**GENERAL NOTES**

**RUBBISH AND RECYCLABLE ITEMS** should be at the curb by 6:30 a.m. on the scheduled day of collection but no earlier than 7:30 p.m. the evening before. Containers should be covered tightly and should weigh **no more than 65 pounds**. Plastic bags should weigh **no more than 15 pounds**. Residents shall not mix hazardous materials, animal waste, yard waste, bulk materials, recyclables or other non-rubbish items with rubbish. City reserves the right to refuse collection of co-mingled materials or materials placed in unsuitable containers (ie. no handles, ripped bags, water-filled).

**MEDICAL WASTE:** May not be placed for city disposal or collection, but community members may dispose of used household medical needles, syringes, and lancets safely at Brooks Memorial Hospital in a monitored area adjacent to the lobby switchboard Monday to Friday 7:00 a.m. to 6:00 p.m. See [www.brookshospital.org/community-health.html](http://www.brookshospital.org/community-health.html) for more information.

**UNSORTED RECYCLING** - Recyclable materials generated only within city residences are collected curbside every other Monday except holidays - please see the calendar above for dates. The UNSORTED program allows suitable and clean recyclables to be placed in one container. Currently, all glass materials should be disposed with rubbish and not recycled because glass now has little value and reduces the value of the other materials. Eligible items are non-food-contaminated cardboard including emptied packaging boxes, all clean and non-capped plastic containers marked with the recycling logo and numbered 1 through 7, clean and label-removed cans made of tin and aluminum and steel and including small metal items such as cleaned pie plates and trays. Larger scrap metal will not be picked up curbside but should be taken to the City Recycling Center on Lucas Avenue on West Lucas Avenue which is open **ONLY during the hours of 6:30 a.m. to 3:30 p.m.** Monday through Saturday (opens at 7:30 a.m. Saturday), except holidays and it may be closed on some Saturdays. Recyclables can also be taken to the County Transfer Station on Webster Road in Fredonia. When bringing recycling, please use clear (see through) bags only, as the city gets charged to sort through non-clear bags. The Lucas Avenue Recycling Center is for City residents only, to bring curbside-eligible recyclables more frequently.

**BULK ITEM DISPOSAL** - Curbside collection will only be available during the purple shaded Mondays. Prepayment must be made at the Dunkirk City Clerk's Office at City Hall by the Thursday prior to pick up. The Clerk can be contacted at 366-0453 for fees and scheduling.
