesday of each month in the City Court of City Hall at 5:30 PM.

### City Clerk's Office

Clerk: Edwin Ramos :716-366-0452  
The Office of the City Clerk assists the taxpayers and residents of the City of Dunkirk by providing a variety of diverse services. These services include: processing birth, death and marriage certificates; licensing of taxi drivers, electrician license; issuing dog licenses; issuing hunting licenses; providing access to public records; and, all bidding and contract processing on goods, products and services purchased by the City of Dunkirk.

### Assessor's Office

Assessor: Thomas Mleckzo: 716-366-9836  
The Assessor's office is staffed by the Clerk of the Board of Assessors who is an elected official who estimates the value of real property within the City's boundaries. This value is converted into an assessment, which is one

component in the computation of real property tax bills. The Assessor administers exemption programs for senior citizens and veterans.

### Building and Zoning

Zoning Officer: Glenn Christner  
716-366-9858

The primary purpose of the Building and Zoning Department is to ensure building safety through the enforcement of municipal, state and federal regulations and codes. The Building and Zoning Office issues building permits for various types of structures. This includes new construction, additions, alterations or demolition, swimming pools, signs, storage sheds, fences and decks. The Building and Zoning Office should be contacted before starting any project.
